### Blood Donation

<b>Date&amp; Time</b>	3/02/2022, 9 am to 4 pm
<b>Objective</b>	1. To collect blood units but also to make students aware about blood and its benefits. 2. It was an effort to motivate students to come forward and donate for this noble cause. 3. First time donors need to be encouraged so that once the initial hesitation/ fear goes away, the donor will look forward to such camps in near future too. 4. To help anyone, in case of any requirement for blood
<b>Outcome</b>	More than 50 units of blood
<b>Domain</b>	Environment
<b>In Association with</b>	NSS Unit JSPM NTC ( Total Participants 32)

A Blood donation camp was organized by our NSS unit, more than 50 units of blood was donated by both students and the staff members of our JSPM NTC .

The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

Total Participants	35

Tree Plantation drives combat many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence enhancing the beauty and balance of the environment. Trees absorb harmful gases and emit oxygen resulting in increase in oxygen supply. For Tree Plantation, students were divided into groups. They were provided with total of 100 saplings.

It was definitely an enriching experience for all those who were participated

### Report on Ganesh Visarjan

**Title of Event:** Ganesh Visarjan

**Date:** September 12th, 2019

**Time:** 11:30 am

**Venue:** JSPM Narhe Technical Campus

**Objectives:**

- To let the students stay rooted with Indian culture
- To build group cohesiveness

The JSPM Narhe Technical Campus celebrated Ganesh Chaturthi, the festival celebrating the birth of Lord Ganesh, with immense devotion and enthusiasm. Students, staff, and the entire college community came together to participate in various rituals and festivities during this auspicious occasion. The celebration commenced with a ceremonial pooja led by our esteemed faculty members.

Lord Ganesh's idol graced our campus for a ten-day period, allowing students and staff to seek his blessings continuously. Each morning at 9:30 am, an 'Anjali' ceremony was conducted, where students gathered to pray the idol. The highlight of the Ganesh Chaturthi celebration was the 'visarjan' or immersion ceremony, which took place on September 12th, 2019. The entire college community enthusiastically participated in the procession, joyfully dancing and singing songs. On the day of the visarjan, female faculty members adorned colorful nauvari sarees, while the men wore bright red or saffron-colored kurtas.

Students and staff members enjoyed dancing, singing devotional songs, and engaging in cultural performances. The atmosphere was filled with joy, unity, and a strong sense of togetherness. The entire campus joined the procession, resonating with chants of "Ganapati Bappa Morya". The statue of Lord Ganesh was immersed in a water body.

We express our heartfelt gratitude to all the students, staff, and organizers whose dedication and participation contributed to the resounding success of this celebration. May the blessings of Lord Ganesh continue to guide us all.

## Mahatma Gandhi

'Non Violence' or 'Ahimsa' was professed by many saints like Gautam Buddha, Mahaveer and our father of nation Mohandas Karamchand Gandhi.

It is the practice of not hurting anyone intentionally or unintentionally. The power of Non Violence was more prominent when Mahatma Gandhi joined the struggle of Independent India.

Mahatma Gandhi was born on 2<sup>nd</sup> October 1869 in Porbandar, Gujarat, India. He went to England for law studies after completing his matriculation examination. He returned to India in 1890 as a lawyer, and soon joined the ~~struggle~~ to help people suffering in the ~~struggle~~ struggle against Britishers.

Mahatma Gandhi led many non-violence protest against Britishers and the most effective of them were as follows,

### Champanan and Kheda agitation.

In 1917 the farmers of Champanan were forced to grow Indigo and sell them at fixed cheap prices. Gandhiji organised a non-violence protest against the Britishers and eventually the British government had to listen the demands of farmers.

In 1918 due to flood in Kheda village a famine came and the British government were not ready to give any concession or relief on taxes. Here also Gandhiji led a several ~~month~~ month long non-violence protest and ultimately the government had to declare a temporary relief on taxes.

