Symbiosis Institute of Technology SIT Pune.

Time : 02:30pm to 04:00pm

Venue:- Virtual on Google Meet Platform

Goal: IP-intensive industries employ over 55 million Americans, and hundreds of millions of people worldwide.

Jobs in IP-intensive industries are expected to grow faster over the next decade than the national average.

The average worker in an IP-intensive industry earned about 30% more than his counterpart in a non-IP industry.

The average salary in IP-intensive industries pay \$50,576 per worker compared to the national average of \$38,768.

Objective: Nearly all of the 300 products on the World Health Organization's Essential Drug List, which are critical to saving or improving people's lives around the globe, came from the R&D-intensive pharmaceutical industry that depends on patent protections.

Innovative agricultural companies are creating new products to help farmers produce more and better products for the world's hungry while reducing the environmental impact of agriculture.

IP-driven discoveries in alternative energy and green technologies will help improve energy security and address climate change.

Participants: Participants from class SE-Computer 60 -Student.

An environmental friendly green campus, "JSPM Narhe Technical Campus" (JSPMNTC) was established in 2011. The Institute is approved by AICTE, New Delhi and is affiliated to Savitribai Phule

Pune University (SPPU), Pune. The College being a technical campus offers UG programs (Bachelor of Engineering) in Civil, Computer, Electronics & Telecommunication and Mechanical Engineering. PG programs (Master of Engineering) are offered in Computer, Electronics & Telecommunication and Mechanical Engineering. It also offers PG programs in Master of Business Administration and Master in Computer Applications.

JSPMNTC provides one umbrella to create engineers, managers and masters by providing innovative teaching methodologies.

The College achieved "Gold Category" for last three consecutive years and this year achieved highest "Platinum Category" in AICTE-CII survey of industry linked technical education.

The Institute is also ISO 9001:2015 certified. The College is organizing various activities every year for the development of students. The Department of MBA had organized Seminar on "Entrepreneurship Development" for MBA" on 20/03/2023.

