**Event Summery Report**

Event :- Career Councelling

Event Name :- "Career opportunity after GATE Exam"

Date & Time of Event :- 14/07/2022

- Time: Session-I :- 9:00 Am To 11:00 Am

No.of Participants:- 77

Expert Details :- Mr.Swapnil Kale

**Introduction:** The Graduate Aptitude Test in Engineering (GATE) is an examination that not only assesses a candidate's understanding of engineering concepts but also serves as a gateway to a plethora of career opportunities. This summary report aims to provide insights into the various career paths available to candidates post-GATE examination.

**Key Findings:**

1. **Higher Education Pursuits:** GATE scores are widely accepted by leading institutions for admissions into postgraduate programs such as M.Tech, M.E., and Ph.D. This avenue enables candidates to delve deeper into their chosen field of study and enhance their knowledge and skills.
2. **Opportunities in Public Sector Undertakings (PSUs):** Several Public Sector Undertakings (PSUs) recruit candidates based on their GATE scores. These organizations offer lucrative career opportunities with job security, attractive remuneration, and opportunities for professional growth.
3. **Research and Development Roles:** GATE-qualified candidates are highly sought after by research institutions, laboratories, and organizations involved in

DTE Code : 6755 PUN Code : CEGP019070 AISHE Code : C-45874

innovation and development. These roles offer opportunities to contribute to groundbreaking research projects and technological advancements.

4. **Scholarships and Fellowships:** GATE-qualified candidates are eligible for various scholarships and fellowships, both from government and private institutions. These financial aids support candidates in pursuing higher education and research without the burden of financial constraints.
5. **Entrepreneurship and Start-up Opportunities:** GATE-qualified individuals possess strong technical acumen and problem-solving skills, making them well-equipped for entrepreneurial ventures. Many successful entrepreneurs have emerged from GATE backgrounds, establishing innovative start-ups in diverse sectors.

## Recommendations:

1. **Enhanced Career Counseling:** Institutions and educational bodies should provide comprehensive career counseling to GATE aspirants, guiding them through the various career options available and helping them make informed decisions.
2. **Industry-Academia Collaboration:** Collaboration between industries and academic institutions can bridge the gap between theoretical knowledge and practical application. Internship opportunities, collaborative research projects, and guest lectures from industry experts can better prepare GATE aspirants for their future careers.
3. **Skill Development Initiatives:** Continuous skill development initiatives should be undertaken to equip GATE aspirants with the latest technological skills and industry-relevant competencies. This can be achieved through workshops, online courses, and certification programs.

**Conclusion:** The career opportunities available to candidates after the GATE exam are diverse and promising. Whether pursuing higher education, entering the workforce, or venturing into entrepreneurship, GATE-qualified individuals are well-positioned to thrive

**DEPARTMENT OF COMPUTER ENGINEERING**

Date: 22/08/2022

**Event Summery Report**

**Event :- Career Councelling**

**Event Name :- Career Guidance on Gate Preparation and Government Opportunities**

**Date & Time of Event :- 19/08/2022**

- **Time: Session-I :- 9:00 Am To 11:00 Am**

**No.of Participants:- 57**

**Expert Details :- Mr.Rajesh Patil**

This report offers valuable insights into career prospects through GATE (Graduate Aptitude Test in Engineering) preparation and the myriad opportunities available in the government sector. GATE, a prestigious examination in India, serves as a pathway not only to higher education but also to lucrative job opportunities in public sector undertakings (PSUs) and government organizations.

**Key Points:**

1. **Significance of GATE Exam:** GATE is a crucial examination for engineering graduates, serving as a gateway to pursuing higher education and securing employment in esteemed government organizations. Its multidimensional assessment evaluates candidates' understanding of engineering concepts and problem-solving abilities.
2. **Preparation Strategies:** Successful GATE preparation necessitates a strategic approach. Aspirants should focus on building a strong conceptual foundation, practicing regularly, and familiarizing themselves with the exam pattern through mock tests and previous years' question papers. Utilizing quality study materials and online resources can significantly enhance preparation effectiveness.

Jayawant Shikshan Prasarak Mandal's  
**JSPM Narhe Technical Campus**

S. No. 12/2/2 and 14/9, Narhe, Tal : Haveli, Dist.: Pune – 411041

Phone : +91 20 2460 8700, 701, 702 Email : [director@jspmntc.edu.in](mailto:director@jspmntc.edu.in) Web : [www.jspmntc.edu.in](http://www.jspmntc.edu.in)

Affiliated to Savitribai Phule Pune University. Approved by AICTE New Delhi and DTE Maharashtra.

DTE Code : 6755 PUN Code : CEGP019070 AISHE Code : C-45874

3. **Government Job Opportunities:** GATE scores are increasingly utilized by PSUs and government organizations for recruitment purposes. These entities recognize GATE as a reliable indicator of candidates' technical aptitude and competence. Various sectors, including energy, aerospace, telecommunications, and research institutions, offer attractive job opportunities to GATE-qualified candidates.
4. **Benefits of Government Employment:** Government jobs provide numerous benefits, including job security, competitive salaries, allowances, healthcare facilities, and opportunities for career advancement. Additionally, working in the government sector offers a platform for contributing to national development initiatives and engaging in impactful projects.
5. **Career Progression and Skill Development:** Government organizations prioritize employee development and offer avenues for continuous learning and skill enhancement. Through training programs, workshops, and opportunities for higher education, employees can progress in their careers and acquire specialized skills relevant to their fields.
6. **Conclusion:** GATE preparation not only opens doors to higher education but also unlocks a plethora of career opportunities in the government sector. By adopting effective preparation strategies and leveraging the diverse job openings available through GATE, aspirants can embark on a fulfilling and rewarding career journey characterized by growth, stability, and societal impact.

- Speaker: Mr.Rishikesh Shukla .
- Day, Date, Time of event: 16/09/2021
- Venue: Seminar Hall, Computer Engineering Department
- Objective of Event: The session was addressed by the person Mr.Rishikesh Shukla . He discussed about how to manage time for GATE preparation alongside placement preparation . Prioritizing tasks, study schedule creation , Use of time management techniques like the Pomodoro technique, where you work for 25 minutes and take a 5-minute break, to maximize productivity. How to take advantage of online resources, such as online classes, video lectures, and practice tests, to save time and make your preparation more effective .
- Documents mentioned: Notice, attendance, Photographs

- **Name of Event:** One Day Seminar On Career Opportunities After GATE Exam
  - **Date & Time of event:** 26<sup>th</sup> August, 2021; 11:30 a.m.
  - **Venue:** C 215 Seminar Hall
  - **Objectives of Event:**
    1. Awareness about GATE Exam preparation
    2. Career opportunities after GATE
  - **Outcome of Event:**
    1. Students get to know about importance of GATE exam
    2. Conduction of expert lectures on GATE on weekend
  - **Sponsored by ( If any):** NA
  - **Number of Participants:** 77
  - **Expert details:** Mr Shanakar Wadne, ACE Academy, Hyderabad
  - **Chief Guest:** Mr. Sachin B. Pawar
  - **Guest of Honor:** Prof. Dr. Manoj A. Kumbhalkar
  - **Summary of Feedback:**
    1. Students want to conduct such sessions
    2. Students want to conduct GATE classes on weekend
  - **Suggestions if any for Improvement in Future:**
    1. Thermal and manufacturing parts should be covered in depth
- Documents Maintained:** Notice/ Attendance Sheet/ Photograph

**Time: 1:00 – 3:00 PM**

No of students participated: **28**

Name of trainer with contact no : Mr.Rahul Rai ( Mob.No.7263024311)

**Brief Introduction about event:**

The purpose of the seminar was to make students industry ready and ready to take on a corporate job successfully.

**The overall objective of this training :**

With the number of colleges increasing in our country so is the number of passouts from them. While there are lakhs of people who are counted to be a part of the economic workforce, not everybody makes it to the 'employable' list. This webinar is all about knowing what is that 'magic mantra' of being corporate ready.

## DEPARTMENT OF MECHANICAL ENGINEERING (SECOND SHIFT)

### Letter of Invitation for International Webinar

To,

Mr. Rajiv Dhavan

Advance Mechanical Services Pvt. Ltd  
No 29 /1 Malik Building, 4th Floor,  
Hospital Road, Shivajinagar,  
Bangalore - 560 001

**Subject:** Invitation as a keynote speaker for International webinar on Career Opportunities in Additives Manufacturing.

Dear Sir,

48

It gives us an immense pleasure to invite you as keynote speaker for International webinar on “Career Opportunities in Additives Manufacturing” for students of Mechanical Engineering Department (Second Shift). The objective of the webinar is to understand the process and benefits of higher education in abroad and also to interact with the alumni studying in Germany. This helps students to acquire the specific knowledge over education scenario in abroad during this period.

A webinar is scheduled on 10/10/2020, Saturday on 11:00 am through GOOGLE MEET. The link to join webinar will share with you on the same day.

Your online session will be helpful to the students of our department.

Thanks, with regards.

Mr. Shital S. Bhosale  
T&P Coordinator

Mahindra & Mahindra Ltd,

Pune, Maharashtra, India

Dear Sir,

49

We Sincerely wish to thank you for readily accepting our invitation and delivering a Webinar on “**Value Analysis and Value Engineering (VAVE)**” for Students of Mechanical Engineering Department (Second Shift), JSPM Narhe Technical Campus, Narhe, Pune-41, on 13/09/2020, Sunday at 11.00 am - 01.00 pm.

Your webinar on “Value Analysis and Value Engineering” was well received by our students and they were highly benefited with your experienced and knowledge-based inputs. The valuable exposure about the fundamental concepts presented by you will definitely help our students to achieve their highest watermark in the domain. We are indeed, deeply indebted to you for sparing your valuable time for this event and look forward to the same favorable support in future. Your lecture would be helpful for the Student of our department.

Thanks, with regards.

## DEPARTMENT OF MECHANICAL ENGINEERING (SECOND SHIFT)

### Letter of Thanks

To,

Mr.Rajesh Doke

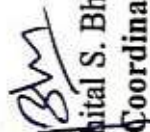

MPTA Education LTD,Pune

Dear Sir,

We Sincerely wish to thank you for readily accepting our invitation and delivering a Webinar on "Career Opportunities in CAD Design" for Students of Mechanical Engineering Department (Second Shift), JSPM Narhe Technical Campus, Narhe, Pune-41, on 29/09/2020, Tuesday at 11.00 am - 01.00 pm.

Your webinar on "Career Opportunities in CAD Design" was well received by our students and they were highly benefited with your experienced and knowledge-based inputs. The valuable exposure about the fundamental concepts presented by you will definitely help our students to achieve their highest watermark in the domain. We are indeed, deeply indebted to you for sparing your valuable time for this event and look forward to the same favorable support in future. Your lecture would be helpful for the student of our department.

Thanks, with regards.

**Subject:** Invitation to guide students for GATE Examination .

Respected Sir,

It gives us an immense pleasure to invite you as speaker for guiding our Final Year students for GATE as well as other competitive examination . The objective of the lecture is to create awareness among students about the cutoff, line of preparation ,IIT's& NIT's .The session is arranged on 7/10/2019 at 10:00 am.

Your lecture would be helpful for the students of the department.

Thanks with regards..

## Event Summary Report

- **Name of program** : seminar on "GATE Awareness and competitive examination"
- **Department** : Civil Engineering department
- **Name of Event**: Seminar on "GATE Awareness and competitive examination"
- **Speaker** : Ms. Shweta Apte vidyalankar classes Pune.
- **Date & Time of event** : 7/10/2019 at 10:00AM
- **Venue**: Civil Engineering department
- **Objectives of Event** : event for Civil Engineering is to provide students with targeted strategies, expert guidance, and valuable resources to enhance their preparation for competitive exams in the field.
- **Outcome of Event**: empower attendees with refined study techniques, comprehensive understanding of exam patterns, and actionable tips from seasoned experts.
- **Number of Students Present** : 105

**Documents Maintained:** Invitation letter/Thanks letter/ Agenda/ Attendance Sheet/ Photograph

**DEPARTMENT OF MECHANICAL ENGINEERING**

Date: 27/08/2019

**Event Summery Report**

**Event :- GATE Webinar**

**Event Name :- "GATE Insight: Career Counselling for Engineering Aspirants"**

**Date & Time of Event :- 23/08/2019**

- **Time: Session-I :- 9:00 Am To 11:00 Am**
- **Online :- Google meet**

**No.of Participants:- 109**

**Expert Details :- Mr.Amol Pokharkar**

**Objective:** The "GATE Insight" event aimed to provide comprehensive career counseling and guidance to engineering aspirants preparing for the Graduate Aptitude Test in Engineering (GATE). The event focused on equipping participants with valuable insights, strategies, and resources to navigate their career paths effectively and maximize their potential for success in the examination.