### Non-Cooperation Movement :-

In 1920 due to the Jalianwalabagh massacre and the harsh British policies, Non-co-operation movement was initiated. Gandhiji believed that the major reason behind the Britishers prevailing in India was our use of Britain products and facilities. This movement demanded total non-cooperation towards British government. People stopped using the imported products instead they turned towards the 'swadeshi products', many people started withdrawing themselves from British schools, civil jobs etc. This was a hard blow to the British government and that too without lifting a single weapon.

### 'Salt March' or 'Dandi March'

Due to the British monopoly of salt production, the local production of salt was highly affected so Mahatma Gandhi led a 26 day long march from Sabarmati Ashram on '12 March 1930' to Dandi on '6 April 1930'. This protest garnered a lot of attention which also caught the eye of International Committee.

### Quit India Movement

This movement was initiated on 8<sup>th</sup> August 1942 and demanded the British government to 'Quit India'. This was a time of World War II and this movement acted as fuel in fire. The Britain was already in war with Germany and Indians demanded complete withdrawal from the world war II. This movement shocked the British government so

badly that they agreed on independent India after the war was over.

After all this the 'non-violence' was a powerful weapon which helped to free India, not that the violence struggle was any less effective cause our many brave freedom fighters gave their ~~all~~ precious ~~lives~~ lives on one united dream of freeing India. But the non-violence had to be appreciated because of its peaceful execution without shedding ~~and any~~ a single drop of blood. ~~not~~

Mahatma Gandhi's ideology behind the 'ahimsa' was that ~~violence~~ violence created more ~~problems~~ problems than it solved. But a little today people have different opinion on that. ~~because of this~~ ~~the consequence~~ Our father of nation was assassinated on 30<sup>th</sup> January 1948 in Delhi by Nathuram Godse. And just like that the man who spread so much peace ~~was~~ left us.

He was a man of great wisdom, and believed in equality he also fought ~~for~~ to exterminate the untouchability stereotype from India and called them ~~untouchable~~ 'harijans', the people of God.

~~Mahatma Gandhi's vision of a peaceful nation is~~  
~~not completed~~

We all must hope and join together to pledge a peaceful nation for our future generation. ~~And this is not some mere words~~ ~~India~~ ~~we~~ ~~can~~ ~~atleast~~ ~~stop~~ ~~violence~~ ~~for~~ If not for them then atleast for our own sake we must do it. ~~or~~ And work towards ~~a~~ ~~new~~ creating a peaceful nation.

## "The life of Mahatma Gandhi"

"The weak can never forgive.  
Forgiveness is the attribute of the strong"

The famous quote by Mohandas Karamchand Gandhi the father of India, the above quote gives his reference towards peace. According to him anything can be achieved by love and peace where violence is not an option.

Mahatma Gandhi was also known as 'Bapu' at that time. His valuable contribution towards India is remarkable. He fought British Raj without violence for the independence of India.

"Strength does not come from physical capacity.  
It comes from an indomitable will"  
- Bapu

Born and raised in a Hindu family in coastal Gujarat at Porbandar on 2<sup>nd</sup> October 1869. He was trained in law at Inner Temple, London further, after the age of 19. Gandhi first employed non-violent civil disobedience as an expatriate lawyer in South Africa in resident Indian community's struggle for civil rights. After his return to India in 1915 he set about organising peasants, farmers & urban labourers to protest against excessive land tax & discrimination.

"In a gentle way,  
you can shake the world"

- Bapu

The above quote can be referential to the event of Dandi Salt March.

Gandh (Bapu) led Indians in challenging the British-imposed salt tax with 400 km (250 mi) Dandi Salt March in 1930 & later in calling for British to Quit India in 1942.

He was imprisoned for many years upon many occasions.

"Earth provides enough to satisfy every man's needs, but not every man's greed"

- Bapu

One of the most remarkable key quality of Bapu was simplicity: He lived modestly in a self-sufficient residential community and wore the traditional Indian dhoti and shawl, woven with yarn hand-spun on charkha. He ate simple vegetarian food & also undertook long fasts as means of both self-purification. He was born in Gujarati Hindu Modk Baniya family. His father Karamchand Uttamchand Gandhi served as the diwan (Chief Minister) of Porbandar state. And the quote "Always keep it simple" might be discovered or said on the basis of above quote.

