Seminar on "Career Opportunities after Engineering" by ACE Hyderabad.

EVENT SUMMARY REPORT

Date : 26.8.2023

Name of Department: Electronics & Telecommunication Engineering

Event : Career Opportunities after Engineering

Speaker: ACE Hyderabad.

Day and Date: 25.8.2023, Friday

Venue: Seminar Hall

Number of students present: 81

Objective of Event:

- The seminar aims to introduce engineering graduates to various career options available after completing their degree. It will cover both traditional and emerging fields.
- The seminar may delve into postgraduate opportunities such as pursuing a master's degree (e.g., M.Tech, MBA, or MS)
- For those considering higher studies, the seminar could discuss entrance exams like the **Graduate Aptitude Test in Engineering (GATE)**. It would cover exam patterns, syllabus, eligibility criteria, and the significance of GATE scores for postgraduate admissions in prestigious universities and institutes both in India and abroad.

Respected Sir,

We sincerely wish to thank you for readily accepting our invitation and delivering an Seminar on 'Intellectual property rights' at Department of Civil Engineering, JSPM Narhe Technical Campus, Pune-41, on 9th of Nov. 2022.

Your expert talk on 'Intellectual property rights' was well received by our students and they were highly benefited with your experienced and knowledge based inputs. The valuable exposure about the fundamental concepts presented by you will definitely help our students to achieve their highest watermark in the domain.

We are indeed, deeply indebted to you for sparing your valuable time for this event and look forward to the same favorable support in future.

Thank you once again.

Dear Sir,

Greetings from Global Talent Track !

It is my immense pleasure to introduce GTT- Barclays LifeSkills Program 2021-22.

Would like to mention that this Program is Corporate Social Responsibility (CSR) Initiative hence entails no cost to either the student or the institute.

It is my pleasure to introduce Global Talent Track (GTT); an education and training venture, set up by some of the best minds from the industry, education and technology domains. The venture aims to provide 'quality with scale' through programs delivered with the help of innovative technologies and compelling content. As part of their CSR initiative, GTT has decided to skill unemployed youths as per the industry requirement.

Dear Sir,

We sincerely wish to thank you to all your team for readily accepting our invitation and conducting session on “Yoga and Pranayam ” session on 28th Dec 2021 for First Year of Engineering Student organized by the Department of First Year of Engineering, “JSPM Narhe Technical Campus, Narhe, Pune-41”.

Your session on “Yoga and Pranayam” was well received and enjoyed by our students and they were highly benefited with your experienced and knowledge based inputs. The valuable exposure about the fundamental concepts of yoga and pranayam presented by you will definitely help our students to maintain their health not only in educational period but also throughout their life.

We are indeed, deeply indebted to whole team of Pratish Yoga foundation for sparing your valuable time for this event and look forward to the same favorable support in future.

Thanking You.

Summary

Name of the Session: "Value of Life and Permanent Happiness"

No. of students participated - 89

Chief Guest - Mr. Amit Singh

Venue - Cignet Hall JSPMNTC

Date - 29th Nov 2021

Brief Introduction about the Session-

As living entities we are eternal, and hence the desire and hence the desire for the permanent happiness should be our prime motive. Yet we souls change millions of body, going up and down the fourteen material planetary systems, chasing after illusory peace and pleasures, expending huge amount of blood and energy.

Outcome- Students learned about managing work life balance, concentration skills and value of time.

Dear Student,

An environmental friendly green campus, **“JSPM Narhe Technical Campus”** (JSPMNTC) was established in 2011. The Institute is approved by AICTE, New Delhi and is affiliated to Savitribai Phule Pune University (SPPU), Pune.

The College being a technical campus offers UG programs (Bachelor of Engineering) in Civil, Computer, Electronics & Telecommunication and Mechanical Engineering. PG programs (Master of Engineering) are offered in Computer, Electronics & Telecommunication and Mechanical Engineering. It also offers PG programs in Master of Business Administration and Master in Computer Applications.

JSPMNTC provides one umbrella to create engineers, managers and masters by providing innovative teaching methodologies.

The College achieved “Gold Category” for last three consecutive years and this year achieved highest **“Platinum Category”** in **AICTE-CII survey of industry linked technical education**. The Institute is also ISO 9001:2015 certified.

The College is organizing various activities every year for the development of students. The Department of MBA had organized Online presentation Competition on **“Innovative Venture Plan”** in **BRAINOVATE 2K21** on **20th April 2021**.

You have been awarded **FIRST PRIZE** in this competition.

Date 23th April 2021

Summary

Name of the Competition - Brainovate 2021-Innovative Venture Plan

Mode -Online competition held on 20th April, 2021

Number of Students participated - 68

Brainovate 2021-Innovative Venture Plan was an initiative designed to foster creativity, entrepreneurship, and innovation among participants. The competition provides a platform for individuals or teams to present their novel business ideas, which are evaluated based on their originality, feasibility, market potential, and impact.

Throughout the competition, participants got the opportunity to receive valuable feedback and guidance from mentors and advisors, They also helped them refine their ideas and develop robust business plans.