**Key Highlights:**

**1. Understanding GATE:**

- Participants gained a thorough understanding of the GATE examination, including its significance, structure, syllabus, and examination pattern. Emphasis was placed on the role of GATE in shaping academic and professional trajectories in engineering and related fields.

**2. Career Pathway Exploration:**

- The event facilitated exploration of diverse career pathways available to GATE qualifiers, ranging from postgraduate studies in premier institutions to opportunities in research, public sector undertakings (PSUs), and the corporate

## Jayawant Shikshan Prasarak Mandal's JSPM Narhe Technical Campus

S. No. 12/2/2 and 14/9, Narhe, Tal : Haveli, Dist: Pune - 411041

Phone : +91 20 2460 8700, 701, 702 Email : director@jspmnc.edu.in Web : www.jspmnc.edu.in

DTE Code : 6755 PUN Code : CEGP019070 AISHE Code : C-45874

sector. Participants gained insights into the potential career prospects and growth opportunities associated with each pathway.

### 3. Personalized Counseling Sessions:

- Experienced mentors and industry experts conducted personalized counseling sessions, providing participants with tailored advice, guidance, and recommendations based on their individual strengths, interests, and career goals. These sessions helped participants gain clarity and direction in their career planning efforts.

### 4. Preparation Strategies:

- Proven strategies and techniques for effective GATE preparation were shared, including time management tips, subject-wise study plans, and the importance of mock tests and practice papers. Participants received practical guidance on optimizing their preparation efforts to maximize their chances of success in the examination.

### 5. Interactive Workshops and Activities:

- Engaging workshops, activities, and group discussions were organized to facilitate interactive learning and skill development. Participants had the opportunity to enhance their understanding of career options, develop essential skills, and network with peers and industry professionals.

### 6. Networking Opportunities:

- Networking sessions provided participants with the opportunity to connect with fellow GATE aspirants, alumni, and industry professionals. These interactions facilitated knowledge sharing, exchange of experiences, and exploration of collaborative opportunities, enriching the overall learning experience.

**Conclusion:** The "GATE Insight" event served as a valuable platform for engineering aspirants to gain insights, guidance, and inspiration as they prepare for the GATE examination and plan their future careers. By providing personalized counseling, practical strategies, and networking opportunities, the event empowered participants to make informed decisions and embark on their journey towards academic and professional success.

**Notice**

All BE Mechanical students, Embark on a journey of exploration and discovery as we navigate careers with GATE in our upcoming event, "Pathfinder: Navigating Careers with GATE." This session is designed to illuminate the path ahead for aspiring candidates aiming to leverage the Graduate Aptitude Test in Engineering (GATE) for their career advancement.

**Details:**

- **Date:** 15/10/2019
- **Time:** 11:00 Am To 1:00 Pm

**Event Summery Report**

Event :- GATE Webinar

Event Name :- "Pathfinder: Navigating Careers with GATE"

Date & Time of Event :- 15/10/2019

- Time: Session-I :- 9:00 Am To 11:00 Am
- Online :- Google meet

No.of Participants:- 98

Expert Details :-Mr.Awadhoot Shende

**Objective:** The "Pathfinder: Navigating Careers with GATE" event was organized to provide aspiring candidates with comprehensive guidance and insights to navigate their career paths effectively with the Graduate Aptitude Test in Engineering (GATE). The event aimed to equip participants with the knowledge, strategies, and resources needed to leverage GATE as a stepping stone towards academic and professional success in engineering and related fields.

**Key Highlights:**

**1. Understanding GATE:**

- Participants gained a deeper understanding of the GATE examination, including its significance, structure, syllabus, and examination pattern. Emphasis was placed on the role of GATE as a gateway to higher education, research opportunities, and lucrative career options in various sectors.

**2. Career Exploration:**

- The event facilitated exploration of diverse career pathways available to GATE qualifiers, including postgraduate studies in premier institutions, research opportunities, job prospects in public sector undertakings (PSUs), and corporate

## Jayawant Shikshan Prasarak Mandal's JSPM Narhe Technical Campus

S. No. 12122 and 14/B, Narhe, Tal : Haveli, Dist: Pune - 411041

Phone : +91 20 2460 8700, 701, 702 Email : [director@jspmntc.edu.in](mailto:director@jspmntc.edu.in) Web : [www.jspmntc.edu.in](http://www.jspmntc.edu.in)

DTE Code : 6755 PUN Code : CEGP019070 AISHE Code : C-45574

sectors. Participants gained insights into the potential career trajectories and growth opportunities associated with each pathway.

### 3. Strategic Planning:

- Proven strategies and techniques for effective GATE preparation were shared, including time management tips, subject-wise study plans, and the importance of mock tests and practice papers. Participants received practical guidance on optimizing their preparation efforts to maximize their chances of success in the examination.

### 4. Interactive Sessions:

- Interactive sessions, workshops, and panel discussions were organized to facilitate engagement, knowledge sharing, and skill development. Participants had the opportunity to interact with experienced mentors, industry experts, and fellow GATE aspirants, enriching their learning experience and expanding their professional network.

### 5. Personalized Counseling:

- Personalized counseling sessions were conducted to provide participants with tailored advice, guidance, and recommendations based on their individual strengths, interests, and career goals. These sessions helped participants gain clarity and direction in their career planning efforts, empowering them to make informed decisions.

**Conclusion:** The "Pathfinder: Navigating Careers with GATE" event served as a valuable platform for aspiring candidates to gain insights, guidance, and inspiration as they embark on their journey towards academic and professional success with GATE. By providing comprehensive support, practical strategies, and networking opportunities, the event empowered participants to navigate their career paths with confidence and determination.

**Future Endeavors:** Building on the success of the event, future endeavors may include follow-up sessions, workshops, and resources aimed at further enhancing participants' preparation and readiness for the GATE examination and beyond. Continued efforts to support and empower aspiring candidates in their career aspirations will be key to ensuring their success in the competitive landscape of engineering and related fields.

**GATE Exam Awareness and Preparation Session by Mr. Amulya Ratan from Vani Institute for SE and TE Computer Engineering Students**

Mr. Amulya Ratan from Vani Institute conducted GATE Exam awareness session for SE and TE Computer Engineering students on 11/03/2020. He explained that the purpose of the GATE exam is to test students knowledge and understanding of their under Graduate level subjects in Engineering and Science. There is a misconception among students is that the GATE exam is only for ME. / M. Tech which finally leads to a teaching career only. But, it is not correct. The GATE score of the candidate is also used by several public sector undertakings (PSU) (i.e., government-owned companies like Indian Oil, GAIL, and Hindustan Petroleum etc.) for recruiting graduate engineers in entry-level positions, to get Fellowship Programs from CSIR and Scholarships in ME/M.Tech and many more.

### Event Summary Report

Date: 13/01/2020

- Event :Session on Carrier Guidance in view of Job Fair 2020
- Department: Computer Engineering
- Name of the event: Carrier Guidance in view of Job Fair 2020 BE students
- Speaker: Mr.Maneesh Jha from Squad InfoTech Pvt.Ltd
- Day, Date, Time of event: 11/01/2020, 10.00 pm to 2.00 pm
- Venue: seminar Hall, Computer Department
- Objective of Event: The session was addressed by the speaker named Mr.Maneesh Jha from Squad InfoTech Pvt.Ltd. SQUAD is Mumbai's first dedicated professional training center for software testing .Mr Maneesh discussed about the companies that are going to be the part of Job Fair .he also had a discussion about the technologies, students should learn, Expectations of companies. He motivated students to participate in Job Fair in large number.
- Documents mentioned: Notice, attendance, Photographs

## Event Summary Report

**Name of program :** Seminar on "Gate Awareness"

**Date:** 9/8/2018

**Venue/address :** Cygent Public School

**In charge:** Prof .R.J. Phalke

**Objective of Event :**

1)What is a GATE exam? 2) overview of Gate exam and paper pattern. 3)Nature of questions asked in the exam.4) Importance of getting good rank in exam. 5)Carrier opportunities after GATE exam.

The Department of Civil Engineering arranged a seminar on 09/8/2018 on "Awareness About Gate Exam" for be civil students. The lecture was conducted by Mr.RohitShrmaVani Gate Academy. The lecture started at 1:30 pm. All the students attended the program with keen interest. the lecture was conducted at Cygnet Public School. the session was interactive .

**Expert Details:** Mr. Rohit Shrma – Academic Advisor from Vani Gate Academy Pune .

**Number of Participants :**123

**Content Covered:**

Eligibility GATE Exam pattern 2. Important topics to be prepared 3. Admissions into M. Tech and foreign universities through GATE 4.Selection in Government and Private sector jobs through GATE 5.Fees and Stipend 6.Cut-off Marks 7.Understanding subject weightage and to carry out focus study.

To,  
Mr. Rohit Sharma,  
Vani Gate Academy  
Pune.

Respected sir,

We Sincerely wish to thank you for taking initiative to guide our students on GATE Examination for final year Students of Civil Engineering Department, JSPM Narhe Technical Campus Pune-41, on 9/08/2018.

Your lecture was well received by our students and they were highly benefited with your experienced and knowledge based inputs. We are indeed, deeply indebted to you for sparing your valuable time for this event and look forward to the same favorable support in future.

Thank You.

**Report on Seminar:**

**"Career Opportunities in Private & Government Sectors and Higher Studies"**

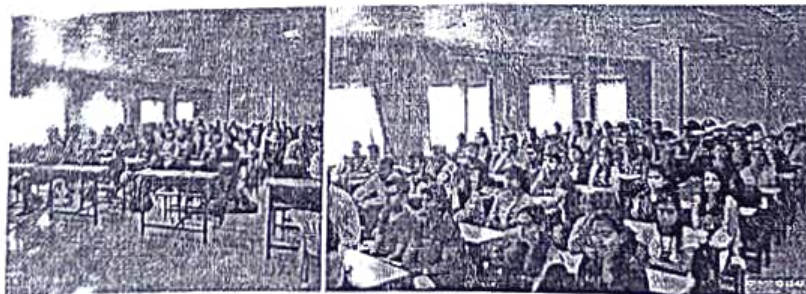

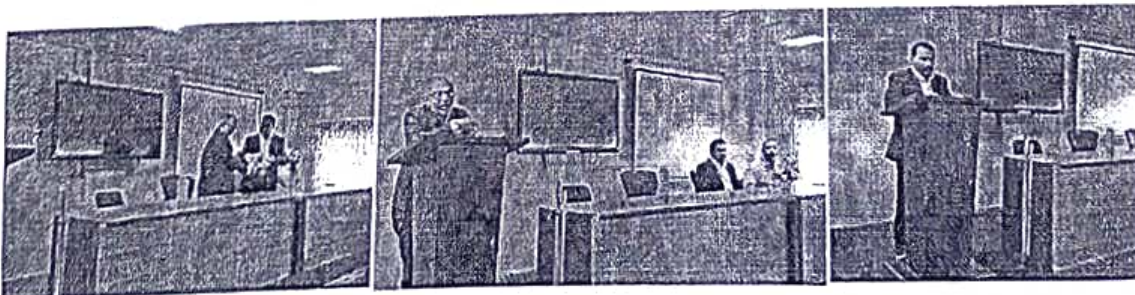

Date: 10/07/2018

Time: 3:30 pm to 4:30 pm.