"The future depends on what we do in the present"

- Bapu

Although he only had an elementary education and had previously been a clerk in the state administration, Bapu's father proved a capable chief minister. Gandhi (Bapu) was also influenced by personal reflections & literature of Hindu Bhakti. At age of 57 he declared himself to be Advaitist Hindu in his religious persuasion but added that he supported Dvaitist viewpoints & religious pluralism. Because of this Gandhi was introduced to spirituality as well as practicality which helped him to keep peace in every situation he entangled with.

"A man is but the product of his thoughts; what he thinks, he becomes"

- Bapu

"Satyamev Jayate"

Gandhi dedicated his life, movements, & moments discovering & pursuing truth or satya, which means appeal to insistence on or reliance on truth, which is referred as satyagraha. Gandhi based satyagraha on vedantic ideal of self-realization, ahimsa (non-violence), vegetarianism & universal love. "The way he thinks, the way he acts is the reflection of his personality." Gandhi's mindset and his universal love is what makes him mahatma and world's greatest.

peacemakers.

"Where there is love there is life"  
- Bapu.

"I will not let anyone walk through my  
mind with their dirty feet"

- Bapu.

The British Raj tried their best to keep Gandhi away from letting change happen in the India of that time but with love, truth, leadership and self confidence anyone can achieve everything was the context proven by Gandhi.

In his life he encountered lots of difficult situations and achieve greatness through love and peace, he was the greatest peacemaker and soldier of India awarded with title of Father of nation of India.

Most of the events happen in his life are very difficult to explain & narrate in one essay but Bapu's life was surrounded by the quotes mentioned in this essay.

charkha. He ate simple vegetarian food & also undertook long fasts as means of both self purification & political protest.

Gandhi's vision of an independent India based on religious pluralism was challenged in early 1940s by a new Muslim nationalism which was demanding separate Muslim homeland carved out of India. In August 1947, Britain loosed & India got independence, But was partitioned into two main dominions a Hindu-majority  $\leftrightarrow$  India & Muslim-majority  $\leftrightarrow$  Pakistan.

Eschewing the official celebration of Independence in Delhi, Gandhi visited the affected areas, attempting to provide solace. In the months following he undertook several fast unto death, to stop religious violence. The last of these undertaken on 12 January 1948 when he was 78, also had indirect goal of pressuring India to pay out some cash owned to Pakistan.

Some Indians thought Gandhi was too accommodating. Among them was Nathuram Godse, a Hindu nationalist who assassinated Gandhi on 30 January 1948, by firing three bullets into his chest.

Gandhi's birthday 2 October is commemorated in India as Gandhi Jayanti a national holiday & worldwide as International Day of Non-violence. Gandhi is commonly thought and

## MAHATMA GANDHI (Father of the Nation)

Mohandas Karamchand Gandhi, more commonly known as 'MAHATMA' (means 'Great soul') was born in Porbandar, Gujarat, in North West India, on 2<sup>nd</sup> October 1869, into a Hindu Modh family. His father was the chief Minister of Porbandar, and his mother's religious devotion meant that his upbringing was infused with the Jain pacifist teachings of mutual tolerance, non-injury to living beings & vegetarianism.

One of the significant figures of freedom fight of India, Rabindranath Tagore also named him 'THE MARTYR OF THE NATION' since 1948 as he played a very vital role in the freedom of India from the British rule of 200 years. At the age of 19, he did his law from London and went to British colonies to practice his law where a life-changing incident happened.

At South Africa in 1914 he was thrown out of local transportation because of his dark skin tone & was humiliated for being a black and sitting with a white man, this incident made him decide to change the world of black & make them stand equal to white man.

Mahatma Gandhi did play war but a war with no weapon. The sword of non-violence and the shield of truth were his only weapons which helped India gain freedom & unite the nation under one flag.

His idea was to control body & mind for a better life. He believed that the body should be controlled by mind & mind by the soul, only this way of life will lead to enlightenment.