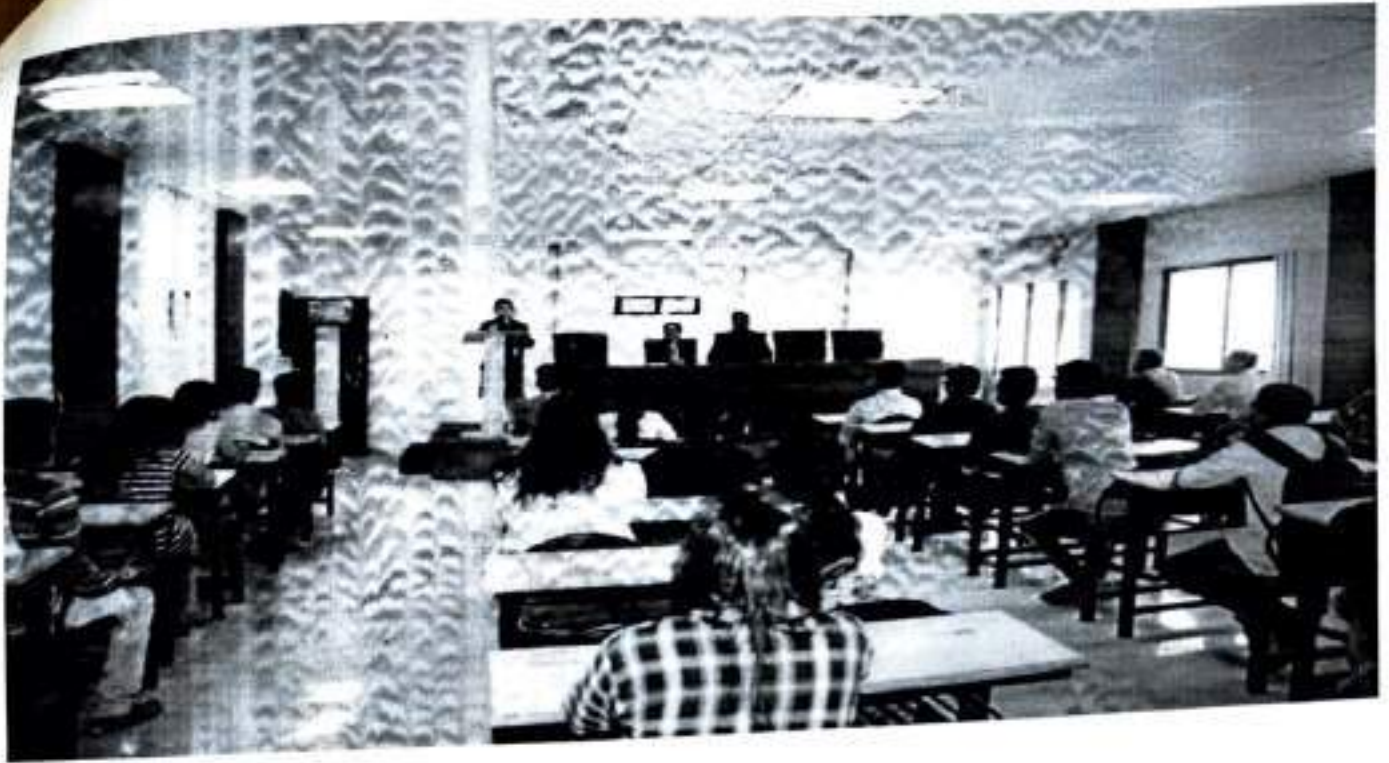

We on behalf of JSPM Narhe Technical Campus thank you sir for having graced the occasion and sparing your precious time to address and mentor our students.

Thanking You

Goal: IP-intensive industries employ over 55 million Americans, and hundreds of millions of people worldwide.

Jobs in IP-intensive industries are expected to grow faster over the next decade than the national average.

The average worker in an IP-intensive industry earned about 30% more than his counterpart in a non-IP industry

The average salary in IP-intensive industries pay \$50,576 per worker compared to the national average of \$38,768.

Objective: Nearly all of the 300 products on the World Health Organization's Essential Drug List, which are critical to saving or improving people's lives around the globe, came from the R&D-intensive pharmaceutical industry that depends on patent protections.

Innovative agricultural companies are creating new products to help farmers produce more and better products for the world's hungry while reducing the environmental impact of agriculture.

IP-driven discoveries in alternative energy and green technologies will help improve energy security and address climate change.

Participants: Participants from class SE-Computer 50 -Student.

Dear Sir,

Subject: Letter of Thanks

Date: 5th April 2022

An environmental friendly green campus, "JSPM Narhe Technical Campus" (JSPMNTC) was established in 2011. The Institute is approved by AICTE, New Delhi and is affiliated to Savitribai Phule

Pune University (SPPU), Pune. The College being a technical campus offers UG programs (Bachelor of Engineering) in Civil, Computer, Electronics & Telecommunication and Mechanical Engineering. PG programs (Master of Engineering) are offered in Computer, Electronics & Telecommunication and Mechanical Engineering. It also offers PG programs in Master of Business Administration and Master in Computer Applications.

JSPMNTC provides one umbrella to create engineers, managers and masters by providing innovative teaching methodologies.

The College achieved "Gold Category" for last three consecutive years and this year achieved highest "Platinum Category" in AICTE-CII survey of industry linked technical education.

The Institute is also ISO 9001:2015 certified. The College is organizing various activities every year for the development of students. The Department of MBA had organized "Workshop on Entrepreneurial Skill" for MBA" on 05/04/2022.

We on behalf of JSPM Narhe Technical Campus thank you sir for having graced the occasion and sparing your precious time to address and mentor our students.

Thanking You

Yours Faithfully

Event Report

Name of the Event:- **Seminar on "Questionnaire Designing"**

Date :- 16th October 2019

Time :- 8:30 am to 4:30 pm

Venue :- A. Building Seminar Hall

Name of the Faculty Coordinator:- Prof. Pratibha Rasal

Number of student Participated:- 35

A seminar on "Questionnaire Designing" was conducted for the MBA students in JSPM Narhe Technical campus. The chief guest of the session was Mr. Harishchandra Kulkarni, Professor at Raison Group Of Institutions. 35 students registered and attended the seminar along with the faculty members.