Venue: Seminar Hall (A-514)

Computer Engineering Department of JSPM Narhe Technical Campus, conducted a seminar on "Career Opportunities in Private and Government Sector and Higher Studies" for TE and BE students. Mr. Kiran Kumar (NIT Warangal), having more than 19 years of experience in teaching was the resource person for the seminar. Prof. R. H. Kulkarni, HOD, Computer Engineering felicitated Mr. Kiran Kumar.

He successfully delivered the lecture on career opportunities in private and government sectors. He explained importance of GATE (Graduate Aptitude Test in Engineering) exam. He told that GATE is a prestigious all India examination, administered and conducted jointly by the Indian Institute of Science (IISc) and seven of the Indian Institutes of Technology (IITs) on behalf of the National Coordination Board - GATE, Department of Higher Education, Ministry of Human Resource Development (MHRD) and the Government of India. He also mentioned that all those who qualify this test, are eligible to get admission in postgraduate programmes with government scholarships / assistantships in engineering colleges / institutes / universities. He clarified all doubts of students regarding benefits of working in public and private sector and higher studies.

## Summary Report

Seminar on: Opportunities in Government Sector

Date of seminar: 17 July 2018

Conducted by :JSPM Study Circle

Students attended: 90

### **Contents covered in seminar:**

#### **Introduction to government sector opportunities**

**Various types of government jobs like** Civil Services (UPSC, State PSCs), Public Sector Undertakings (PSUs), Defense Services, Banking and Finance (IBPS, RBI), Healthcare (Government Hospitals, Research Organizations), Engineering and Technical Services.

Explain the various recruitment processes for government jobs, such as - Competitive Exams (UPSC Civil Services Exam, SSC CGL, etc., State Public Service Commission Exams, Recruitment Drives by PSU, Direct Recruitment through Interview.

#### **Preparation Strategy:**

Offer guidance on how to prepare effectively for government job exam, recommend study materials, coaching institutes, and online resources, Share tips for time management, exam strategies, and stress management

Invite guest speakers or alumni who have successfully secured government jobs to share their experiences also Highlight inspiring stories and career trajectory

## Event Summery Report

Event :- GATE Webinar

Event Name :- "Unlocking Opportunities: GATE Career Counselling Workshop,"

Date & Time of Event :- 07/09/2018

- Time: Session-I :- 9:00 Am To 11:00 Am
- Online :- Google meet

No.of Participants:- 95

Expert Details :- Mr.Sunny Mankoskar

**Objective:** The "Unlocking Opportunities" workshop was organized with the aim of providing career counselling and guidance to candidates preparing for the Graduate Aptitude Test in Engineering (GATE). The workshop focused on unlocking the potential of GATE as a pathway to diverse career opportunities in engineering and related fields.

### Key Highlights:

#### 1. Understanding GATE:

- Participants gained a comprehensive understanding of the GATE examination, including its structure, syllabus, examination pattern, and significance in shaping academic and professional trajectories in engineering and allied sectors.

#### 2. Exploring Career Pathways:

- The workshop facilitated exploration of various career pathways available to GATE qualifiers, including postgraduate studies in top institutions, research opportunities, job prospects in public sector undertakings (PSUs), and corporate sectors. Participants gained insights into the potential career trajectories and growth opportunities associated with each pathway.

## Jayawant Shikshan Prasarak Mandal's JSPM Narhe Technical Campus

S. No. 12/2/2 and 14/9, Narhe, Tal : Haveli, Dist.: Pune – 411041

Phone : +91 20 2460 8700, 701, 702 Email : director@jspmnc.edu.in Web : www.jspmnc.edu.in

Affiliated to Savitribai Phule Pune University. Approved by AICTE New Delhi and DTE Maharashtra.

DTE Code : 6755 PUN Code : CEGP019070 AISHE Code : C-45874

### 3. Strategic Planning:

- Proven strategies and techniques for effective GATE preparation were shared, including time management tips, subject-wise study plans, and the importance of mock tests and practice papers. Participants received practical guidance on optimizing their preparation efforts to maximize their chances of success in the examination.

### 4. Personalized Counseling:

- Personalized career counselling sessions were conducted to provide participants with tailored advice, guidance, and recommendations based on their individual strengths, interests, and career goals. These sessions helped participants gain clarity and direction in their career planning efforts, empowering them to make informed decisions.

### 5. Interactive Engagement:

- Interactive discussions, workshops, and activities were organized to foster engagement, knowledge sharing, and skill development. Participants had the opportunity to interact with experienced mentors, industry experts, and fellow GATE aspirants, enriching their learning experience and expanding their professional network.

**Conclusion:** The "Unlocking Opportunities" workshop served as a valuable platform for participants to gain insights, guidance, and inspiration as they prepare for the GATE examination and plan their future careers. By providing comprehensive support, practical strategies, and networking opportunities, the workshop empowered participants to navigate their career paths with confidence and determination.

**Future Endeavors:** Building on the success of the workshop, future endeavors may include follow-up sessions, workshops, and resources aimed at further enhancing participants' preparation and readiness for the GATE examination and beyond. Continued efforts to support and empower aspiring candidates in their career aspirations will be key to ensuring their success in the competitive landscape of engineering and related fields.

**Event Summery Report**

Event :- GATE Webinar

Event Name :- "GATE Ahead: Career Planning and Guidance."

Date & Time of Event :- 14/11/2018

- Time: Session-I :- 9:00 Am To 11:00 Am
- Online :- Google meet

No.of Participants:- 107

Expert Details :- Dr.Sagar Naik

**Objective:** The "GATE Ahead" program aimed to provide comprehensive career planning and guidance to candidates preparing for the Graduate Aptitude Test in Engineering (GATE). The program focused on equipping participants with the knowledge, strategies, and resources needed to maximize their potential for success in the examination and navigate their career paths effectively in engineering and related fields.

**Key Highlights:**

**1. Understanding GATE:**

- Participants gained a thorough understanding of the GATE examination, including its structure, syllabus, examination pattern, and significance in shaping academic and professional trajectories in engineering and allied sectors.

**2. Strategizing for Success:**

- Proven strategies and techniques for effective GATE preparation were shared, including time management tips, subject-wise study plans, and the importance of mock tests and practice papers. Participants received practical guidance on optimizing their preparation efforts to maximize their chances of success in the examination.

## Jayawant Shikshan Prasarak Mandal's JSPM Narhe Technical Campus

S. No. 12/2/2 and 14/9, Narhe, Tal : Haveli, Dist: Pune - 411041

Phone : +91 20 2460 8700, 701, 702 Email : director@jspmnc.edu.in Web : www.jspmnc.edu.in

DTE Code : 6755 PUN Code : CEGP019070 AISHE Code : C-45874

### 3. Exploring Career Pathways:

- The program facilitated exploration of various career pathways available to GATE qualifiers, including postgraduate studies in top institutions, research opportunities, job prospects in public sector undertakings (PSUs), and corporate sectors. Participants gained insights into the potential career trajectories and growth opportunities associated with each pathway.

### 4. Personalized Counseling:

- Personalized career counseling sessions were conducted to provide participants with tailored advice, guidance, and recommendations based on their individual strengths, interests, and career goals. These sessions helped participants gain clarity and direction in their career planning efforts, empowering them to make informed decisions.

### 5. Interactive Engagement:

- Interactive discussions, workshops, and activities were organized to foster engagement, knowledge sharing, and skill development. Participants had the opportunity to interact with experienced mentors, industry experts, and fellow GATE aspirants, enriching their learning experience and expanding their professional network.

**Conclusion:** The "GATE Ahead" program served as a valuable platform for participants to gain insights, guidance, and inspiration as they prepare for the GATE examination and plan their future careers. By providing comprehensive support, practical strategies, and networking opportunities, the program empowered participants to navigate their career paths with confidence and determination.

**Future Endeavors:** Building on the success of the program, future endeavors may include follow-up sessions, workshops, and resources aimed at further enhancing participants' preparation and readiness for the GATE examination and beyond. Continued efforts to support and empower aspiring candidates in their career aspirations will be key to ensuring their success in the competitive landscape of engineering and related fields.

## DEPARTMENT OF MECHANICAL ENGINEERING Event Summary Report

Date:13<sup>th</sup>September, 2022

Event: Seminar

Department of Mechanical Engineering

- **Name of Event:** Industrial Expert Seminar on Road Map of Successful Career in Mechanical and IT Industries
- **Date & Time of event:**13<sup>th</sup> September, 2022; 10:45 a.m.
- **Venue:**C 215 Seminar Hall
- **Objectives of Event:**
  1. Placement in mechanical and IT industries
  2. Career in data science (Python, SQL)
- **Outcome of Event:**
  1. Students get to know about importance of IT in mechanical engineering
  2. Internship and placement opportunities with G2G Innovation
- **Sponsored by ( If any):** NA
- **Number of Participants:**92
- **Expert details:**Mr.SushilkumarBhagat; Mr. VinodKadam; G2G Innovation, Pune
- **Chief Guest&Guest of Honor:** Prof. Dr. Manoj A. Kumbhalkar
- **Summary of Feedback:**
  1. Students want to develop communication skills for their placements
  2. Students want to do projects in design and engineering with G2G Innovation
- **Suggestions if any for Improvement in Future:**
  1. Students' chapters should be formed as per their learning interests

**Notice**

All the students of MBA are hereby informed that the Seminar on “Managerial Career Opportunities in Operations & Supply Chain Management (Service and Manufacturing Sector)” will be conducted on 26<sup>th</sup> May 2023.

This seminar aims to provide valuable insights into the diverse career paths available in operations and supply chain management, catering to both service-based and manufacturing industries.

**Reporting time-**11.45 am.

**Venue-** JSPM NTC, B Building,

MBA Dept. 4<sup>th</sup> Floor Hall No- 403

Note- Attendance is mandatory for all students.

Late comers will not be allowed to attend the seminar.

Date – 29th May 2023

**DEPARTMENT OF MBA**

**Summary**

**Name of the Seminar-** Managerial Career Opportunities in Operations & Supply Chain Management (Service and Manufacturing Sector)”

**No. of Students participated – 45**

**Chief Guest – Mr. Uday Doke**

**Venue-** JSPM NTC, B Building, MBA Dept. 4<sup>th</sup> Floor Hall No- 403

**Brief Introduction of the Seminar-** Seminar mainly focused on the skills and expertise that are required from Post graduate students to perform the jobs in manufacturing and services based industry. Seminar also highlighted the changing scenario in the industry that comprises companies' expectations from the newly joined management trainee.

**Outcomes-** Students gained the understanding of the various career paths within operations and supply chain management, including roles such as operations manager, supply chain analyst, logistics coordinator, and more. Learnt about the current trends, challenges, and opportunities prevalent in the service and manufacturing sectors, directly from industry experts. Discovered essential skills and competencies sought after by employers in the field, and how you can develop them to enhance your employability

Prof. Dr. S.A.Choudhari  
DIRECTOR

Date: 15/3/2023

To,  
The Director,  
JSPM Narhe Technical Campus.

**Subject:** Letter to grant permission to conduct a Guest lecture on **Serverless computing**, by Amol Aher, CEO, KasNet Technologies Pvt Ltd., Pune.

Respected Sir,

we want to organize a guest lecture on Serverless Computing.

We believe that this event will be an excellent opportunity for our students to learn from a leading expert in the field and expand their knowledge and understanding of these rapidly evolving technologies, which in-turn help them for their placements.

**Venue:** Seminar hall, 5<sup>th</sup> floor, computer Department, JSPM NTC.

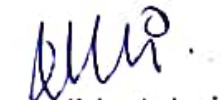

**Date of event:** 17<sup>th</sup> Mar, 2023.

**Time:** 8.30 to 11.00 am.

Kindly give us permission.

