Invitation for workshop

On behalf of computer department, we invite Mr.Indrajit Vasant Patil working as Associate Staff Engineer at Nagarro Enterprise Services Pvt. Ltd.,Pune, to conduct a two days workshop on Web-services for our TE students on 12th and 13th May-2023.

So that it will be an excellent opportunity for our students to learn from a leading expert in the field and expand their knowledge and understanding of these rapidly evolving technologies, which in-turn help them for industry exposures as well as for their placements.

Affiliated to Savitribai Phule Pune University. Approved by AICTE New Delhi and DTE Maharashtra.

DTE Code : 6755 PUN Code : CEGP019070 AISHE Code : C-45874

Syllabus coverage :

Day-1:12/05/2023

Morning Session:

- Introduction to different web services e.g. SOAP, REST.

Afternoon Session:

- implementation of web application using MVC architecture.
- Validations, Exception handling.

Day-2:13/05/2023

Morning Session:

- Server side programming and handling.
- Basic programming concepts

Afternoon Session:

- coding standards for implementing any application.
- Introduction to cross platform back end service language e.g. Node JS.

ABOUT US

Teknomindz Institute of Advance Technology is one of the best training Institute for Professional & Industrial level Job oriented Advanced Embedded Systems and IoT with PCB Designing courses, having a team of Professional and Industrial Experts in the field of Embedded Systems and Automation Training. We develop and assist in Project Development as per client's requirement.

Our aim is to provide students customized and Industrial Courses with complete practical and hands on training with adequate knowledge which helps them in becoming professional in their respective field.

Seminar on "Embedded System and PCB Design" by Mr Aniket Bapat

EVENT SUMMARY REPORT

Date : 5.9.2022

Name of Department: Electronics & Telecommunication Engineering

Event : Embedded System and PCB Design

Speaker: Mr. Aniket Bapat

Day and Date: 2.9.2022, Friday

Venue: Seminar Hall

Number of students present: 37

Objective of Event:

- Introduce participants to the concept of embedded systems.
- Explore the role of microcontrollers and microprocessors in embedded systems.
- Discuss the architecture, instruction sets, and common peripherals found in embedded designs
- Learn about schematic design, component selection, and PCB layout techniques specific to embedded systems

To,

Mr. Sujit Ubale

Sr. Design Engineer,

Virtual Simutech Pvt. Ltd., Pune

Subject: Letter of Two Days Workshop Conduction on Automobile Product Design

Respected Sir,

We sincerely wish to thank you for readily accepting our invitation and conducting "Two Days Workshop Conduction on Automobile Product Design" for TE and BE Mechanical Engineering students of Mechanical Engineering Department, JSPM Narhe Technical Campus, Narhe, Pune-41.

The workshop is organized as follows:

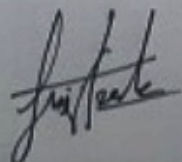

Date	Day	Expert	Venue	Time
23 rd September, 2022	Friday	Mr. Sujit Ubale, Sr. Design Engineer, Virtual Simutech Pvt. Ltd., Pune	C204, CAD Lab II	02:00 p.m. - 3:30 p.m.
24 th September, 2022	Saturday	Mr. Sujit Ubale, Sr. Design Engineer, Virtual Simutech Pvt. Ltd., Pune	C204, CAD Lab II	08:30 a.m. - 03:30 p.m.

Your hands-on sessions on "Automobile Product Design" are well received by our students and they are highly benefited with your experienced and knowledge based inputs. The valuable exposure about the fundamental concepts presented by you will definitely help our students to achieve their highest watermark in the domain.

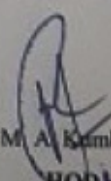

We are indeed, deeply indebted to you for sparing your valuable time for this event and look forward to the same favorable support in future.