Dr. R.K.Lad (Director, JSPM NTC) and Archana Singh (MBA HOD, JSPM) felicitated the resource person.

The resource person guided students for writing/framing research questions, how to design questionnaire based on different types to research methodologies. The session was divided into two parts - First part of the session was theory and practical session in second half. A group assignment for developing and writing a research question was given to the participant. The seminar provided in-depth information about how to construct a questionnaire, pilot testing them, standardizing them and reframing the poor questions. A carefully and accurately designed questionnaire helps to collect reliable information.

Dear Sir,

Subject: Letter of Thanks

Date: 16th October 2019

An environmental friendly green campus, "JSPM Narhe Technical Campus" (JSPMNTC) was established in 2011. The Institute is approved by AICTE, New Delhi and is affiliated to Savitribai Phule Pune University (SPPU), Pune. The College being a technical campus offers UG programs (Bachelor of Engineering) in Civil, Computer, Electronics & Telecommunication and Mechanical Engineering. PG programs (Master of Engineering) are offered in Computer, Electronics & Telecommunication and Mechanical Engineering. It also offers PG programs in Master of Business Administration and Master in Computer Applications.

JSPMNTC provides one umbrella to create engineers, managers and masters by providing innovative teaching methodologies.

The College achieved "Gold Category" for last three consecutive years and this year achieved highest "Platinum Category" in AICTE-CII survey of industry linked technical education.

The Institute is also ISO 9001:2015 certified. The College is organizing various activities every year for the development of students. The Department of MBA had organized Seminar on "Questionnaire Designing" for MBA" on 16/10/2019.

We on behalf of JSPM Narhe Technical Campus thank you sir for having graced the occasion and sparing your precious time to address and mentor our students.

Thanking You

Yours Faithfully

Event Summary Report

Name of Event: “Comprehensive Workshop on Writing Research and Review Papers”

Department: Mechanical Engineering

- **Date & Time of event:** 18/12/2018
- **Venue:** Seminar Hall, Mechanical Engineering Department

Event Overview

On December 18, 2018, JSPM Narhe Technical Campus's Department of Mechanical Engineering organized a comprehensive workshop focused on "Writing Research and Review Papers." This event was targeted at students from Second Year (SE), Third Year (TE), and Final Year (BE) Mechanical Engineering programs, aiming to enhance their academic writing skills and understanding of scholarly communication.

Objectives

The primary objectives of the workshop were to:

1. Equip students with the necessary skills to write effective research and review papers.
2. Familiarize students with the structure and components of academic papers.
3. Provide insights into the research process, including literature review, data collection, analysis, and presentation.
4. Improve students' abilities to critically evaluate existing research and contribute original ideas to their fields of study.

Workshop Structure

The workshop was structured into several key sessions, each focusing on different aspects of research and review paper writing:

1. **Introduction to Research and Review Papers:**
 - Definition and purpose of research and review papers.
 - Differences between research papers and review papers.
 - Importance of academic writing in engineering.
2. **Literature Review and Research Methodology:**
 - Identifying and selecting relevant literature.
 - Conducting a thorough literature review.

- Formulating research questions and hypotheses.
- Overview of qualitative and quantitative research methods.
- 3. **Writing Techniques:**
 - Structuring a research paper: Introduction, Methods, Results, Discussion, and Conclusion (IMRAD format).
 - Writing a review paper: organization and critical analysis.
 - Tips for clear and concise writing.
- 4. **Referencing and Citation:**
 - Importance of proper referencing.
 - Different citation styles (APA, MLA, IEEE).
 - Using reference management tools.
- 5. **Ethical Considerations and Plagiarism:**
 - Understanding academic integrity.
 - Avoiding plagiarism and maintaining originality in writing.
 - Ethical guidelines for conducting and publishing research.