Thanking You,

  
Prof.S.P.Naik  
Co-ordinator

Event Summary Report

Date:17/3/2023

- Event: lecture on Serverless computing
- Department: Computer Engineering
- Name of the event: lecture on Serverless computing for TE students
- Speaker: Mr.Amol Aher,Kasnet technology pvt.ltd
- Day, Date, Time of event: Friday, 17,03,2023,8.30am to 10.30am
- Venue:VC seminar Hall
- Objective of Event: Brush up on the topic of Serverless Computing
- Number of students present:58
- Documents mentioned: permission letter,Notice, attendance, Photographs

FOUNDER SECRETARY

Prof. Dr. S.A.Choudhari  
DIRECTOR

Date: 15/3/2023

To,  
The Director,  
JSPM Narhe Technical Campus.

**Subject:** Letter to grant permission to conduct a Guest lecture on **Serverless computing**, by Amol Aher, CEO, KasNet Technologies Pvt Ltd.,Pune.

Respected Sir,

we want to organize a guest lecture on Serverless Computing.

We believe that this event will be an excellent opportunity for our students to learn from a leading expert in the field and expand their knowledge and understanding of these rapidly evolving technologies, which in-turn help them for their placements.

**Venue:** Seminar hall, 5<sup>th</sup> floor, computer Department, JSPM NTC.

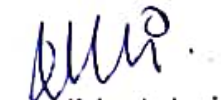

**Date of event:** 17<sup>th</sup> Mar, 2023.

**Time:** 8.30 to 11.00 am.

Kindly give us permission.

Thanking You,

  
Prof.S.P.Naik  
Co-ordinator

**Event Summery Report**

**Event :- Career Counselling**

**Event Name :- "Career counselling by experts to students about opportunities in PSU"**

**Date & Time of Event :- 19/08/2021**

- **Time: Session-I :- 9:00 Am To 11:00 Am**

**No.of Participants:- 77**

**Expert Details :- Mr.Ganesh Yadav**

**Introduction:** The career counselling session on opportunities in Public Sector Undertakings (PSUs) aimed to provide students with valuable insights into the diverse career paths available in the public sector. This summary report outlines the key highlights and outcomes of the session.

**Key Findings:**

**1. Overview of PSUs:**

- The session commenced with an overview of PSUs, highlighting their significance in India's economy and their role in providing employment opportunities across various sectors.

**2. Career Paths in PSUs:**

- Experts elaborated on the wide array of career paths available in PSUs, including engineering, management, finance, human resources, and more. They emphasized that PSUs offer opportunities for individuals with diverse educational backgrounds and skill sets.

Jayawant Shikshan Prasarak Mandal's  
**JSPM Narhe Technical Campus**

S. No. 122/2 and 149, Narhe, Tal : Haveli, Dist.: Pune – 411041

DTE Code : 6755 PUN Code : CEGP019070 AISHE Code : C-45874

### 3. Recruitment Processes:

- The session provided insights into the recruitment processes adopted by PSUs, including the eligibility criteria, selection procedures, and preparation strategies for competitive examinations and interviews.

### 4. Employee Benefits:

- Attendees gained an understanding of the attractive employee benefits offered by PSUs, such as job security, competitive salaries, allowances, healthcare benefits, and opportunities for career advancement through training and promotions.

### 5. Q&A Session:

- A lively Q&A session followed the presentations, allowing students to interact with the panel of experts and seek clarification on specific queries related to career prospects in PSUs. Topics ranged from job roles to work culture and growth opportunities.

### Outcomes:

#### 1. Increased Awareness:

- The session increased students' awareness of the career opportunities available in PSUs, enabling them to make informed decisions about their future career paths.

#### 2. Clarification of Doubts:

- Students had the opportunity to clarify their doubts and concerns regarding various aspects of working in PSUs, including recruitment processes, job roles, and employee benefits.

#### 3. Motivation and Inspiration:

# Jayawant Shikshan Prasarak Mandal's JSPM Narhe Technical Campus

S. No. 12/22 and 14/9, Narhe, Tal : Haveli, Dist.: Pune - 411041

Phone : +91 20 2460 8700, 701, 702 Email : director@jspmntc.edu.in Web : www.jspmntc.edu.in

Affiliated to Savitribai Phule Pune University. Approved by AICTE New Delhi and DTE Maharashtra.

DTE Code : 6755 PUN Code : CEGP019070 AISHE Code : C-45874

- The insights shared by experienced professionals served as a source of motivation and inspiration for students aspiring to build successful careers in the public sector.

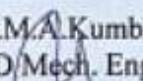

#### 4. Networking Opportunities:

- The session facilitated networking opportunities for students to connect with industry experts and professionals, potentially opening doors to internships, mentorship, and future employment opportunities.

**Conclusion:** The career counselling session on opportunities in PSU provided students with a comprehensive understanding of the career paths, recruitment processes, and employee benefits available in the public sector. By equipping students with valuable insights and guidance, the session empowered them to embark on successful career journeys in PSUs. Such initiatives play a crucial role in bridging the gap between academic knowledge and practical career opportunities, ultimately contributing to the professional growth and development of students.

**Event : Augmented reality- Understanding Future Technology and Career opportunities after B.E. by EduCADD, Kothrud, Pune.**

**Date: Saturday, 14<sup>th</sup> August 2021**

**Time: 3:00 – 4:00 PM**

**No of students participated: 34**

**Name of trainer with contact no : Mr. Shrikant Bidwai**

**Brief Introduction about event:**

The purpose of the seminar was to aware students (3rd & 4th yr) for the new technologies and career opportunities after B.E.

**Topics to be covered in training:**

- Introduction
- What is AR?
- History
- How is it used?
- How does it work?
- Applications
- Augmented Reality vs. Virtual Reality
- Implementation Framework
- Advantages
- Disadvantages
- Issues in Augmented Reality
- Challenges

The overall objective of this training was to impart knowledge and for create awareness among students for the opportunities existing in the field of Augmented Reality(AR).

Subject: Invitation as a resource person to conduct a Webinar on "Study Abroad Option After Engineering".

Dear Sir

On behalf of department of computer engineering JSPM, Narhe Technical Campus, We would like to cordially invite you to deliver a session on "Study Abroad Option After Engineering".

We would be grateful if you accept our invitation and share your expertise on the said topic with our students. Your excellence in this domain would be a great addition to our students knowledge. Please do not hesitate to contact us if you have any queries. Looking forward to hearing back from you.

Your's sincerely

Dr. Nihar M. Ranjan

Subject: Invitation for conducting a guest session on "Meet The Achiever" for our students.

Dear Sir,

It gives us immense pleasure to invite you as a guest speaker to address our students in the guest session on "Meet The Achiever". Your thought and knowledge enable our students to gain knowledge from your expertise and experience.

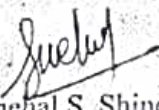

The date of the session conducted by you will be on "29<sup>th</sup> August, 2020" at "11:00 am". It has been a practice in our department to arrange such guest sessions apart for the regular curriculum as a part of co-curricular activities. This session will be of one hour followed by question and answer session of 15 minutes.

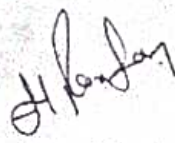

Kindly communicate your acceptance at the earliest; this will enable us to prepare for a successful session.

Anticipating a favorable reply from your end.

Thanking you.

Your's Sincerely

# JSPM & TSSM GROUP OF INSTITUTES

Narhe Campus

Date: 04/09/2020

To,  
Hon. Founder Secretary,  
JSPM Group of Institutes,  
Pune - 411041.

Subject: Change of Vendor for Company specific training Module II 2021 Batch students.

Respected Sir,

We earlier planned training of Module II for 2021 batch Mechanical & Civil engineering students in June/July 2020. We planned to give this training to FACE Academy and they were looking for minimum count of 100 students and we have total 33 students enrolled for this training (JSPM NTC-23 & TSSM BSCOER-10). So, now we are planning to give this training to Gyanteerth Academy who has agreed to provide training with these nos. This training will be based on the TCS company specific pattern, which will help students to easily crack the rounds of the hiring process.

The details of the training received from Dyanteerth Academy are as follows:

Sr. No.	Module	No. of hours	Amount per student
1	Aptitude + Technical + Company Specific	66 hours	Rs. 1000/-

Note:

1. The above mentioned amount is inclusive of all taxes.
2. Min Batch Size: 40 students.

This training we are planning to conduct for all BE Mechanical and Civil Engineering interested students of TSSM & JSPM, Narhe campus. This training will be conducted online. We have to give the payment to Gyanteerth in 2 slabs, 50% advance before the training starts and 50% after the training is completed.

Request you to kindly approve the same.

<b>Total Amount paid by students</b>					<b>30,350.00</b>

*Note - Fees collected by students as per old proposal, that was sanctioned before Lockdown. And due to Lockdown and Covid 19 scenario, whole training have done Online Only. So, Vendor reduced the training fees as 1000 Rs. per student only.*

Total Registered students for Module II was 24. Module II training was taken from Gyanteerth Academy.	
Total Registered Students for Module II : 24	24 x 1000/- per student = Rs. 24000/-
50% Advance Payment given (earlier 23 students was registered then one student was newly enrolled after training starts)	Rs. 11500/-
Remaining Payment of Gyanteerth Academy	Rs. 12500/-

To,  
JSPM Group of Institutes - Narhe Campus  
Department of Training & Placements  
Sub: TCS Specific Training Module

Dear Madam,

With reference to our telephonic conversation following are the details of the training module

S. No	Topic	Duration
1	Arithmetic - Problems on Percentages, Ratios, averages, Time & Work, Trains & Boats	15 hours
2	Basic Algebra- Linear & Quadratic Equation problems, Number System, P & C	15 hours
3	Analytical Reasoning	5 hours
5	Technical Training - Basics of C, C++, Data Structure	20 hours
9	Non-Verbal Reasoning	6 hours
10	Doubt Clearing/Revision Session	5 hours

Please note:

- Sessions will be conducted via Zoom/ WebEx.
- The topics covered will focus only on "TCS "pattern.
- Total duration will be 20 days.
- Total cost of the training will be INR 1000 per student. Minimum 40 students

Warm Regards

Vikrant Sukhtankar

1027-320

## Dyanteerth Academy: TCS Specific Training Module

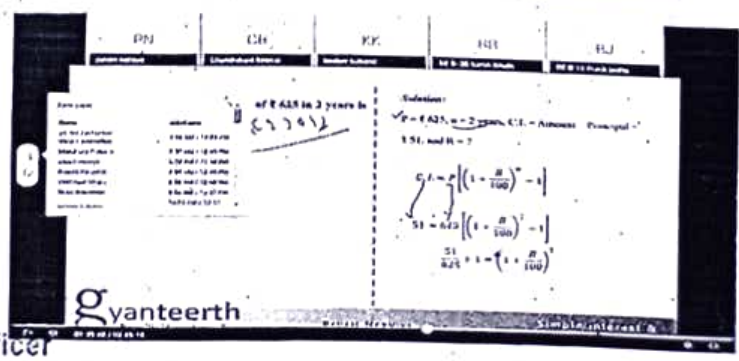

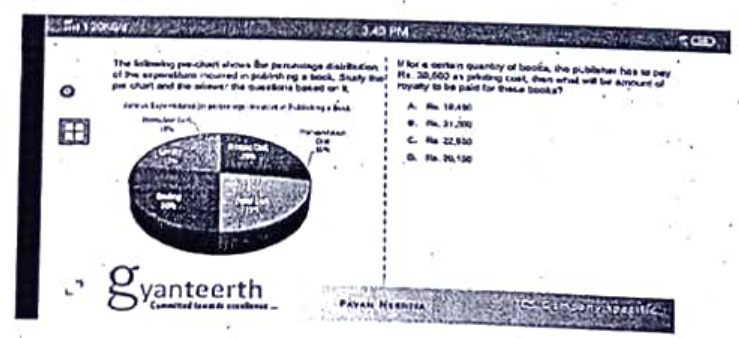

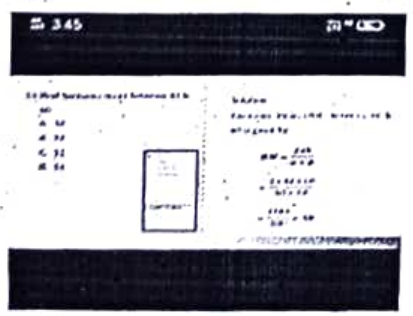

Training and placement Cell has organized placement related training for All BE students by Dyanteerth Academy which is a skill development company which help students master the skills required to land their dream career. Training duration was 66 Hours, started from 09<sup>th</sup> Sept. 2020 to 01<sup>st</sup> Oct. 2020. All training was conducted online through WebEx application. Total 24 students were registered and successfully completed the training. Training contents as follows:

S. No	Topic	Duration
1	Arithmetic – Problems on Percentages, Ratios, averages, Time & Work, Trains & Boats	15 hours
2	Basic Algebra- Linear & Quadratic Equation problems, Number System, P & C	15 hours
3	Analytical Reasoning	5 hours
4	Technical Training – Basics of C, C++, Data Structure	20 hours
5	Non-Verbal Reasoning	6 hours
6	Doubt Clearing/Revision Session	5 hours

Summary Report

Event : Career Mentoring for placed students by BARCLAY's

Date: Saturday, 20th June 2021

Time: 1:00 - 3:00 PM

No of students participated: 28

Name of trainer with contact no : Mr.Rahul Rai ( Mob.No.7263024311)

**Brief Introduction about event:**

The purpose of the seminar was to make students industry ready and ready to take on a corporate job successfully.