Thank You

Mr. Nand Jee Kanu

Event Summary Report

Date: 24th September, 2022

Event: Two Days Workshop on Automobile Product Design

Department of Mechanical Engineering

- **Name of Event:** Two Days Workshop on Automobile Product Design
- **Date & Time of event:** 23rd September, 2022 (Time: 2:00 p.m.) and 24th September, 2022 (Time: 08:30 a.m. – 03:30 a.m.)
- **Venue:** C204, CAD Lab II
- **Objectives of Event:**
 1. Automobile Product Design
 2. Career opportunities in Automobile Product Design
- **Outcome of Event:**
 1. Students get to know about importance of Automobile Product Design
 2. Internship opportunities
- **Sponsored by (If any):** NA
- **Number of Participants:** 42
- **Expert details:** Mr. Sujit Ubale, Sr. Design Engineer, Virtual Simutech Pvt. Ltd., Pune
- **Chief Guest:** Mr. Sushil Bhagat
- **Guest of Honor:** Dr. Manoj A. Kumbhalkar
- **Summary of Feedback:**
 1. Students want to conduct such sessions
 2. Students want to do projects in Automobile Product Design
- **Suggestions if any for Improvement in Future:**
 1. Internship opportunities should be provided

Summary Report

Event: Webinar on Electronics manufacturing services and Introduction to Soldering training for SE and TE (E &Tc) Engineering Students.

No of students participated: **20**

Name of trainer with contact no: Mr. Shrikant Borkar (Contact – 9423037210)

Brief Introduction about event: Soldering techniques and electronics manufacturing services for SE and TE students.

The purpose of the training is to initiate a process of rapid improvement, by means of achieving a shared understanding of the correct knowledge and skills that we need to employ in students, if we are to achieve our stated goals

Topics covered in training:

- Electronic manufacturing services
- Introduction to soldering techniques
- Industry expectations
- How to appear for interview

The overall objective of this training was to provide students with approach and awareness about core industry requirements and be familiar with electronics manufacturing services.

Event Summary Report

Date:7/3/2022

- Event: Training on C program
- Department: Computer Engineering
- Name of the event: Training on c program for TE students
- Speaker: In-house M.S.Namose
- Day, Date, Time of event: from 2nd march 2022,15 days session,3.30pm-5.30pm
- Venue: Computer Department Lab(Network lab)
- Objective of Event: To aware students of Third year about C programming starting from the basic concepts on declaring data types to concepts on arrays, pointers
- Number of students present:39
- Documents mentioned: Notice, attendance, syllabus coverage, Photographs

Title: Application of Geoinformatics in Water Resources

Instructor –Dr.ShivajiGovindPatil

Executive Engineer (civil) Maharashtra Industrial Development Corporation

Application of Geoinformatics in Water Resources -25/9/2021 Time-11:00AM

As a part of this program Department of Civil Engineering has organized “**Application of Geoinformatics in Water Resources**” on 25th Aug, 2021 at 11:00 AM.

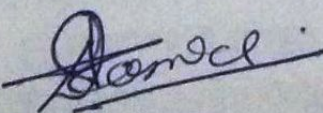

Dr.ShivajiGovindPatilguide students regardingGeographic information Systems keep data and records about water sources.Some of the information is usually as a result of processing done on data collected by GIS. They said huge amounts of data related to water resources can thus be stored for shared access with the help of GIS.

Also he discussed what are the importance of GIS , also GIS can help with the collection, storage, analysis, and visualization of key information and thereby help with the development of effective water resource programs and practices.**81** students have attended this program.

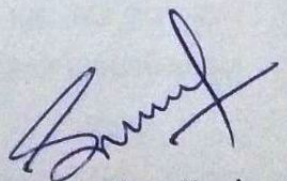

At the end Dr. SumantChaudhari (Head of Civil engineering Department) encourages students for their active participation, and also give some knowledge regarding **Geoinformatics in Water Resources**. Mr. D.A.Zamre (Faculty coordinator) of program “**Geoinformatics in Water Resources**” took efforts for the successful completion of the event. All the faculties from Civil engineering Department JSPM-NTC have participated in the event.

Number of Students attended the Webinar: **81**

Number of Faculties Attended: **08**

Program Report

Name of the Program - "Business Intelligence Tools "

Name of the Resource Person - Mr. Sadanand Petkar.

No. of Students Participated - 79

Introduction:

In today's data-driven business landscape, the ability to harness information effectively is paramount to organizational success. Business Intelligence (BI) tools play a pivotal role in this process by providing powerful analytics, visualization, and reporting capabilities. This report aims to provide MBA students with a comprehensive understanding of BI tools, their objectives, learning outcomes, and the significance of leveraging these tools in modern business environments.

Learning Outcomes:

MBA students will:

Gain a comprehensive understanding of the role and significance of Business Intelligence in contemporary business environments.