Key Speakers and Experts

The workshop featured esteemed speakers and experts in the field of mechanical engineering and academic writing:

- **Prof. M. A. Kumbhalkar**, who provided insights into the importance of research in engineering and guided students through the research methodology.
- **Prof. K. S. Rambhad**, an expert in academic writing, who conducted the session on writing techniques, citation styles, and ethical considerations.

Outcomes and Feedback

The workshop was highly interactive, with students actively participating in discussions and practical exercises. They were given the opportunity to draft their own research proposals and receive feedback from the experts. The hands-on approach helped students gain confidence in their writing abilities.

Post-workshop surveys indicated that students found the sessions highly beneficial, particularly the practical tips on structuring their papers and the importance of ethical writing. The event successfully achieved its goals of enhancing students' research writing skills and preparing them for future academic endeavors.

No. of Students: 55

Conclusion

The Comprehensive Workshop on Writing Research and Review Papers at JSPM Narhe Technical Campus was a significant step towards fostering a research-oriented mindset among Mechanical Engineering students. By equipping them with essential skills and knowledge, the workshop aimed to elevate the academic standards and research output of the department.

Event Summary Report

Name of Event: "From Project to Publication: Thesis and Research Paper Writing Workshop"

Department: Mechanical Engineering

- **Date & Time of event:** 15/03/2019
- **Venue:** Seminar Hall, Mechanical Engineering Department

Event Overview

On March 15, 2019, the Department of Mechanical Engineering at JSPM Narhe Technical Campus hosted a workshop titled "From Project to Publication: Thesis and Research Paper Writing." This event was designed for Third Year (TE) and Final Year (BE) Mechanical Engineering students, aiming to bridge the gap between project work and academic publication.

Objectives

The primary objectives of the workshop were to:

1. Guide students through the process of transforming project work into publishable research.
2. Provide detailed insights into thesis writing and research paper preparation.
3. Enhance students' understanding of the publication process and requirements.

Workshop Structure

The workshop was organized into several focused sessions, each addressing different stages of thesis and research paper writing:

1. **Introduction to Thesis and Research Paper Writing:**
 - Overview of the thesis structure.
 - Differences and similarities between a thesis and a research paper.
 - Importance of clear objectives and a well-defined research question.
2. **From Project to Thesis:**
 - Converting project findings into a coherent thesis.
 - Organizing chapters: Introduction, Literature Review, Methodology, Results, Discussion, and Conclusion.
 - Ensuring logical flow and coherence in writing.

3. **Research Paper Writing:**
 - Identifying suitable journals and conferences for publication.
 - Structuring a research paper: Title, Abstract, Keywords, Introduction, Methods, Results, Discussion, Conclusion, and References.
 - Writing an impactful abstract and introduction.
4. **Publication Process:**
 - Understanding the peer-review process.
 - Responding to reviewers' comments and revising manuscripts.
 - Ethical considerations and avoiding plagiarism.

Key Speakers and Experts

The workshop featured two distinguished speakers:

- **Prof. M. A. Kumbhalkar**, who provided expert guidance on converting project work into a structured thesis and detailed the publication process.
- **Prof. K. S. Rambhad**, an academic writing specialist, who focused on research paper writing techniques and ethical issues in research publication.

Outcomes and Feedback

The workshop was interactive, with students engaging in practical exercises, including drafting parts of their theses and research papers. They received personalized feedback from the speakers, which helped clarify their doubts and improve their writing skills.

Post-event feedback indicated that students found the workshop exceptionally useful. They appreciated the practical tips and the detailed explanation of the publication process. The insights into avoiding plagiarism and maintaining research integrity were particularly valued.

No. of Students: 75

Conclusion

The "From Project to Publication: Thesis and Research Paper Writing" workshop at JSPM Narhe Technical Campus was a significant initiative to enhance the academic writing and publication skills of TE and BE Mechanical Engineering students. By providing comprehensive guidance on thesis writing and research paper preparation, the workshop aimed to boost the quality and impact of students' academic contributions.