**The overall objective of this training :**

With the number of colleges increasing in our country so is the number of passouts from them. While there are lakhs of people who are counted to be a part of the economic workforce, not everybody makes it to the 'employable' list. This webinar is all about knowing what is that 'magic mantra' of being corporate ready.

Dr.D.V.Bhise  
HOD, Dept. of Mech.Engg.

## FUEL Aptitude and technical skill training

### Contents:

An aptitude and technical skill program for engineering students should be designed to enhance their problem-solving abilities, critical thinking skills, and technical proficiency. Here's a comprehensive outline of the contents:

#### 1. Basic Mathematics Skills:

Review of fundamental mathematical concepts such as algebra, trigonometry, calculus, and differential equations.

Application of mathematical principles to engineering problems.

#### 2. Problem Solving and critical thinking:

Techniques for problem-solving: Problem decomposition, algorithmic thinking, and logical reasoning.

Case studies and real-world scenarios to apply engineering principles to practical problems.

Critical analysis of engineering solutions, considering factors like feasibility, cost, and sustainability.

#### 3. Soft Skill Development:

Teamwork and collaboration

Time management and organization

#### 4. Computer skill:

Proficiency in programming languages commonly used in engineering such as Python, C/C++, Java

#### 5. Aptitude Training:

Logical Reasoning

Quantitative aptitude

Verbal ability

**Summary Report**

Event : **FUEL Communication skills and Aptitude Training for final year students**

No of students participated: 25

Name of trainer with contact no : My.Shyam Kulkarni ( Contact - 8983423483)

Brief Introduction about event:

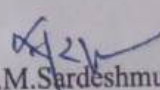

The purpose of the training is to initiate a process of rapid improvement, by means of achieving a shared understanding of the correct knowledge and skills that we need to employ in students, if we are to achieve our stated goals

**Topics to be covered in training:**

- Written Communication
- Oral Communication
- Critical Thinking
- Quantitative Analysis
- Information and Computer Literacy

The overall objective of this training is to provide students with an approach to problem solving through logic and reasoning. It is used to identify, analyze, generalize and communicate quantitative relationships. Quantitative analysis objectives for students completing the general education program are:

- Demonstrate improvements in written expression of thought by utilizing various techniques (such as peer review, multiple drafts or revisions of assignments after receiving feedback).
- Discuss among various size groups of students so as to be able to contribute without overpowering others.
- Critically evaluate arguments in terms of the strength of evidence and reasoning.
- Translate problems into mathematical form.
- Construct and interpret visual representations of mathematical relationships.

## **Gyanteerth Academy for Aptitude, Softskill, and TCS Special Training**

### **Contents:**

A specialized training program focusing on aptitude, soft skills, and preparation for recruitment exams like TCS (Tata Consultancy Services) typically requires a tailored curriculum. Here's a breakdown of the contents such a program might include-

#### 1. Aptitude Training:

- Logical Reasoning
- Quantitative aptitude
- Verbal ability

#### 2. Soft skill development:

- Communication skill
- Interpersonal skill
- Presentation skill

#### 3. TCS Recruitment exam preparation:

- Technical skills
- Data structures and algorithms
- Interview preparation
- Resume building
- Mock interviews

**Summary Report**

Event : Gyanteerth Academy - skills and Aptitude Training for final year students

No of students participated: 08

Name of trainer with contact no : Mr. Vikrant Sukhtankar ( Contact – 9890067320)

Brief Introduction about event:

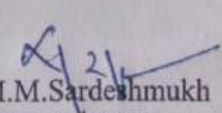

The purpose of the training is to initiate a process of rapid improvement, by means of achieving a shared understanding of the correct knowledge and skills that we need to employ in students, if we are to achieve our stated goals

Topics to be covered in training:

- Technical Language Skill
- Interview skill
- Presentation skill
- Critical Thinking
- Quantitative Analysis

The overall objective of this training is to provide students with an approach to problem solving through logic and reasoning. It is used to identify, analyze, generalize and communicate quantitative relationships. Quantitative analysis objectives for students completing the general education program are:

- Demonstrate improvements in written expression of thought by utilizing various techniques (such as peer review, multiple drafts or revisions of assignments after receiving feedback).
- Critically evaluate arguments in terms of the strength of evidence and reasoning.
- Translate problems into mathematical form.
- Construct and interpret visual representations of mathematical relationships.

## FACEAcademy for Aptitude, Softskill and Technical Training program

### Contents:

A specialized training program focusing on aptitude, soft skills, and preparation for recruitment exams like TCS (Tata Consultancy Services) typically requires a tailored curriculum. Here's a breakdown of the contents such a program might include-

#### 1. Aptitude Training:

- Logical Reasoning
- Quantitative aptitude
- Verbal ability

#### 2. Soft skill development:

- Communication skill
- Interpersonal skill
- Presentation skill

#### 3. TCS Recruitment exam preparation:

- Technical skills
- Data structures and algorithms
- Interview preparation
- Resume building
- Mock interviews

#### 4. Problem Solving and critical thinking:

Techniques for problem-solving: Problem decomposition, algorithmic thinking, and logical reasoning.

Case studies and real-world scenarios to apply engineering principles to practical problems.

Critical analysis of engineering solutions, considering factors like feasibility, cost, and sustainability.

**Summary Report**

Event : **FACE Communication skills and Aptitude Training for final year students**

No of students participated: **20**

Name of trainer with contact no : Ms. Samruddhi ( Contact – 9075155520)

Brief Introduction about event:

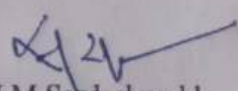

The purpose of the training is to initiate a process of rapid improvement, by means of achieving a shared understanding of the correct knowledge and skills that we need to employ in students, if we are to achieve our stated goals

**Topics to be covered in training:**

- Communication Skill
- Keys to Effective Communication
- Presentations
- Time Management
- Quantitative Analysis

The overall objective of this training is to provide students with an approach to problem solving through logic and reasoning. It is used to identify, analyze, generalize and communicate quantitative relationships. Quantitative analysis objectives for students completing the general education program are:

- Demonstrate improvements in written expression of thought by utilizing various techniques (such as peer review, multiple drafts or revisions of assignments after receiving feedback).
- Discuss among various size groups of students so as to be able to contribute without overpowering others.
- Critically evaluate arguments in terms of the strength of evidence and reasoning.
- Translate problems into mathematical form.

**FACE/Gyanteerth Academy: Training Report**

Training and Placement cell has organized placement related training for all MCA students by FACE/Gyanteerth academy which is a skill development company which help students master the skills required to land their dream career. Training duration was 108 hours, started from 15<sup>th</sup> Jun 2020 to 11<sup>th</sup> Nov 2020. All training was conducted online through zoom application. Total 11 students of MCA were registered and successfully completed the training. Training contents as follows:

Sr.No	Section	Duration
1	Aptitude for Placement	36
2	Recruitment Essentials	12
3	Comprehensive C++	33
4	TCS company specific	15
5	Capgemini specific	12

**Zoom meeting will be available for viewing:**

Following are some of the glimpses of online training

PN	CB	KK	BB	BJ
gagan narhe	Chandrabansh Dhole	Sanjay Kulkarni	DE B-35 Karvi Shuk	DE B-11 Pratik Jadhav

A sum at simple interest at 5% per annum amounts to ₹ 1120 after  $2\frac{1}{2}$  years. The initial sum was?

a. ₹ 1000  
b. ₹ 950  
c. ₹ 800  
d. ₹ 850

**Solution:**  
Amount = ₹ 1120 = Principal + Simple Interest.  $R = 5\%$   
 $n.a. T = 2\frac{1}{2} = \frac{12}{5}$  years  
 $S.I. = \left(\frac{P \times R \times T}{100}\right)$   
Amount =  $P + S.I.$   
Amount =  $P + \left(\frac{P \times R \times T}{100}\right) = P \left[1 + \frac{R \times T}{100}\right]$   
 $1120 = P \left[1 + \frac{5 \times \left(\frac{12}{5}\right)}{100}\right]$   
 $P = \frac{1120 \times 100}{112} = ₹ 1000$

gyantheerth  
Committed towards excellence ... PAVAN NERMIYA  
Simple Interest & Compound Interest (20-21)

PN	CB	KK	BB	BJ
gagan narhe	Chandrabansh Dhole	Sanjay Kulkarni	DE B-35 Karvi Shuk	DE B-11 Pratik Jadhav

of ₹ 625 in 2 years is

₹ 51, and  $R = ?$

**Solution:**  
 $\sqrt{P = ₹ 625, n = 2 \text{ years, C.I. = Amount} - \text{Principal} = ₹ 51, \text{ and } R = ?}$   
 $C.I. = P \left[ \left(1 + \frac{R}{100}\right)^n - 1 \right]$   
 $51 = 625 \left[ \left(1 + \frac{R}{100}\right)^2 - 1 \right]$   
 $\frac{51}{625} + 1 = \left(1 + \frac{R}{100}\right)^2$

**Notice**

All BE Mechanical Students We are excited to announce an upcoming webinar on "Value Analysis and Value Engineering" to be held on 13/09/2020 on Google Meet from 11 AM. This webinar aims to enhance our understanding of the principles and techniques behind value analysis and value engineering, vital tools in our pursuit of efficiency and innovation.

Dear Sir,

We Sincerely wish to thank you for readily accepting our invitation and delivering a Webinar on "Value Analysis and Value Engineering (VAVE)" for Students of Mechanical Engineering Department (Second Shift), JSPM Narhe Technical Campus, Narhe, Pune-41, on 13/09/2020, Sunday at 11.00 am - 01.00 pm.

Your webinar on "Value Analysis and Value Engineering" was well received by our students and they were highly benefited with your experienced and knowledge-based inputs. The valuable exposure about the fundamental concepts presented by you will definitely help our students to achieve their highest watermark in the domain. We are indeed, deeply indebted to you for sparing your valuable time for this event and look forward to the same favorable support in future. Your lecture would be helpful for the Student of our department.

Thanks, with regards.

Date: 08/01/2020

**Notice**

**All BE Mechanical Students** ,Are you intrigued by the rapidly evolving field of Additive Manufacturing (AM)? Curious about the diverse career paths it offers? Join us for an illuminating webinar on "Career Opportunities in Additive Manufacturing" to discover the exciting prospects waiting for you in this innovative industry.

**Details:**

- **Date:** 10/01/2020
- **Time:** 11:00 Am To 1:00 Pm

**Letter of Invitation for International Webinar**

To,

**Mr. Rajiv Dhavan**

Advance Mechanical Services Pvt. Ltd  
No 29 /1 Malik Building, 4th Floor,  
Hospital Road, Shivajinagar,  
Bangalore - 560 001

Subject: Invitation as a keynote speaker for International webinar on Career Opportunities in Additives Manufacturing.