Learning outcomes –

Students gained hands-on experience in ideation, business planning, market research, and pitching. They also developed critical thinking, problem-solving, communication, and teamwork skills essential for success in entrepreneurship. Additionally, students got the opportunity to build valuable connections with industry professionals, potential investors, and fellow entrepreneurs, which can prove invaluable as they continue to pursue their entrepreneurial endeavors beyond the competition

Overall, Brainovate 2021-Innovative Venture Plan Competition served as a catalyst for innovation and entrepreneurship, empowering individuals to transform students' creative ideas into viable businesses that drive positive change and contribute to the academic and career growth.

Subject: Letter of Thanks Expert Session

Dear Sir,

An environmental friendly green campus, “**JSPM Narhe Technical Campus**”(JSPMNTC) was established in 2011. The Institute is approved by AICTE, New Delhi and is affiliated to Savitribai Phule Pune University (SPPU), Pune.

The College being a technical campus offers UG programs (Bachelor of Engineering) in Civil, Computer, Electronics & Telecommunication and Mechanical Engineering. PG programs (Master of Engineering) are offered in Computer, Electronics & Telecommunication and Mechanical Engineering. It also offers PG programs in Master of Business Administration and Master in Computer Applications.

JSPMNTC provides one umbrella to create engineers, managers and masters by providing innovative teaching methodologies.

The College achieved “Gold Category” for last three consecutive years and this year achieved highest “**Platinum Category**” in **AICTE-CII survey of industry linked technical education**. The Institute is also ISO 9001:2015 certified.

The College is organizing various activities every year for the development of students. The Department of MBA had organized Expert Session on “**How do we keep adding Learnings and Experiences from Day 1 of MBA**” on **08th May 2021**.

We on behalf of **JSPM Narhe Technical Campus** thank you sir for having graced the occasion as the **Industry Expert Speaker** and sparing your precious time to address and mentor our students.

Thanking You

Yours Faithfully

Dr. R. K. Singh

Summary

Name of the Session - “How to we keep adding learning and experiences from Day 1”

Mode –Online on 8th May 2021

Number of Students participated - 75

From the first day, learning and experiences become the constant companions. However, the key lies not just in accumulating them but in continuously adding to the reservoir of knowledge and wisdom. This process of perpetual growth requires a deliberate and proactive approach. Session was about to explore various strategies and mindsets that enable us to keep enriching our lives with learning and experiences from day one.

Learning Outcomes –

Students got insights about how to cultivate a Growth Mindset, curiosity as a Driving Force, embracing lifelong learning, how to reflect and Internalize, reflecting on our experiences allows us to extract valuable lessons and insights. Regularly setting aside time for introspection and self-assessment, Stepping out of the comfort zone, Seek diverse perspectives, documenting the learning journey, embrace failure as a learning opportunity. Understanding and reinforcing the learning process by paying it forward.

Summary

Name of the Session - “International Yoga Day”

Date of conduction- 21st June 2021 (online mode)

Number of Students participated - 59

Following the inaugural session, participants engaged in a series of yoga sessions led by experienced instructors. These sessions catered to practitioners of all levels, offering a diverse range of yoga styles. Through guided breathing exercises, meditation, and various asanas, attendees were encouraged to cultivate mindfulness and relaxation. The celebration also featured interactive activities, such as group discussions on incorporating yoga into daily routines and its potential benefits for academic performance. Participants shared personal anecdotes and strategies for integrating yoga into their lives amidst rigorous academic demands

Learning Outcomes – Participants gained insight into the physical, mental, and emotional benefits of yoga practice, including stress reduction, improved flexibility, enhanced focus, and overall well-being. Attendees learned to apply yogic principles such as mindfulness, breathe awareness, and relaxation techniques to manage stress and optimize performance in academic and professional settings. Through guided yoga sessions, participants developed hands on techniques in a variety of yoga techniques, including asanas (postures), pranayama (breathing exercises), and meditation, fostering a deeper understanding of the practice. Attendees equipped appreciation for the historical, philosophical, and cultural foundations of yoga, recognizing its rich heritage and relevance in contemporary society. Through this session, participants explored interdisciplinary connections between yoga and engineering, recognizing parallels in principles of balance, harmony, and optimization in both fields.

FUEL Aptitude and technical skill training

Contents:

An aptitude and technical skill program for engineering students should be designed to enhance their problem-solving abilities, critical thinking skills, and technical proficiency. Here's a comprehensive outline of the contents:

1. Basic Mathematics Skills:

Review of fundamental mathematical concepts such as algebra, trigonometry, calculus, and differential equations.

Application of mathematical principles to engineering problems.

2. Problem Solving and critical thinking:

Techniques for problem-solving: Problem decomposition, algorithmic thinking, and logical reasoning.

Case studies and real-world scenarios to apply engineering principles to practical problems.

Critical analysis of engineering solutions, considering factors like feasibility, cost, and sustainability.