Acquire practical knowledge of various BI tools and their capabilities, enabling them to select and implement appropriate solutions to address specific business challenges.

Develop proficiency in data analysis, visualization, and reporting techniques, enhancing their ability to extract actionable insights from complex datasets.

Recognize the strategic value of BI in driving organizational performance and competitiveness, and apply BI principles to support informed decision-making processes.

Demonstrate critical thinking and problem-solving skills through real-world case studies and practical exercises that illustrate the application of BI concepts in different business contexts.

Conclusion

In conclusion, Business Intelligence tools have become indispensable assets for modern businesses seeking to gain a competitive edge in today's data-driven marketplace. By mastering the principles and techniques of BI, MBA students can enhance their analytical skills, strategic thinking abilities, and decision-making process, positioning themselves as valuable assets to future employers. As organizations continue to rely on data to drive innovation and growth, the knowledge and skills acquired through this report will undoubtedly prove invaluable in navigating the complexities of the digital age and shaping the future of business.

Program Report

Name of the Program - "Excellence in Digital Marketing"

Name of the Resource Person - Mr. Sushant Kokate

No. of Students Participated - 59

The "Excellence in Digital Marketing" seminar aimed to equip participants with the knowledge, skills, and strategies necessary to excel in the ever-evolving landscape of digital marketing. Hosted at JSPM NTC MBA Dept, the seminar brought together industry experts, practitioners, and enthusiasts eager to enhance their digital marketing capabilities.

Learning Outcomes

- Participants gained a solid understanding of digital marketing fundamentals, including its definition, scope, and significance in modern business practices.
- Through interactive sessions and case studies, attendees developed the ability to craft comprehensive digital marketing strategies aligned with organizational objectives and audience preferences.
- Participants honed their skills in various digital marketing channels, including website optimization, content marketing, social media marketing, email marketing, search engine marketing (SEM), and mobile marketing.
- The seminar empowered participants to create compelling content tailored to different platforms and effectively distribute it to engage target audiences across digital channels.
- Attendees acquired proficiency in collecting, analyzing, and interpreting data from digital marketing campaigns, enabling them to make informed decisions and optimize campaign performance.

- Participants were sensitized to the legal and ethical considerations inherent in digital marketing, including compliance with data protection regulations and ethical marketing practices.

Conclusion

"Excellence in Digital Marketing" seminar was a resounding success, providing participants with a comprehensive toolkit to thrive in the dynamic world of digital marketing. Armed with newfound knowledge, skills, and strategies, attendees are poised to drive meaningful results for their organizations and contribute to the advancement of the digital marketing profession. As we look towards the future, we remain committed to fostering excellence and innovation in digital marketing practices, ensuring continued growth and success for all stakeholders.

Course Code : 20MATLAB

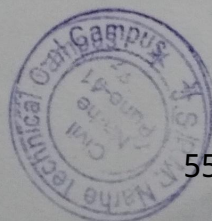

Instructor : Prof . V.P. Padmawar, Asst.Professor,Civil Engg Dept.

Duration of course : 30 Hr's

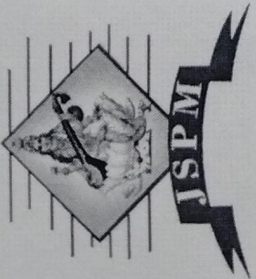

CONTENTS

Sr No	Topics	Duration
1	• Introduction of MATLAB & Application	3 Hr's
2	• Determine resultant force & moment of plane or space force	3 Hr's
3	• Calculation of Reaction & Bending Moment of beam & frame	3 Hr's
4	• Plotting shear force and bending moment diagram using force equilibrium	3 Hr's
5	• Calculation cross section area properties for sections	3 Hr's
6	• Practice Session	3 Hr's
7	• Analysis of beam & frame using flexibility method having more than three unknown	3 Hr's
8	• Analysis of beam & frame using stiffness method having more than three unknown	3 Hr's
9	• Introduction of interpretation using mathematical operations	3 Hr's
10	• Doubt clearing & Practice Session	3 Hr's

Subject: FACE Training for BE (2019-20) students

Respected Sir,

Different companies will start recruitment of 2020 final year students from August / September 2019. Considering this, we are planning FACE training for interested students of final year. Tentative start date of training is 10th June 2019. This training will be based on the pattern and level of questions of campus drives, which will help students to easily crack the rounds of the hiring process.

