Policy Document on

Environment and Energy Usage

The Environment and Energy Usage Policy of JSPM's Narhe Technical Institute, Pune is to manage energy in such a systematic way so as to minimize its impact on the Environment. The policy implies to explore the renewable energy resources to reduce the burden of the Government and to find out substitute natural resources as solutions to the energy crisis.

This environment and energy policy is binding for all components of the institutions and applies to all its stakeholders and to the various activities undertaken by the institution. It will help us to embed efficiency and environmental awareness into our everyday activities, thus helping us to realize our responsibilities and commitment to conservation of natural resources and to limit its usage.

Policies:

- To assess our energy usage and measure its impact on the environment.
- To count CO₂ emissions generated in the campus.
- To reduce local air pollution emissions using environment-friendly vehicles, including bicycles, public transportations and use of pedestrian-friendly roads.
- To install solar panels for the generation of alternate energy.
- To install LED bulbs in the complete campus to save energy.
- To develop systematic waste management system.
- To develop rain water harvesting unit.
- To undertake tree plantation drives.
- To encourage use of advanced technology to minimize energy consumption, atmospheric emissions and noise, particularly from our vehicles by promoting use of electric vehicles.
- To promote environment, energy efficiency and sustainable development in collaboration with government agencies, municipal corporation.
- To strengthen our employees and students environmental knowledge and skills in order to improve environmental performance.