3. Soft Skill Development:

Teamwork and collaboration

Time management and organization

4. Computer skill:

Proficiency in programming languages commonly used in engineering such as Python, C/C++, Java

5. Aptitude Training:

Logical Reasoning

Quantitative aptitude

Verbal ability

Summary Report

Event : **FUEL Communication skills and Aptitude Training for final year students**

No of students participated: 25

Name of trainer with contact no : My.Shyam Kulkarni (Contact – 8983423483)

Brief Introduction about event:

The purpose of the training is to initiate a process of rapid improvement, by means of achieving a shared understanding of the correct knowledge and skills that we need to employ in students, if we are to achieve our stated goals

Topics to be covered in training:

- Written Communication
- Oral Communication
- Critical Thinking
- Quantitative Analysis
- Information and Computer Literacy

The overall objective of this training is to provide students with an approach to problem solving through logic and reasoning. It is used to identify, analyze, generalize and communicate quantitative relationships. Quantitative analysis objectives for students completing the general education program are:

- Demonstrate improvements in written expression of thought by utilizing various techniques (such as peer review, multiple drafts or revisions of assignments after receiving feedback).
- Discuss among various size groups of students so as to be able to contribute without overpowering others.
- Critically evaluate arguments in terms of the strength of evidence and reasoning.
- Translate problems into mathematical form.
- Construct and interpret visual representations of mathematical relationships.

Contents:

A specialized training program focusing on aptitude, soft skills, and preparation for recruitment exams like TCS (Tata Consultancy Services) typically requires a tailored curriculum. Here's a breakdown of the contents such a program might include-

1. Aptitude Training:

- Logical Reasoning
- Quantitative aptitude
- Verbal ability

2. Soft skill development:

- Communication skill
- Interpersonal skill
- Presentation skill

3. TCS Recruitment exam preparation:

- Technical skills
- Data structures and algorithms
- Interview preparation
- Resume building
- Mock interviews

Program Report

Name of Program - “Two-Day Comprehensive Program on Resume Writing and Personality Development”

Name of Resource Person- Mr. Sagar Agaksar

No. of Students attended - 90

The Resume Writing and Personality Development Program conducted at JSPM NTC MBA Dept aimed to equip MBA students with essential skills to enhance their employability and professional growth. The program spanned two days and covered a wide range of topics crucial for personal and career development.

Learning Outcomes

1. Resume Writing:

Participants gained a thorough understanding of resume formats, components, and formatting guidelines.

They learned techniques for tailoring resumes to specific job applications and effectively showcasing their skills and achievements.

Practical exercises and peer feedback sessions helped students refine their resumes and make them more impactful.

2. Personality Development:

Students engaged in self-reflection activities to assess their strengths, weaknesses, and personal goals.

They learned about emotional intelligence, interpersonal skills, and communication techniques essential for building strong professional relationships.

Strategies for building confidence, assertiveness, and resilience were discussed to empower students in facing challenges and seizing opportunities.

Conclusion:

The Resume Writing and Personality Development Program at JSPM NTC MBA Dept. proved to be a valuable learning experience for MBA students, providing them with practical skills and knowledge essential for personal and professional growth. By mastering the art of resume writing, honing interpersonal skills, and building a strong personal brand, participants are better equipped to navigate their career paths with confidence and success. The program fostered a culture of continuous learning and self-improvement, empowering students to become proactive agents of their own career development.

Moving forward, it is recommended that the institute continue offering similar programs and workshops, ensuring that students receive ongoing support and guidance in their journey towards professional excellence.

In the modern workplace, success often hinges on the ability to collaborate effectively within teams. While technical expertise is vital, it is soft skills—such as communication, empathy, and adaptability—that truly drive successful collaboration. "Effective Teamwork: Building Soft Skills for Collaboration" is a transformative program designed to equip participants with the essential skills needed to thrive in team environments and achieve collective goals with efficiency and cohesion.

Program Objectives:

1. **Understanding the Dynamics of Teamwork:** The program begins with an exploration of the principles of effective teamwork and the importance of soft skills in fostering collaboration. Participants gain insights into the stages of team development, roles within teams, and the characteristics of high-performing teams.
2. **Developing Communication Skills:** Effective communication lies at the heart of successful teamwork. Participants learn to communicate clearly, actively listen, provide constructive feedback, and express ideas with confidence and clarity, fostering open and transparent communication within the team.
3. **Building Trust and Rapport:** Trust is essential for cohesive teamwork. Through interactive exercises and team-building activities, participants develop trust and rapport

with team members, fostering a supportive and inclusive team culture where individuals feel valued and respected.

4. **Embracing Diversity and Inclusion:** Diversity of thought, background, and perspective enriches team dynamics and enhances creativity and innovation. Participants learn to embrace diversity and cultivate an inclusive environment where all team members feel empowered to contribute their unique insights and talents.
5. **Conflict Resolution and Collaboration:** Conflict is inevitable in any team setting, but how it is managed determines the team's success. The program equips participants with conflict resolution strategies, negotiation skills, and techniques for managing disagreements constructively, fostering collaboration and consensus-building.