The details of the training received from FACE are:
Amount of training per student is as mentioned in below table.

Sr. No.	Module	No. of days	Amount per student
1	Technical + Aptitude + GD + PI + TCS	24	Rs. 2800/-
2	Aptitude + GD + PI	12	Rs. 1400/-

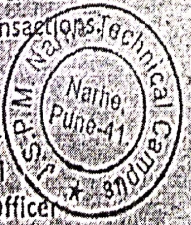

- NOTE: 1. The above mentioned amount is inclusive of all taxes.
2. Min Batch Size: 60 students.

After confirmation of training from JSPM NTC side, FACE will send us MOU mentioning payment terms and conditions.

The amount will be paid by students who are interested in FACE training. This amount will be deposited to our "JSPM NARHE TECHNICAL CAMPUS" account of Jaywant Multistate Credit Co-op Society Ltd.

Request you to give us permission for conducting FACE training and permit to use the above mentioned account for financial transactions.

Mrs. Neelam Kulkarni
Training & Placement Officer

FACE Academy Training 2019-20

Focus Academy for Career Enhancement (FACE) has organized 24 days training program for B.E. Students of JSPM Narhe Technical Campus. In 24 days training session Training was started on 3rd June 2019 and last session was delivered on 19th Dec. 2020. 5 students of B. E. ,Electronics and Telecommunication Engineering Department and 2 students of Mechanical Engineering Department also participated in this Training Program. Trainers of FACE academy delivered sessions on different modules like Programming Skills, Aptitude In Programming skills,programming languages. In Aptitude Module they conducted sessions on time and Work, Percentage, Probability etc .Students enjoyed these training sessions. Certificate will be provided by FACE to those students who had successfully completed training. Following are some glimpses of training

FUEL Aptitude (Test and Training) Championship 2019-20

Friends Union for Energizing Lives (FUEL) has organized 'FUEL Aptitude Championship for Indian Youth in Engineering, Management and Professional Coerces. For this FUEL championship two days Training and Virtual Tests are conducted for TE students of Electronics and Telecommunication Engineering. On 24th January, FUEL Trainers conducted Test A in morning session .After that aptitude training of students conducted and at evening Test B is conducted. On 25th January session on aptitude training is continued. Students enjoyed training session a lot and in training sessions topics like Time and Work, Ratio, Proportion, Percentage are covered. Students who participated in FUEL Aptitude Championship Program 2020 are invited for a convocation ceremony and fund raising musical concert by SANAM Band on 9th Feb. 2020 at Sunny's World and they will get certificate, chance to win prizes by Hon. Rajnath Singh. Following are some glimpses of training.

DEPARTMENT OF COMPUTER ENGINEERING

Date: 20/01/2020

T & P Session on Oracle Applications R12 (ERP) for TE Computer Students

Training & Placement Cell of JSPM NTC has organized a session on Oracle Applications R12 (ERP) for TE Computer Students. The resource person was Dr. Geeta Mate, Director, Vertex IT Services. She told importance of Oracle and discussed following points:

- Oracle Apps R12 Technical Training is an ERP package which has integrated all core business activities like Marketing, Finance, HRMS, Payables, and Receivable etc.
- It facilitates company-wide integrated information system, covering all functional areas. It performs core corporate activities and increases customer service augmenting Corporate Image.
- Oracle is a company with a huge database business, a large middleware business, a large applications business and a small hardware business.
- In technology, Oracle is much stronger than SAP because they have 40 years of technology experience – indeed, most SAP installations run on top of the Oracle database. SAP depended on Oracle database till November 2010. By then SAP had build its own database called HANA. But many clients still prefer to use Oracle because it's stable.