Dear Sir,

It gives us an immense pleasure to invite you as keynote speaker for International webinar on "Career Opportunities in Additives Manufacturing" for students of Mechanical Engineering Department (Second Shift). The objective of the webinar is to understand the process and benefits of higher education in abroad and also to interact with the alumni studying in Germany. This helps students to acquire the specific knowledge over education scenario in abroad during this period.

A webinar is scheduled on 10/10/2020, Saturday on 11:00 am through GOOGLE MEET. The link to join webinar will share with you on the same day.

Your online session will be helpful to the students of our department.

Thanks, with regards.

  
Mr. Shital S. Bhosale  
T&P Coordinator

  
Dr. Manoj A. Kumbhakar  
Head

**Event Summary Report**

Date: 22/08/2021

Event: Awareness program on 'Awareness of Drafting Software's and career opportunities for civil engineers.'

Department : Civil Engineering department

- Name of Event : 'Awareness of Drafting Software's and career opportunities for civil engineers.'
- Instructor - Mr Devanshu Parnami (M.Tech Structure, MNIT Jaipur PGDCM-NICMAR)
- Founder - Software Academy for civil Engineering.
- Day, Date & Time of event : Saturday, 28/08/2021 @ 10 :30am
- Venue: Online ( Zoom Platform)
- Objectives of Event : To aware students about drafting software's and job oppourtunities in the civil engineering field.
- Outcome of Event: Students were able to learn about various software which are used in the Civil engineering field and available opportunities
- Number of Students Present : 72
- Documents Maintained: Notice / Attendance / Photographs

**DEPARTMENT OF MBA**

Date- 7<sup>th</sup> May 2021

**Summary**

**Name of the Session - “Career Opportunities in Insurance Sector”**

**Mode** –Online on 4<sup>th</sup> May 2021

**Name of the Guest Speaker** - Mr. Sunil Kumar Singh (Territory Manager, Pune Metro)

**Number of Students participated** - 72

The session was conducted on 4<sup>th</sup> May 2021 at 2.00 pm. Overall session was about the opportunities in the finance and insurance sector in India. Role of insurance regulatory and development authority was also discussed. Overview of Indian Insurance Industry in which Indian players and foreign players and their collaboration was discussed in detail.

**Learning Outcomes** –

Key important learning outcomes are as follows – Understanding of the various roles available within the insurance sector, including but not limited to underwriting, claims management, sales and marketing, risk assessment, actuarial analysis, and customer service. Knowledge of the skills and qualifications required to excel in different positions within the insurance industry. Awareness of the current trends and developments in the insurance industry, including advancements in technology, changes in regulatory frameworks, and emerging market opportunities. Importance of continuous learning and professional development in staying competitive and adapting to the evolving landscape of the insurance industry. Diverse range of opportunities available in the insurance sector, including opportunities for specialization in areas such as health insurance, property and casualty insurance, life insurance, and reinsurance.

**Subject: Invitation to guide students for Creer opportunities For Civil Engineering Students**

Respected Sir,

It gives us an immense pleasure to invite you as speaker for guiding our Third Year and Final Year students for **Creer opportunities For Civil Engineering Student** . The objective of the lecture is to create awareness among students about the various opportunities, select career path. The session is arranged on 14/9/2019.at 10.45am.

Your lecture would be helpful for the students of the department.

Thanks with regards.

## Event Summary Report

**Event: Creer opportunities For Civil Engineering Students**

**Department of: Civil Engineering**

- **Name of Event: Creer opportunities For Civil Engineering Students**
- **Date & Time of event:** 14/09/2019 from 10:45 am onwards
- **Venue:** Civil Engineering Department –B-113
- **Objectives of Event:**
  1. Career focus
  2. To help students in coming up with personal career goals
  3. To enlighten students on various career opportunities
  4. To assist students in discovering their strengths
- **Outcome of Event:**

The students who participated in the study were able to:

  1. Set career goals
  2. Narrow down the list of the careers based on their strengths
  3. Set career plan: about what they want to pursue to in higher education
  4. Number of Participants: Civil Engineering Final Year students.
- **Expert details:**
  - 1) Mr. Hemant Patil – CEO Apah Kothrud Pune.
  - 2) **Number of Participants:** 104

**Documents Maintained:** Invitation letter/ Thanks letter/ Agenda/ Attendance Sheet/ Photograph

### Expert Lecture Report

Date: 10/02/2020

Guest Lecture Name: Mr. Santosh Utpal

Qualification: B.E.(Mechanical), M.B.A.

Name of Organization: JSPM, Narhe Technical Campus, Narhe, Pune, Maharashtra, India

Day and Date of Conduction: Saturday, 08/02/2020

Subject: Group Discussion and Personnel Interview Preparation and Integration of Six Sigma and its Quality Tools and ISO 9001:2015 Quality Management System.

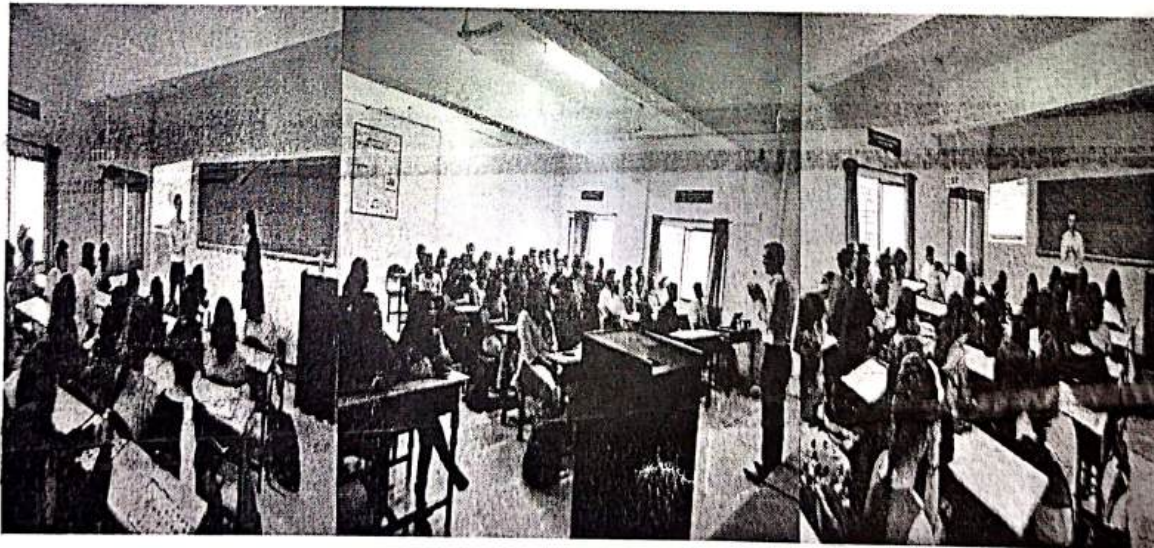

1. Self-Development, Communication Skills, Leadership.
2. Group Discussion and Personnel Interview.
3. Six Sigma and its Quality Tools
4. ISO 9001:2015 Quality Management System

Time: 08.30 am-10.30pm.

Class: SE & TE (Electronics and Telecommunication Engineering)

Total No of student: 56

Snapshots:

  
Mrs. S. J. Mane  
Course Coordinator

  
Mrs. K. P. Wagh  
ETSA Coordinator

  
Dr. M.S. Sardeshmukh  
HOD

Date: 04/02/2020

To,

Director,

JSPM Narhe Technical Campus,

Narhe , Pune , 41.

Subject: Regarding Sanctioning of Remuneration of Industry expert Lecture from ETSA of Electronics and Telecommunication Engineering Department.

Respected Sir,

I, Prof.S.J.Mane working as assistant professor in Department of Electronics and Telecommunication Engg. going to arrange industry expert lecture for third year and second year student for enhancement of their personnel interview and Group discussion skills as well as providing them knowledge of Six sigma and its quality tools, ISO 9001:2015 Quality management system which essential for them during their corporate/Entrepreneur life.

Expert Mr. Santosh Utapal is having 15 years of experience and working as operation Manager in Stanley Black and Decker, Pune . I assure you through this lecture students will get industry live examples for said topic.

Please Sanction his remuneration 1000/- from ETSA of Electronics and Telecommunication Engineering Department.

Kindly do the needful.

Mrs. S. J. Mane  
Course Coordinator

Dr. M.S. Sardeshmukh  
HOD

**EXPERIENCE**

**Manager : Operation**  
 Stanley Black & Decker India Pvt Limited

- \*Vertical- Final assembly- 7 Lines | Motor manufacturing -2 Lines | Molding -5 Machines
- \* Handling production volume worth of \$ 25 M ,3300 Power Tools /day
- \***Team size** - In direct team- 10 | Direct Labour - 250
- \***Operation** - 3 shift
- \***Data System** - SAP | Infoweave ( Data Digitization )
- \***Operation System-** SFS ( Stanley fulfillment system )
- \* 4 Wall variance reduction by \$ 600K by export recovery
- \* Quality team restructuring & close loop feedback from Mfg process to Customer complain closer
- \* Change agent for legacy people & keep them engage by SFS way | IMS Certification for plant ,Product certification as CB | CE | UL | CSA
- \* Installation & Productionization : 3 FA line | Two Motor Mfg line | Brazing line | 3 Mold machine 200T ,150 T,120T
- \* Handling operation financial from Std cost to department budgetig
- \* Track budget on MoM basis and derive financial productivity YoY by lean management drive
- \* Team development and ensure strong succession plan
- \* Drive Internal process audit | Complainece audit | Supplier audit
- \* Stanley fulfillment system kick off in Q1 2014 & continuation

**Senior Manager : Production**  
 Honeywell Turbo Technologies India Pvt Ltd,Pune  
 # August 2008 to January 2013

- \* 4 Assly line installation with Mfg Engineering & Productionization
- \* Production scale up from 900 turbo to 4000 Turbo /day
- \* HOS implementation & Bronze certification for plant
- \* Productivity ( OPE )increase from 15 to 30 Turbo / person /day
- \* EHS | Kaize | Sugesstion scheme actualization along with HR

**Module Incharge : Cam Plate line manufacturing**  
 BOSCH India Limited  
 # August 2006 to August 2008,Jaipur

Responsible for cam plate production plan as per pump assembly plan by following KANBAN and HIEJUNKA system.  
 Worked on Sub assembly line as a **Module in charge** with a team of 45 Associate and 4 supervisors and 2 engineers.

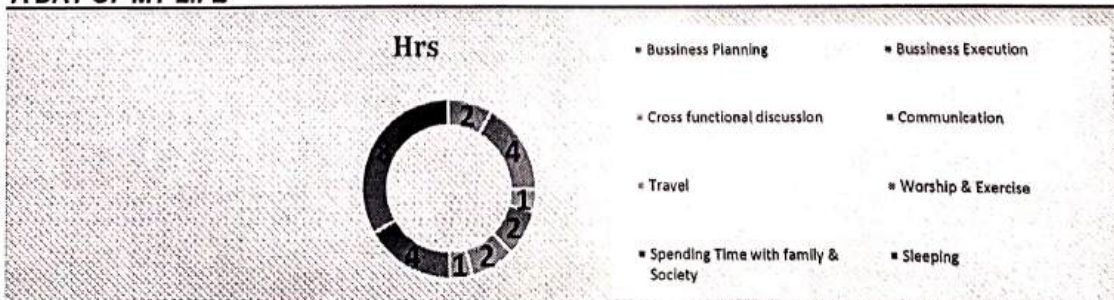

Implementation of BPS (BOSCH Production System) on the shop floor  
 VSM leader for Cam Plate to follow BPS  
**Module In charge : Production Moser baer India Pvt Ltd**  
 # Sept 2005 to August 2006,Noida

Responsible for DVD-R production line as per plan by following KANBAN and HIEJUNKA system.

**Shift In charge : Production**  
 Apollo Tyre Ltd  
 # March 2004 to Sept 2005, Baroda  
 Joined as GET and worked in capacity of Shift in charge  
 Production-Div-A

Handled operator having age group 50-55 yrs  
 Responsible for shift wise production target.  
 TPM coordinator.