Program Methodology:

- **Interactive Workshops and Group Activities:** Engaging workshops and group activities provide opportunities for participants to practice and apply teamwork skills in a supportive and collaborative environment.
- **Role-Playing and Simulations:** Realistic role-playing scenarios and simulations allow participants to experience common team dynamics and challenges firsthand, honing their problem-solving and decision-making abilities.
- **Peer Feedback and Reflection:** Peer feedback sessions and reflective exercises encourage participants to assess their teamwork skills, identify areas for improvement, and develop action plans for growth.
- **Guest Speakers and Industry Insights:** Insights from guest speakers and industry experts offer diverse perspectives and real-world examples of effective teamwork and collaboration, inspiring and motivating participants to apply newfound knowledge and skills in their own teams.

Program Outcomes:

- Enhanced communication and interpersonal skills.
- Strengthened trust and rapport within teams.
- Increased adaptability and resilience in dynamic team environments.
- Improved conflict resolution and consensus-building abilities.
- Cultivation of a collaborative and high-performing team culture.

In conclusion, "Effective Teamwork: Building Soft Skills for Collaboration" empowers participants to become effective team players capable of thriving in diverse and dynamic team environments. By mastering communication, trust-building, conflict resolution, and collaboration, participants unlock the potential for collective success and achieve impactful results as cohesive and high-performing teams.

In today's interconnected world, the ability to persuade and influence others is a valuable asset in both personal and professional spheres. While technical expertise is important, mastering soft skills such as communication, empathy, and persuasion can significantly enhance one's ability to sway opinions, inspire action, and drive positive change. "The Art of Persuasion: Mastering Soft Skills for Influence" is a transformative program designed to equip participants with the essential skills needed to become persuasive communicators and effective influencers.

Program Objectives:

1. **Understanding the Psychology of Persuasion:** The program begins with an exploration of the principles and techniques of persuasion, drawing insights from psychology, communication theory, and behavioral science. Participants gain an understanding of the factors that influence decision-making and learn how to leverage persuasion strategies ethically and effectively.
2. **Developing Effective Communication Skills:** Persuasion begins with clear and compelling communication. Participants learn to craft persuasive messages, tailor their communication to different audiences, and deliver presentations with confidence and impact, fostering engagement and receptivity among listeners.
3. **Building Empathy and Rapport:** Empathy is a powerful tool for building rapport and fostering trust with others. Through experiential exercises and role-playing scenarios,

- participants develop their empathetic listening skills, understand others' perspectives, and establish genuine connections, laying the groundwork for effective persuasion.
4. **Understanding Audience Needs and Motivations:** Effective persuasion requires an understanding of the needs, desires, and motivations of the audience. Participants learn to conduct audience analysis, identify key stakeholders, and tailor their messages to resonate with the interests and priorities of their target audience, maximizing persuasive impact.
 5. **Overcoming Resistance and Handling Objections:** Inevitably, resistance and objections will arise in the persuasion process. The program equips participants with strategies for overcoming resistance, addressing objections, and reframing arguments to address concerns effectively, enabling them to navigate obstacles and achieve buy-in from others.

Program Methodology:

- **Interactive Workshops and Case Studies:** Engaging workshops and case studies provide opportunities for participants to explore persuasion techniques, analyze real-world examples, and practice applying persuasive strategies in simulated scenarios.
- **Role-Playing and Mock Presentations:** Realistic role-playing exercises and mock presentations allow participants to hone their persuasion skills in a supportive and constructive environment, receiving feedback and guidance for improvement.
- **Peer Feedback and Reflection:** Peer feedback sessions and reflective exercises encourage participants to evaluate their persuasive communication style, identify strengths and areas for growth, and develop action plans for enhancement.
- **Guest Speakers and Expert Insights:** Insights from guest speakers and industry experts offer diverse perspectives and practical tips for mastering the art of persuasion, inspiring participants to apply newfound knowledge and skills in their personal and professional lives.

Program Outcomes:

- Enhanced communication and persuasion skills.
- Strengthened empathy and rapport-building abilities.
- Increased confidence in delivering persuasive messages and presentations.
- Improved ability to influence and inspire action.
- Cultivation of ethical and responsible persuasive practices.

In conclusion, "The Art of Persuasion: Mastering Soft Skills for Influence" empowers participants to become persuasive communicators and effective influencers capable of driving positive change and achieving desired outcomes. By mastering the principles of persuasion,

In today's globalized world, cultural competence is essential for individuals and organizations to navigate diverse environments successfully. Cultural competence, rooted in soft skills such as empathy, communication, and adaptability, enables individuals to understand, respect, and effectively interact with people from different cultural backgrounds. "Cultural Competence: Embracing Diversity through Soft Skills" is a transformative program designed to cultivate cultural intelligence and foster inclusive environments where diversity is celebrated and leveraged as a strength.

Program Objectives:

1. **Understanding Cultural Diversity:** The program begins by exploring the concept of cultural diversity and its significance in today's interconnected world. Participants gain insights into the various dimensions of diversity, including race, ethnicity, nationality, religion, gender, sexual orientation, and socioeconomic status, and learn to appreciate the richness of different cultural perspectives and experiences.
2. **Developing Empathy and Respect:** Empathy is a cornerstone of cultural competence, enabling individuals to understand and appreciate others' perspectives, beliefs, and values. Through experiential exercises and role-playing scenarios, participants develop empathy and respect for cultural differences, fostering meaningful connections and mutual understanding across cultures.