Date:06/02/19

Program Name:- "Seminar on Introduction to Ethical Hacking and Cyber Security"

Instructor:- Prof. Mr. Mukund Raut

Time:- 3:30 to 5:30 pm

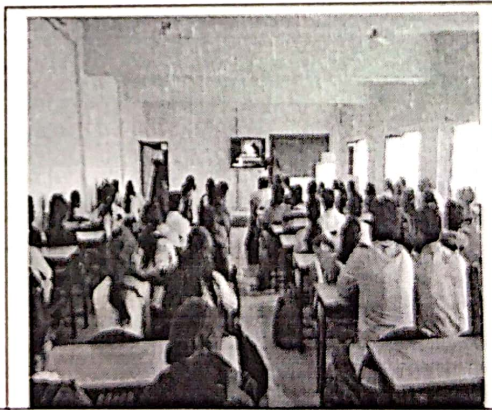

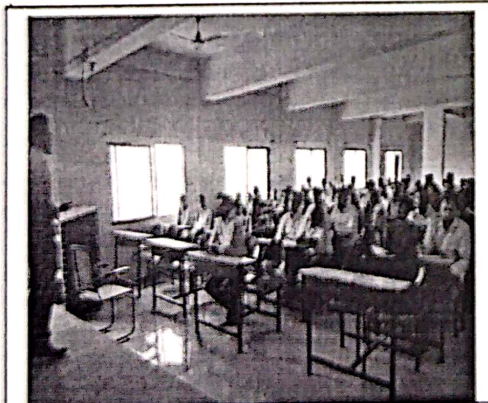

Seminar Contents :

1. Setup Ethical Hacking, Cyber Security Lab
2. Methodology of Ethical Hacking and Cyber Security
3. Open Source Intelligence and Information Gathering
4. Google Hacking Database and Google Dorks

Description:

Are you eager to learn **Ethical Hacking** and want to be a profound **Cyber Security Expert**? If your answer is **YES**, then this seminar is only for you. The aim of this seminar is to **Transform Your Life** from what you are today to what you actually want to be.

Have you ever wondered exactly how hackers **Hack**? Have you been looking for a course that teaches you all the **basics to Advance** of both **information and cyber security** in a fun relaxed manner? If so then **this course absolutely perfect** for you

Subject: Invitation as keynote speaker for guest lecture

Respected Sir,

It gives us an immense pleasure to invite you as keynote speaker for guest lecture on "**Softwares in Civil Engineering**" for third year & final year students of Civil Engineering Department. The objective of the lecture is to create awareness among students about the different types of softwares used in Civil engineering field. The session is organized on 2/04/2019 at **11:00AM**.

Your lecture would be helpful for the students of the department.

Thanks with regards.

Event Summary Report

- **Name of Event:** "Awareness software education for Civil Engineers"
- **Date & Time of event:** Saturday 02/04/19 from 11:00am
- **Venue:** Civil Engineering Department
- **Objectives of Event:**
 1. Guidance to students of final year regarding job opportunities
 2. Training required for the students to become job ready
- **Outcome of Event:**
 1. Students got understanding about current opportunities in civil engineering
 2. Students got incite of the current software for civil engineering
- **Number of Participants:** 98

Respected sir,

We Sincerely wish to thank you for taking initiative to guide on "**Awareness software education**" for Civil Engineers for Third year Students of Civil Engineering Department, **JSPM Narhe Technical Campus , Pune-41**, on 2/04/2019

Your lecture was well received by our students and they were highly benefited with your experienced and knowledge based inputs. We are indeed, deeply indebted to you for sparing your valuable time for this event and look forward to the same favorable support in future.

Thank You

Subject: Invitation as keynote speaker for Computer Tools Seminar.

Respected Sir,

It gives us an immense pleasure to invite you as keynote speaker for Seminar on "Computer Tools" for final year students of Civil Engineering Department. The objective of the seminar is to create awareness among students about the Computer Tools. The session is organized on **28/07/2018 at 11:00 am.**

Your lecture would be helpful for the students of the department.

Thanks with regards.

Event Summary Report

Date: 22/01/2019

- Event : Technical Session On DBMS,DS,Core JAVA& SE
- Department: Computer Engineering
- Name of the event: Technical Session by Dr.Nihar Ranjan and Department to prior e-Zest drive for BE Students
- Speaker: Dr.Nihar Ranjan
- Day, Date, Time of event: 22/01/2019
- Venue: seminar Hall, Computer Department
- Objective of Event: The session was addressed by the speaker named Dr.Nihar Ranjan HOD Computer Engineering Department. Dr.Nihar discussed about the Software Engineering Methodologies, DBMS and Data Structure which are using in companies that are going to be the part of drive. He also had a discussion about the core java technologies, students should learn, Expectations of companies. He motivated students to participate in e-Zest drive in large number.
- Documents mentioned: Notice, attendance, Photographs