**Subject:** Invitation as keynote Speaker for Expert Lecturer to TE E&Tc Engineering Students.

Respected Sir,

It gives us an immense pleasure to invite you as keynote speaker for expert lecture on "GDPI Preparation and Integration of Six Sigma its Quality Tools and ISO 9001:2015 Quality Management System" for third year students of Electronics and Telecommunication Engineering Department. The objectives of the lecture are to create awareness among students actively participate in group discussion / interviews, also to understand concept of Quality management assistance tools, applications of Six Sigma a case Study , and Concept of ISO 9001:2015 Quality Management System Standard.

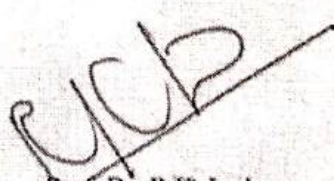

The session is organized on Saturday, 08/08/2019 at 08.15 am.

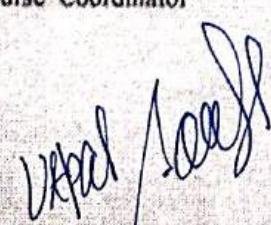

Your lecture would be inspiration for the third year students of the department.

Thanks with regards.

**DEPARTMENT OF MECHANICAL ENGINEERING**

Date: 16/01/2020

**Event Summary Report**

**Event :- GATE Webinar**

**Event Name :- "GATEway to Excellence: Career Counselling and Strategy Session"**

**Date & Time of Event :- 10/01/2020**

- **Time: Session-I :- 9:00 Am To 11:00 Am**
- **Online :- Google meet**

**No. of Participants:- 89**

**Expert Details :- Mr. Kapil Jankar**

**Objective:** The "GATEway to Excellence" session aimed to provide comprehensive career counselling and strategic guidance to candidates preparing for the Graduate Aptitude Test in Engineering (GATE). The session focused on equipping participants with valuable insights, strategies, and resources to maximize their potential for success in the examination and navigate their career paths effectively in the field of engineering and related disciplines.

**Key Highlights:**

**1. Understanding GATE:**

- Participants gained a comprehensive understanding of the GATE examination, including its structure, syllabus, examination pattern, and significance in shaping academic and professional trajectories in engineering and related fields.

**2. Strategizing for Success:**

- Proven strategies and techniques for effective GATE preparation were shared, including time management tips, subject-wise study plans, and the importance of mock tests and practice papers. Participants received practical guidance on optimizing their preparation efforts to maximize their chances of success in the examination.

Jayawant Shikshan Prasarak Mandal's  
**JSPM Narhe Technical Campus**

S. No. 12/22 and 14/9, Narhe, Tal : Haveli, Dist: Pune - 411041

DTE Code : 6755 PUN Code : CEGP019070 AISHE Code : C-45874

### 3. Career Pathway Exploration:

- The session facilitated exploration of diverse career pathways available to GATE qualifiers, including postgraduate studies in premier institutions, research opportunities, job prospects in public sector undertakings (PSUs), and corporate sectors. Participants gained insights into the potential career trajectories and growth opportunities associated with each pathway.

### 4. Personalized Counseling:

- Personalized career counselling sessions were conducted to provide participants with tailored advice, guidance, and recommendations based on their individual strengths, interests, and career goals. These sessions helped participants gain clarity and direction in their career planning efforts, empowering them to make informed decisions.

### 5. Interactive Engagement:

- Interactive discussions, workshops, and activities were organized to facilitate engagement, knowledge sharing, and skill development. Participants had the opportunity to interact with experienced mentors, industry experts, and fellow GATE aspirants, enriching their learning experience and expanding their professional network.

**Conclusion:** The "GATEway to Excellence" session served as a valuable platform for participants to gain insights, guidance, and inspiration as they prepare for the GATE examination and plan their future careers. By providing comprehensive support, practical strategies, and networking opportunities, the session empowered participants to navigate their career paths with confidence and determination.

**Future Endeavors:** Building on the success of the session, future endeavors may include follow-up sessions, workshops, and resources aimed at further enhancing participants' preparation and readiness for the GATE examination and beyond. Continued efforts to support and empower aspiring candidates in their career aspirations will be key to ensuring their success in the competitive landscape of engineering and related fields.

**Program Report**

**Name of the Program - “Career Opportunities in the field of Human Resource Management”**

**Name of the Resource Person – Mrs Pratibha Rasal**

**No. of Students Participated - 51**

**Introduction:**

Human Resource Management (HRM) plays a vital role in organizations by managing the most valuable asset: its people. This report explores the diverse career opportunities available in HRM, highlighting key roles, skills required, and potential outcomes for aspiring HR professionals.

**Learning Outcomes:**

- a) Different Career paths in Human Resource Management –**
- HR Generalist: Overseeing various HR functions across the employee lifecycle, including recruitment, training, performance management, and employee relations.
  - HR Specialist: Focusing on specific areas such as recruitment, compensation and benefits, employee relations, training and development, or HR analytics.
  - HR Business Partner: Aligning HR strategies with business objectives, providing strategic support to business units, and acting as a liaison between HR and other departments.
  - HR Manager/Director: Leading HR departments, developing and implementing HR strategies, policies, and programs, and providing leadership and guidance to HR teams.

**b) Learning Outcomes from the seminar**

- **Career Advancement:** Students had clear idea about opportunities for progression from entry-level positions to senior leadership roles in HRM, such as HR director or chief HR officer.
- **Specialization:** Students got to know about various possibility to specialize in specific HR functions, industries, or areas of expertise based on interests and career goals.
- **Impactful Work:** How HR managers can Make a meaningful difference by shaping organizational culture, driving employee engagement, and promoting diversity and inclusion.
- **Continuous Learning:** Students also gained knowledge about Ongoing professional development through education, training, certifications, and networking to stay updated with industry trends and best practices.

### **Conclusion**

Human Resource Management offers a wide array of career opportunities for individuals passionate about people management, organizational development, and strategic decision-making. Whether aspiring to be a generalist overseeing various HR functions or a specialist focusing on specific areas like recruitment or training, HRM provides a rewarding career path with opportunities for growth, impact, and continuous learning. As organizations increasingly recognize the importance of human capital in achieving their goals, the demand for skilled HR professionals is expected to remain strong, making HRM an exciting and fulfilling field to pursue a career in.

**Program Report**

**Name of the Program - "Career in Product Development and Marketing"**

**Name of the Resource Person - Mr.Sahil Sharma**

**No. of Students Participated - 88**

**Introduction:**

MBA graduates specializing in product development and marketing can pursue diverse career paths in various industries. Some common roles include product manager, brand manager, marketing manager, innovation strategist, market researcher, and product marketing specialist. These roles involve driving innovation, managing product lifecycle, conducting market research, developing marketing strategies, and executing campaigns to maximize product success and market penetration.

**Learning Outcomes:**

- Students developed strategic thinking skills to identify market opportunities, define product positioning, and formulate innovative strategies for product development and marketing.
- Understanding market dynamics, consumer behavior, and competitive landscape equips students with the ability to conduct in-depth market analysis to guide product development and marketing decisions.
- Students got to know about emphasizing the importance of cross-functional collaboration, enabling students to work effectively with teams across departments such as product management, marketing, sales, finance, and operations.

- Students learned to foster innovation and creativity in product development and marketing initiatives, leveraging design thinking methodologies, user-centered design principles, and emerging technologies.

### **Conclusion**

A seminar on "Career in product development and marketing" offers students a unique blend of strategic thinking, analytical skills, creativity, and leadership opportunities. By gaining expertise in market analysis, innovation, cross-functional collaboration, and data-driven decision-making, students can embark on fulfilling careers driving product success and market growth. As businesses continue to evolve in response to changing consumer needs and technological advancements, the demand for skilled professionals in product development and marketing will remain high, presenting exciting opportunities for MBA graduates to make meaningful contributions to the industry.

**Program Report**

**Name of the Program - “Navigating the Finance Landscape: Career Pathways for Management Students”**

**Name of the Resource Person - Mr. Rahul Jadhav**

**No. of Students Participated - 91**

**Introduction:**

In today's dynamic and complex financial landscape, management students are faced with a myriad of career opportunities and challenges. Navigating through this terrain requires a clear understanding of the various pathways available, as well as the skills and competencies required to succeed. This report aims to provide insight into the diverse career options within finance for management students, along with key learning outcomes and a conclusion to guide their professional journey.

**Learning Outcomes:**

- Students had awareness about diverse career paths in finance (e.g., financial analyst, investment banker, risk manager, financial consultant)
- Students learned about current trends shaping the finance landscape (e.g., fintech innovation, sustainable finance, regulatory changes)
- Students got hands on knowledge about technological advancements in financial sector
- Students also know about essential skills and knowledge for success in finance careers

## Conclusion

Navigating the finance landscape offers management students a plethora of exciting career pathways, each with its unique opportunities and requirements. By developing a strong foundation in financial analysis, strategic thinking, communication skills, ethical awareness, and adaptability, management students can position themselves for success in the dynamic world of finance. Continuous learning, networking, and seizing opportunities for growth are key to thriving in this ever-evolving field. As management students embark on their finance careers, embracing these principles will empower them to make meaningful contributions and achieve their professional aspirations.

## Event Summary Report

**Event: Creer opportunities For Civil Engineering Students**

**Department of: Civil Engineering**

➤ **Name of Event: Creer opportunities For Civil Engineering Students**

➤ **Date & Time of event: 14/09/2019 from 10:45 am onwards**

➤ **Venue: Civil Engineering Department –B-113**

➤ **Objectives of Event:**

1. Career focus
2. To help students in coming up with personal career goals
3. To enlighten students on various career opportunities
4. To assist students in discovering their strengths

➤ **Outcome of Event:**

The students who participated in the study were able to:

1. Set career goals
2. Narrow down the list of the careers based on their strengths
3. Set career plan: about what they want to pursue to in higher education
4. Number of Participants: Civil Engineering Final Year students.

➤ **Expert details:**

- 1) Mr. Hemant Patil – CEO Apah Kothrud Pune.
- 2) **Number of Participants: 104**

Pune.

Respected sir,

We Sincerely wish to thank you for taking initiative to guide our students on **Creer opportunities For Civil Engineering Students** for Third Year & final year Students of Civil Engineering Department, **JSPM Narhe Technical Campus Pune-41**, on 14/09/19.

Your lecture was well received by our students and they were highly benefited with your experienced and knowledge based inputs. We are indeed, deeply indebted to you for sparing your valuable time for this event and look forward to the same favorable support in future.

Thank You.

Subject: - Invitation as an Expert for the subject of "Seminar on awareness of higher education".

Respected Sir,

It gives us an immense pleasure to invite you as an expert of the subject of Seminar on awareness of higher education for the students of TE & Last Year E&TC Engineering. The lecture is arranged on 12<sup>th</sup> July 2018 at 03.30 PM.

The objectives of the lecture are as follow:

- To aware the importance of GATE exam.
- To cover the opportunities in public and private sector after GATE qualification.

This lecture would be helpful for the students to get through knowledge of the subject. So, it is requested to accept our invitation and kindly give us your consent. Thanks with regards.

Respected Sir,

We Sincerely wish to thank you for readily accepting our invitation and delivering an expert Lecture on "**Seminar on awareness of higher education**" for SE,TE & BE(E&TC) Organized by Department of Electronics and Telecommunication Engineering, **JSPM, Narhe Technical Campus, Narhe, Pune-41**, on 11<sup>th</sup>, July 2018.

Your expert lecture on **Seminar on awareness of higher education** was well received by our students and they were highly benefited with your experienced and knowledge based inputs. The valuable exposure about the fundamental concepts presented by you will definitely help our Students to achieve their highest watermark in the domain.

We are indeed, deeply indebted to you for sparing your valuable time for this event and look forward to the same favorable support in future.

Thank you once again.