- 3. Effective Cross-Cultural Communication:** Effective communication is essential for bridging cultural divides and building rapport with individuals from diverse backgrounds. Participants learn to navigate linguistic and cultural barriers, adapt their communication style to different cultural norms and preferences, and convey messages with clarity, sensitivity, and cultural competence.
- 4. Navigating Cultural Differences:** Cultural differences can manifest in various ways, including communication styles, non-verbal cues, decision-making processes, and attitudes toward hierarchy and authority. The program equips participants with strategies for recognizing and navigating cultural differences, fostering collaboration and cooperation in multicultural settings.
- 5. Promoting Inclusion and Equity:** Inclusive environments are characterized by a sense of belonging, respect, and equity for all individuals, regardless of their cultural background. Participants learn to identify and address biases, advocate for diversity and inclusion initiatives, and create environments where everyone feels valued and empowered to contribute their unique perspectives and talents.

Program Methodology:

- Interactive Workshops and Discussions:** Engaging workshops and discussions provide opportunities for participants to explore cultural competence concepts, share experiences, and learn from one another in a supportive and inclusive environment.
- Cultural Sensitivity Training:** Cultural sensitivity training sessions offer practical guidance and best practices for interacting respectfully and effectively with individuals from diverse cultural backgrounds.
- Cross-Cultural Experiential Learning:** Immersive experiences, such as cultural immersion activities, international exchanges, and community engagement projects, enable participants to gain firsthand exposure to different cultures and deepen their cultural understanding and empathy.
- Self-Reflection and Continuous Learning:** Reflective exercises and ongoing self-assessment encourage participants to examine their own cultural biases, expand their cultural knowledge, and commit to lifelong learning and growth in cultural competence.

Program Outcomes:

- Enhanced cultural awareness and sensitivity.
- Improved cross-cultural communication and collaboration skills.
- Strengthened empathy and respect for cultural differences.
- Increased ability to navigate and adapt to diverse cultural contexts.
- Cultivation of inclusive and equitable environments that celebrate diversity.

In today's fast-paced and ever-changing world, the ability to adaptively solve problems is a critical skill for individuals and organizations seeking to thrive amidst uncertainty and complexity. Adaptive problem solving, rooted in soft skills such as creativity, critical thinking, and resilience, enables individuals to approach challenges with flexibility, ingenuity, and determination. "Adaptive Problem Solving: Strengthening Soft Skills for Innovation" is a dynamic program designed to cultivate adaptive problem-solving abilities and foster a culture of innovation and resilience.

Program Objectives:

1. **Understanding Adaptive Problem Solving:** The program begins by exploring the principles and techniques of adaptive problem solving, emphasizing the importance of creativity, critical thinking, and resilience in addressing complex and dynamic challenges. Participants gain insights into the mindset and strategies required to navigate uncertainty and generate innovative solutions.
2. **Developing Creative Thinking Skills:** Creativity is the cornerstone of adaptive problem solving, enabling individuals to think outside the box, generate novel ideas, and explore alternative perspectives. Through brainstorming sessions, ideation exercises, and creative problem-solving techniques, participants learn to unleash their creativity and unlock innovative solutions to real-world problems.

3. **Fostering Critical Thinking:** Critical thinking is essential for evaluating information, analyzing situations, and making informed decisions. Participants learn to ask probing questions, challenge assumptions, and consider multiple viewpoints, enhancing their ability to identify root causes, anticipate consequences, and devise effective problem-solving strategies.
4. **Cultivating Resilience and Adaptability:** Resilience is the ability to bounce back from setbacks, persevere in the face of challenges, and adapt to changing circumstances. The program equips participants with resilience-building techniques, such as stress management, self-care, and growth mindset practices, empowering them to maintain focus, motivation, and optimism in the midst of adversity.
5. **Promoting Collaborative Problem Solving:** Effective problem solving often requires collaboration and teamwork. Participants learn to leverage the diverse perspectives and expertise of team members, communicate effectively, and foster a culture of collaboration and knowledge sharing, enhancing collective problem-solving capabilities and driving innovation.

Program Methodology:

- **Experiential Learning Activities:** Engaging experiential activities, such as case studies, simulations, and group projects, provide opportunities for participants to apply adaptive problem-solving skills in simulated real-world scenarios, gaining practical experience and insights.
- **Design Thinking Workshops:** Design thinking workshops offer a structured approach to problem solving, emphasizing empathy, ideation, prototyping, and iteration to generate innovative solutions that meet user needs and preferences.
- **Reflection and Feedback:** Reflective exercises and feedback sessions encourage participants to evaluate their problem-solving processes, identify strengths and areas for improvement, and refine their approaches to adaptive problem solving.
- **Guest Speakers and Industry Insights:** Insights from guest speakers and industry experts offer diverse perspectives and practical tips for fostering innovation and resilience in problem solving, inspiring participants to embrace experimentation, risk-taking, and continuous learning.