Mahatma Gandhi just not led various movements against British Raj but along with it, he fought against all the evils prevailing in the society. He strived to work towards removing untouchability from the society & provide all the citizens of India an equal stage to live on. He named all the untouchables as Harijan, the people of God. He also ignited the light of 'swadeshi' which means 'to our country' & promoted to use goods made in our country & abolish the use of foreign goods as it will boost Indian market.

At the age of 40, Gandhi initiated a Non-cooperative movement in 1920, where for the first time in history such a huge number of Indians, irrelevant of cast and class gathered together against the British to free India.

As his fame spread, so his political influence increased. By 1921 he was leading the National Congress, and reorganising the party's constitution around the principle of 'swaraj', or complete political independence from the British. He also instigated a boycott of British goods & institutions.

Mahatma Gandhi suffered six known assassination attempts during the course of life. The first attempt was made on 25<sup>th</sup> June 1934, when he was in Pune delivering a speech, together with his wife, Kasturba.

During the first years of the Second World War, Gandhi's mission to achieve independence from Britain reached its zenith: he saw no reason why Indians should fight for British sovereignty in other parts of world, when they were subjugated at home, which led to the worst instances of civil uprising under his direction through his 'Quit India' movement. As a result he was arrested on 9<sup>th</sup> August 1942, and held for two years at the Aga Khan Palace in Pune. In February 1944, 3 months prior his release, his wife Kasturba died in same prison.

After several assassination attempts Gandhi Ji quipped

"I have not hurt anybody nor do I consider anybody to be my enemy, I can't understand why there are so many attempts on my life. Yesterday's attempt on my life was failed. I will not die just yet; I aim to live till the age of 125"

Mahatma Gandhi is an unforgettable figure for Indians. Right after India's Independence by one of his own men he was assassinated.

Nathuram Godse believed to be very close man killed him on 30<sup>th</sup> January 1948 at Birla house by a gunshot. He believed Gandhi to be a reason for India's partition. Gandhi Ji was cremated as per Hindu custom, and his ashes are interred at the Aga Khan's Palace in Pune, the site of his incarceration in 1942, Gandhi Ji memorial

The story of My Experiments with Truth is the autobiography of Mahatma Gandhi. The introduction is written by Gandhi Ji himself mentioning how he has resumed writing his autobiography at the insistence of Jiramdas, a fellow prisoner in Yerwada Central Jail with him.

The book was translated from Gujarati to English by Mahadev Desai in 1940.

Mahatma Gandhi father of the nation, a man of morals a changemaker & virtues & ideal to all will always live in our hearts forever.

## Campaign for Eco Friendly POP Free Ganesh Idol Visarjan

**Title of Event:** Campaign for Eco Friendly POP Free Ganesh Idol Visarjan

**Date:** 23rd September, 2018

**Time:** 11.00 am onwards

**Venue:** Hingne Budruk, Karve Nagar

Every year Ganesh Chaturthi celebrations comes with huge environment risks thousands of people choose to immerse the idols in the water after the 10-day festivities. Normally, the idols are made from Plaster of Paris (POP) and are non-biodegradable in nature, as a result, the idols even after immersion continues to float on the water for a long period of time thereby choking the water bodies and adversely impacting the aquatic ecosystem.

So, JSPM NTC organized a campaign to create awareness about POP free Ganesh idols on 23rd September 2018. In an effort to reduce pollution during the annual Ganesh Visarjan. The main aim of the campaign was to reduce pollution during the Ganesh Visarjan and promote eco-friendly practices during Ganapati Pooja.

The volunteers appeal to the Ganesh Mandals entering the immersion sites to hand over the ideals and Nirmalya to them so that they can discard it in the designated facility which then can be sent for treatment and recycling.

This recycled clay was given to artisans for free, encouraging them to abandon plaster of Paris (POP) idols and observe the ban on their use.

Every small step counts towards a brighter and healthier planet. Say goodbye to Plaster of Paris (POP) idols and embrace the beauty of nature-friendly alternatives.