## Summary Report

Seminar on : Awareness of higher education

Date of seminar: 12 July 2018

Conducted by :Mr.Kiran Kumar from Wani Institute

Students attended: 99

### Contents covered in seminar:

When preparing a seminar on awareness of higher education, particularly focusing on exams like GATE (Graduate Aptitude Test in Engineering), it's essential to cover a range of topics to provide attendees with comprehensive information. Here are some points discussed with students.

Explain what GATE is and its significance.

Provide historical background and its evolution

Highlight the importance of GATE in admissions to postgraduate programs (Masters and Doctoral) in engineering, technology, and related fields.

Discuss who can apply for the GATE exam.

Detail the structure of the GATE exam (number of papers, duration, etc.

They offer guidance on how to prepare effectively for the GATE exam.

Suggest resources such as textbooks, online courses, and mock tests.

Discuss the various opportunities available after clearing the GATE exam, such as –

Pursuing higher education in India (Masters, Ph.D., etc

Employment opportunities in PSUs (Public Sector Undertakings.

Opportunities for research and academia.

Allow attendees to ask questions and share their experiences

## IMPORTANT NOTICE regarding HireMee Assessment and Campus France (TE and BE student attendance is mandatory for respective activities)

Dear All,

We have planned two different activities for TE and BE students Viz:

1. HireMee Assessment – BE students of all branches
2. Campus France Seminar – TE students of all branches

### HireMee Assessment:

This assessment will be conducted for all final year student at free of cost. The assessment is a 100 minute online test in college premises. Depending on the student score, opportunities will be provided to students. We are going to conduct this test on 12<sup>th</sup> Feb 2019. Attendance of all BE students is mandatory.

### Campus France Seminar:

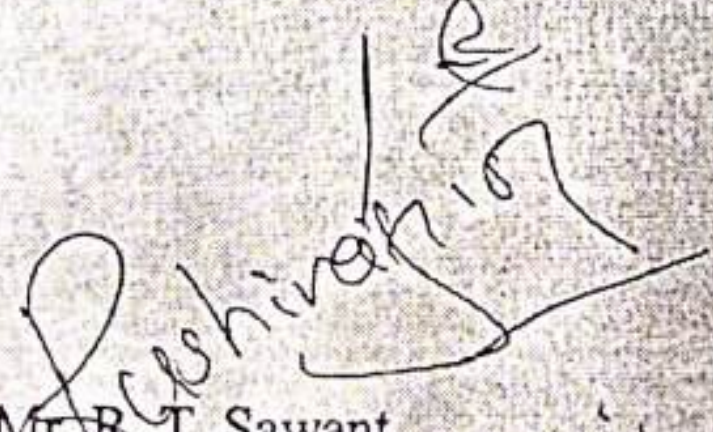

This Seminar is planned for TE students of all branches for Higher education. Interested students from Final year can also attend this seminar. This seminar is planned on 5<sup>th</sup> Feb 2019.

Timing: 10.45 to 11.30 – Mechanical I and II Shift

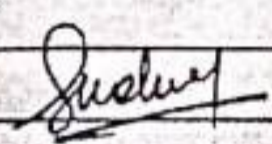

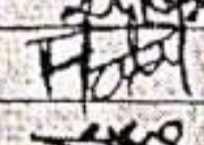

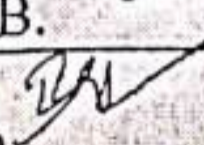

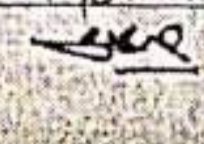

11.45 to 12.30 – Civil, Computer, E&TC

  
Mrs. Kulkarni N. A.  
TPO

  
Dr. R. K. Lad  
Director

  
Mr. R. T. Sawant  
Campus Director

## Summary Report

Seminar on: Study opportunities for Bachelor, Masters and PhD in France

Date of seminar: 5.2.2019

Students attended: 92

### **Contents covered in seminar:**

#### **Benefits of studying in France**

Discuss the advantages of pursuing education in France, such as-

Prestigious universities and research institutions

Internationally recognized degrees

Opportunities for language learning and cultural immersion

Affordable tuition fees and living costs

Access to scholarships and financial aid

#### **Master program in France**

Highlight the diversity of programs available, including taught Masters and research-based Masters.

Discuss admission criteria, application procedures, and deadlines

Provide insights into funding opportunities, such as scholarships, grants, and assistantships

#### **PhD program in France**

Admission requirements, including academic background and research experience

Doctoral schools and research units

Funding options, including doctoral contracts and fellowship

Thesis supervision and defense procedure

Discuss the language requirements for studying in France, including proficiency in French and English

Preparing application documents, such as transcripts, CV, letters of recommendation, and statement of purpose.

**Subject: - Invitation as an Expert for the subject of "Awareness of Robotics & Latest Technologies".**

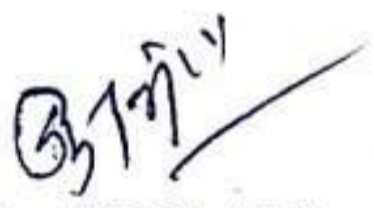

Respected Sir,

It gives us an immense pleasure to invite you as an expert of the subject of **Awareness of Robotics & Latest Technologies** for the students of Third year & Last Year E&TC Engineering. The lecture is arranged on **18<sup>th</sup> July 2018 at 03.30 PM.**

The objectives of the lecture are as follow:

- To cover the importance of Robotics.
- To study the actual utilization of various concepts in industries.
- Importance of Latest technologies.

Your lecture would be helpful for the students to get through knowledge of the subject. So, it is requested to accept our invitation and kindly give us your consent. Thanks with regards.

## Summary Report

Seminar on: Awareness of Robotics and Latest Technologies

Date of seminar: 18.07.2018

Students attended: 96

### Contents covered in seminar:

#### Introduction to robotics and latest technologies

Define robotics and provide an overview of its applications in various industries. Highlight the importance of staying updated with emerging technologies in today's rapidly evolving world.

Explain fundamental concepts in robotics, such as—Sensors and actuators, Control Systems, Automation and autonomous systems, Artificial intelligence and machine learning.

#### Explore real-world applications across different sectors, including –

Manufacturing and industrial automation

Healthcare and medical robotics

Agriculture and farming technologies

Transportation and autonomous vehicle

Smart cities and infrastructure

Entertainment and gaming

Discuss the potential benefits and challenges associated with the adoption of robotics and latest technologies.

Explore how these technologies are reshaping industries, creating new job opportunities, and transforming traditional work processes.

Provide information on educational pathways and training programs in robotics and related disciplines.

Highlight universities, research institutions, and online platforms offering courses and degrees in robotic

Discuss career opportunities in robotics, including roles in research, development, design, programming, and maintenance.

Provide recommendations for resources and tools for learning about robotics and latest technologies

**Program Report**

**Name of the Program - "Career Counselling for MBA Students"**

**Name of the Resource Person – Mr. Akshay Sarode**

**No. of Students Participated - 78**

**Introduction:**

Career counseling for MBA students plays a pivotal role in shaping their professional trajectory by providing guidance, insights, and resources to navigate the dynamic job market. This report aims to highlight the key learning outcomes from the perspective of MBA students and offer a conclusive reflection on the significance of career counseling in their academic journey.

**Learning form the seminar-**

- **Clarification of Career Goals:** MBA students gain clarity on their short-term and long-term career aspirations through self-assessment and exploration of personal interests and strengths.
- **Industry Insights:** Understanding of various industries and sectors where MBAs typically find employment, including emerging trends and opportunities, equips students with valuable insights for informed career decisions.
- **Personal Branding and Networking:** Students learn to develop a strong online presence through platforms like LinkedIn, craft effective resumes and cover letters, and build professional connections to enhance their networking capabilities.
- **Interview Preparation:** Acquisition of interview skills, including preparation for behavioral, case, and technical interviews, empowers students to confidently showcase their MBA skills and experiences during job interviews.

- Job Search Strategies: MBA students acquire strategies for effective job searching, including leveraging career services, online job boards, and alumni networks, tailored to their industry preferences and career goals.
- Continuous Learning and Professional Development: Understanding the importance of continuous learning and skill development enables students to stay updated with industry trends and technologies, fostering ongoing professional growth.

**Conclusion:**

In conclusion, career counseling for MBA students serves as a catalyst for their professional growth by providing essential guidance, resources, and support to navigate the complexities of the job market. Through a holistic approach encompassing self-assessment, industry insights, networking, interview preparation, job search strategies, and continuous learning, MBA students are empowered to make informed career decisions and embark on a path of lifelong success. Thus, investing in career counseling not only enhances the employability of MBA graduates but also fosters their overall development as competent and confident professionals ready to tackle the challenges of the corporate world.

**Program Report**

**Name of the Program - "Career Opportunities in Banking Sector"**

**Name of the Resource Person - Mr. Akshay Shinde**

**No. of Students Participated - 57**

**Introduction:**

The banking sector offers a myriad of career opportunities for individuals seeking dynamic and rewarding professions in finance. This report explores the diverse roles available in the banking industry, drawing insights from a recent seminar on career development within this sector.

**Learning from the Seminar:**

The seminar highlighted the importance of gaining diverse experiences and developing a strong skill set to thrive in the banking industry. Networking, continuous learning, and adaptability were emphasized as essential for career advancement. Furthermore, speakers underscored the significance of staying informed about industry trends, regulatory changes, and technological advancements to remain competitive in the field. Students learned about new opportunities in public sector bank. Preparation of IBPS exam and the eligibility criteria. Students also got to know about work culture and expectations from newly joined management trainee.

**Conclusion:**

In conclusion, the banking sector offers a wide array of career opportunities suited to individuals with diverse skills, interests, and aspirations. Whether one's passion lies in serving customers, analyzing financial data, or structuring complex transactions, there is a role within the banking industry to match. By leveraging the insights gained from seminars, networking events, and continuous learning opportunities, individuals can embark on fulfilling and successful careers in the dynamic world of banking.

**Program Report**

**Name of the Program - "Career Opportunities in FMCD and FMCG Sector for Management Students**

**Name of the Resource Person – Mr. Anurang Lalwani**

**No. of Students Participated - 54**

**Introduction:**

The seminar on "Career Opportunities in FMCD and FMCG Sector for Management Students" aimed to provide insights into the diverse career paths available in the Fast-Moving Consumer Durables (FMCD) and Fast-Moving Consumer Goods (FMCG) sectors.

**Learning Outcomes:**

- Participants gained a comprehensive understanding of the FMCD and FMCG sectors, including their significance in the economy, key players, market dynamics, and growth opportunities.
- The seminar provided an overview of various career paths within the FMCD and FMCG sectors, such as sales and marketing, supply chain management, operations, finance, human resources, and product management.
- Attendees learned about sales and marketing roles specific to FMCD and FMCG companies, including brand management, market research, sales operations, and promotional strategies.
- Participants gained insights into supply chain management functions, such as procurement, logistics, inventory management, and production planning, and their importance in ensuring efficient operations within FMCD and FMCG companies.

- The seminar highlighted finance and accounting roles within FMCD and FMCG sectors, including financial analysis, budgeting, cost control, and treasury management, emphasizing their relevance in driving business success.
- Attendees learned about human resources functions tailored for FMCD and FMCG industries, including recruitment, training and development, performance management, and employee engagement strategies.
- The seminar discussed product management roles involving product development, innovation, and lifecycle management in FMCD and FMCG companies, highlighting the importance of innovation in staying competitive.
- Participants gained insights into current market trends, consumer behavior patterns, and emerging technologies shaping the FMCD and FMCG sectors, enabling them to anticipate future industry developments.
- The seminar identified key skills and competencies required for success in FMCD and FMCG careers, and provided strategies for skill development, networking, and career advancement.

**Conclusion:**

The seminar on Career Opportunities in FMCD and FMCG Sector for Management Students proved to be highly informative and beneficial for participants, offering valuable insights into the diverse career paths available in these sectors. Attendees gained a deeper understanding of industry dynamics, explored various career options, and learned about essential skills and strategies for success. Overall, the seminar equipped management students with the knowledge and resources needed to pursue rewarding careers in the FMCD and FMCG industries.