Program Outcomes:

- Enhanced creativity and critical thinking skills.
- Strengthened resilience and adaptability in facing challenges.
- Improved ability to generate innovative solutions to complex problems.
- Increased collaboration and teamwork in problem-solving efforts.
- Cultivation of a culture of innovation and continuous improvement.

Summary

Date: 12th Jan 2019

Venue: MBA Department, Smart Class Room

Speaker: Mr. Chanranjeetsingh & Mrs. Sindhu Singh

Nb. of Students attended- 35

The Personality Development Lecture held on 12th Jan 2019 was an insightful and enriching experience, aimed at fostering personal growth and self-awareness among attendees. Hosted at MBA Department, the lecture featured Mr. Chanranjeetsingh & Mrs. Sindhu Singh, a seasoned expert in the field of personal development and human psychology.

Key Highlights:

- **Understanding Self:** The lecture commenced with a deep dive into the concept of self-awareness. The speaker emphasized the significance of understanding one's own strengths, weaknesses, values, and beliefs as the foundation of personality development.
- **Communication Skills:** Effective communication was identified as a cornerstone of personality development. Practical tips and techniques were shared to enhance verbal and non-verbal communication, including active listening, body language awareness, and assertiveness training.
- **Confidence Building:** Confidence-building strategies were explored to empower individuals to overcome self-doubt and insecurity. The audience learned about the importance of positive self-talk, setting realistic goals, and stepping out of comfort zones to expand personal boundaries.
- **Emotional Intelligence:** The lecture delved into the realm of emotional intelligence, emphasizing the significance of understanding and managing emotions effectively. Attendees gained insights

into techniques for regulating emotions, empathizing with others, and fostering healthy interpersonal relationships.

- **Personal Branding:** The concept of personal branding was introduced as a means to cultivate a strong and authentic identity. Participants were encouraged to align their actions with their values, cultivate a unique personal brand, and leverage their strengths to achieve success in both personal and professional spheres.
- **Goal Setting:** Practical strategies for goal setting and achievement were discussed, emphasizing the importance of setting SMART (Specific, Measurable, Achievable, Relevant, Time-bound) goals. Attendees were encouraged to create a roadmap for personal growth, incorporating short-term and long-term objectives.

Outcomes-

In conclusion, the Personality Development Lecture provided a comprehensive framework for individuals to enhance their personal and professional lives. Through a blend of theoretical insights and practical exercises, attendees gained valuable tools and strategies for self-improvement and growth. The event served as a catalyst for self-reflection and empowerment, inspiring participants to embark on a journey of continuous self-discovery and development.

Report on Yoga Session (MCA)

Date: - 20/02/2019

A few minutes of Yoga during the day can be a great way to get rid of stress that accumulates daily-in both the body and mind. Yoga postures, Pranayama and meditation are effective techniques to release stress. Meditation is Relaxation which gives calm mind, good concentration and Rejuvenation of the body and mind etc.

In view of this, JSPM-NTC MCA department has conducted a **one day workshop on 19/2/2019** about **Yoga and Meditation**.

A Yoga practitioner was invited to demonstrate various Yoga postures and explain correct way of doing asanas.

Yoga session of around forty minutes was organized in which students; faculty, officers and staff took part enthusiastically and practiced various 'asanas' of Yoga and pranayama .

She also explained remedies for personal health problems to the participants with lot of patience.

Dear Sir,

Placement drive for E&TC is scheduled on 26th Sept 2018 of Rajdeep Info. which works in cabling and networking domain. For getting more practical knowledge particularly for placement, we have arranged the technical practice session for our BE students on Monday at 9:30 am to 11:30 am.

As per discussion with Director for placement efforts and being the technical expert of same domain you can share your expert knowledge with students. So you are requested to conduct the session.

Reply for the same.

Communication is the cornerstone of human interaction, influencing relationships, productivity, and success in both personal and professional realms. The ability to engage in skillful conversations is therefore paramount in fostering understanding, resolving conflicts, and building meaningful connections.

In our program, "Skillful Conversations: Enhancing Communication Abilities," we delve into the art and science of effective communication. Through a combination of theoretical frameworks, practical exercises, and real-world scenarios, participants are equipped with the tools and techniques necessary to elevate their conversational proficiency.

Key Components:

1. **Understanding Communication Dynamics:** Participants gain insights into the intricacies of communication, including verbal and non-verbal cues, active listening, and empathy. By understanding the underlying principles, individuals can navigate conversations with greater clarity and purpose.
2. **Developing Active Listening Skills:** Active listening is a fundamental aspect of effective communication. Through interactive exercises and role-playing activities, participants learn how to listen attentively, ask probing questions, and provide meaningful responses that demonstrate understanding and engagement.
3. **Building Empathy and Emotional Intelligence:** Empathy is the ability to understand and share the feelings of others, essential for fostering empathy and rapport. Participants

learn techniques for cultivating empathy, managing emotions, and navigating challenging conversations with sensitivity and compassion.

4. **Navigating Difficult Conversations:** Conflict is inevitable in any relationship or workplace setting. Participants are equipped with strategies for managing conflict constructively, including techniques for de-escalation, negotiation, and finding mutually beneficial solutions.
5. **Effective Communication in Diverse Settings:** In today's globalized world, effective communication extends beyond linguistic proficiency to encompass cultural sensitivity and awareness. Participants learn how to adapt their communication style to different cultural contexts, fostering inclusivity and understanding.

