Subject- Regarding the submission of report based on 'feedback on the academic performance and ambience of the institution' collected from stakeholders

Dear Sir / Madam,

JSPM's Narhe Technical Campus is accredited by NAAC. We have collected 'feedback on the academic performance and ambience of the institution' from various stakeholders. The IQAC analyzed the feedback and based on analysis the action taken report is generated and same is attached for your information

Kindly convey the response regarding the same.

Action Taken Report

Feedback from stake holder

The institute has structured mechanism to obtain feedback from internal and external stakeholders through various programs. The line of action and action taken is reported below based on suggestions collected from various stakeholders.

1. Feedback from Alumni

Recommendations from alumni

The alumni have given a feedback that to improve academic performance more focus on practices to exposures industrial environment during course and also improve their communication skill and confidence some programs should be carried out

Line of Action

1. Planning of industry visit and guest lectures
2. Planning of conduction of skill enhancement program to students

2. Feedback from Employer:

Recommendations from Employer

Employers have given suggestions to encourage students to acquire additional technical skills as per current industry need and achievements beyond academics

Line of action:

1. Planning of value added courses
2. Planning to provide knowledge on company specific skills required to students.

3. Feedback from Students:

Recommendations from Students

Students have given suggestions that curriculum may focus on practice to improve their communication skill, personality development, Self –motivation and also they need hands on technical skill sessions

Line of Action:

1. Planning of lectures from Training & Placement cell
2. Planning of counseling sessions
3. Planning of communication and employability skill development program

4. Feedback from Teacher:

Recommendations from Teacher

Teachers have given suggestions that more focus may be given to industry requirement technical skills. Some new courses or topics related to soft skill and recent trends in engineering can be included in the curriculum.

Line of Action:

1. Planning of workshops and training sessions
2. Skill improvement training sessions and internship program

Closure Report

Feedback from stake holder

The institute has structured mechanism to obtain feedback from internal and external stakeholders through various programs. The line of action and action taken is reported below based on suggestions collected from various stakeholders.

1 Feedback from Alumni

Recommendations from alumni

The alumni have given a feedback that to improve academic performance more focus on practices to exposures industrial environment during course and also improve their communication skill and confidence some programs should be carried out

Line of Action

1. Planning of industry visit and guest lectures
2. Planning of conduction of skill enhancement program to students

Action Taken

1. Industrial visits organized in all the departments
2. Skill enhancement programs like personality development and employability skills workshop are conducted for students

2 Feedback from Employer :

Recommendations from Employer

Employers have given suggestions to encourage students to acquire additional technical skills as per current industry need and achievements beyond academics

Line of action:

1. Planning of value added courses
2. Planning to provide knowledge on company specific skills required to students.

DTE Code : 6755 PUN Code : CEGP019070 AISHE Code : C-45874

Action taken :

1. Conducted seminar on Opportunities in Higher Education
2. Conducted The value added courses on Data Science for Engineers and Cloud Computing

3. Feedback from Students:

Recommendations from Students

Students have given suggestions that curriculum may focus on practice to improve their communication skill, personality development, Self -motivation and also they need hands on technical skill sessions

Line of Action:

1. Planning of lectures from Training & Placement cell
2. Planning of counseling sessions
3. Planning of communication and employability skill development program

Action Taken:

1. Lectures on Personality Development and Employabilty Skills Workshop
2. Group Discussion and Personal Interview Preparation session is conducted
3. Conducted FUEL Aptitude Training

4. Feedback from Teacher:

Recommendations from Teacher

Teachers have given suggestions that more focus may be given to industry requirement technical skills. Some new courses or topics related to soft skill and recent trends in engineering can be included in the curriculum.

Line of Action:

1. Motivating teachers to complete MOOC courses
2. Skill improvement training sessions and internship program

Action Taken:

1. Faculties completed online NPTEL courses and AICTE Atal programs
2. Faculties have signed MOU with industries and also working on the sponsored projects