Outcomes:

- Enhanced ability to express thoughts and ideas clearly and confidently.
- Improved relationships and collaboration through effective communication.
- Increased empathy and understanding in interpersonal interactions.
- Greater confidence in navigating difficult conversations and resolving conflicts.
- Enhanced leadership skills through effective communication and influence.

In conclusion, "Skillful Conversations: Enhancing Communication Abilities" empowers participants to become adept communicators capable of fostering meaningful connections, resolving conflicts, and driving positive change in their personal and professional lives. By mastering the art of skillful conversation, individuals can unlock new opportunities for growth, collaboration, and success.

In today's competitive and dynamic workplace, technical expertise alone is often not enough to thrive. Employers increasingly recognize the importance of soft skills—the interpersonal attributes and communication abilities that enable individuals to effectively interact and collaborate with others. "Professional Presence: Polishing Soft Skills for Success" is a comprehensive program designed to enhance participants' soft skills, empowering them to excel in their careers and professional endeavors.

Program Objectives:

1. **Enhancing Communication Skills:** Effective communication is essential for conveying ideas, building relationships, and resolving conflicts in the workplace. Through interactive workshops and practical exercises, participants develop clarity, confidence, and proficiency in verbal and written communication.
2. **Cultivating Emotional Intelligence:** Emotional intelligence is the ability to recognize and manage one's emotions while understanding and empathizing with others. Participants learn strategies for self-awareness, self-regulation, social awareness, and relationship management, fostering stronger interpersonal connections and leadership capabilities.
3. **Mastering Interpersonal Relationships:** Building rapport, fostering teamwork, and navigating diverse personalities are essential skills in any professional setting. The

program provides insights into effective relationship-building techniques, conflict resolution strategies, and collaboration methods to promote a positive and productive work environment.

4. **Developing Professional Etiquette:** Professionalism encompasses a range of behaviors, including punctuality, integrity, respect, and ethical conduct. Participants gain an understanding of professional etiquette norms, cultural sensitivity, and appropriate workplace behavior, enhancing their credibility and reputation as professionals.
5. **Refining Presentation and Public Speaking Skills:** Whether delivering presentations, pitching ideas, or participating in meetings, strong presentation and public speaking skills are invaluable. Through practice sessions and feedback, participants learn to engage, persuade, and influence audiences with confidence and clarity.

Program Methodology:

- **Workshops and Seminars:** Engaging workshops and seminars cover various aspects of soft skills development, providing theoretical knowledge and practical insights.
- **Role-Playing and Simulations:** Interactive role-playing exercises allow participants to apply newly acquired skills in simulated workplace scenarios, fostering experiential learning and skill reinforcement.
- **Case Studies and Real-World Examples:** Analyzing real-world case studies and examples enables participants to contextualize concepts and understand their relevance in professional contexts.
- **Feedback and Coaching:** Ongoing feedback and personalized coaching sessions provide participants with constructive guidance and support to continuously improve their soft skills.

Program Outcomes:

- Enhanced communication effectiveness and clarity.
- Improved emotional intelligence and interpersonal relationships.
- Strengthened leadership capabilities and teamwork skills.
- Enhanced professional presence and credibility.
- Greater confidence in presentation and public speaking.

In conclusion, "Professional Presence: Polishing Soft Skills for Success" equips participants with the essential soft skills needed to succeed in today's competitive workplace. By mastering communication, emotional intelligence, interpersonal relationships, and professional etiquette, participants unlock new opportunities for personal growth, career advancement, and professional excellence.

Emotional intelligence (EI) stands at the forefront of success in both personal and professional realms. As workplaces evolve to emphasize collaboration, empathy, and effective communication, nurturing soft skills becomes imperative. "Emotional Intelligence in Action: Nurturing Soft Skills" is a transformative program tailored to enhance participants' EI, fostering holistic personal development and professional growth.

Program Objectives:

1. **Understanding Emotional Intelligence:** The program begins by elucidating the concept of emotional intelligence, encompassing self-awareness, self-regulation, social awareness, and relationship management. Participants gain insights into the importance of EI in fostering healthy relationships, managing stress, and achieving personal and professional success.
2. **Developing Self-Awareness:** Self-awareness forms the cornerstone of EI, enabling individuals to recognize their emotions, strengths, weaknesses, and triggers. Through introspective exercises and reflection, participants cultivate a deeper understanding of themselves, their values, and their motivations, laying the groundwork for self-improvement and authenticity.
3. **Enhancing Self-Regulation:** Building upon self-awareness, participants learn techniques for regulating their emotions, impulses, and reactions effectively. By mastering self-

- control, resilience, and adaptability, individuals can navigate challenges with composure and maintain focus on their goals amidst adversity.
4. **Fostering Social Awareness:** Empathy and social awareness are integral components of EI, enabling individuals to understand and empathize with others' emotions, perspectives, and needs. Through experiential learning activities and role-playing scenarios, participants hone their ability to perceive social cues, build rapport, and cultivate meaningful connections with colleagues and stakeholders.
 5. **Improving Relationship Management:** Effective relationship management is essential for building trust, resolving conflicts, and fostering collaboration in professional settings. The program equips participants with conflict resolution strategies, negotiation skills, and communication techniques to navigate interpersonal dynamics and cultivate harmonious working relationships.

Program Methodology:

- **Interactive Workshops:** Engaging workshops combine theoretical insights with practical exercises, encouraging active participation and experiential learning.
- **Group Discussions and Case Studies:** Collaborative group discussions and case studies allow participants to analyze real-world scenarios and apply EI principles to problem-solving and decision-making.
- **Role-Playing and Skill-Building Activities:** Interactive role-playing exercises provide opportunities for participants to practice EI skills in simulated workplace situations, receiving constructive feedback and guidance for improvement.
- **Self-Assessment Tools:** Personalized self-assessment tools and emotional intelligence assessments enable participants to gauge their EI competencies, identify areas for growth, and track their progress over time.

Program Outcomes:

- Heightened self-awareness and emotional regulation.
- Enhanced empathy, social awareness, and relationship-building skills.
- Improved conflict resolution and communication abilities.
- Increased resilience, adaptability, and stress management capabilities.
- Strengthened leadership qualities and collaborative teamwork.

In summary, "Emotional Intelligence in Action: Nurturing Soft Skills" empowers participants to harness the power of emotional intelligence for personal and professional success. By fostering self-awareness, empathy, and effective relationship management, individuals cultivate a culture of trust, respect, and collaboration, driving positive outcomes and sustainable growth in the workplace and beyond.

In today's rapidly changing and interconnected world, effective leadership is more crucial than ever. While technical expertise is essential, the ability to lead, inspire, and empower others requires mastery of soft skills. "Leadership Development through Soft Skills Mastery" is a comprehensive program designed to cultivate the next generation of leaders by honing their soft skills and empowering them to lead with confidence and competence.

Program Objectives:

1. **Understanding Leadership and Soft Skills:** The program begins with an exploration of leadership principles and the importance of soft skills in effective leadership. Participants gain insights into the qualities of successful leaders, including emotional intelligence, communication, empathy, and resilience.
2. **Developing Emotional Intelligence:** Emotional intelligence forms the foundation of effective leadership. Participants learn to recognize and manage their emotions, understand the emotions of others, and navigate interpersonal dynamics with empathy and authenticity.
3. **Effective Communication:** Leaders must communicate their vision, goals, and expectations clearly and persuasively. Through interactive workshops and exercises, participants enhance their verbal and non-verbal communication skills, active listening abilities, and feedback delivery techniques.

DTE Code : 6755 PUN Code : CEGP019070 AISHE Code : C-45874

4. **Building Empathy and Trust:** Trust is a cornerstone of leadership. Participants learn to build trust and rapport with team members through empathy, integrity, and authenticity. By understanding others' perspectives and needs, leaders can foster a culture of collaboration and mutual respect.
5. **Conflict Resolution and Decision-Making:** Leaders often face challenging situations that require swift and effective decision-making. The program equips participants with conflict resolution strategies, negotiation skills, and decision-making frameworks to navigate complex issues and achieve optimal outcomes.

Program Methodology:

- **Interactive Workshops and Seminars:** Engaging workshops and seminars combine theoretical knowledge with practical exercises, encouraging active participation and experiential learning.
- **Case Studies and Role-Playing:** Real-world case studies and role-playing scenarios provide opportunities for participants to apply leadership concepts and soft skills in simulated workplace situations, receiving feedback and guidance for improvement.
- **Self-Reflection and Feedback:** Personalized self-assessment tools and feedback mechanisms enable participants to reflect on their leadership style, identify areas for growth, and develop action plans for improvement.
- **Guest Speakers and Industry Insights:** Insights from guest speakers and industry leaders offer valuable perspectives and real-world examples of effective leadership in action, inspiring and motivating participants to reach their full potential.

Program Outcomes:

- Enhanced leadership capabilities and confidence.
- Improved emotional intelligence and communication skills.
- Strengthened relationships and trust with team members.
- Enhanced decision-making and problem-solving abilities.
- Cultivation of a collaborative and high-performing team culture.

In conclusion, "Leadership Development through Soft Skills Mastery" equips participants with the essential skills and qualities needed to lead effectively in today's dynamic and complex world. By mastering emotional intelligence, communication, empathy, and decision-making, participants become empowered to inspire and motivate others, drive positive change, and achieve success as visionary leaders.

- Speaker: Mr Narendra Juvekar
- Day, Date, Time of event: 17/1/2019, 24/1/2019
- Venue: seminar Hall, Computer Department
- Objective of Event: The session was addressed by Narendra Juvekar .He discussed about An aptitude test is quite vital for placements as it helps in enhancing the logical skills of the person and if someone is preparing for interviews then aptitude preparation is very much required. Hiring can be both off-campus and on-campus but the procedure of selection is almost the same that is sorting out candidates on the basis of basic aptitude tests. If going for programming placement maths is a must, as it is the most important aspect of coding.
