### Blood Donation

<b>Date &amp; Time</b>	3/02/2022, 9 am to 4 pm
<b>Objective</b>	1. To collect blood units but also to make students aware about blood and its benefits. 2. It was an effort to motivate students to come forward and donate for this noble cause. 3. First time donors need to be encouraged so that once the initial hesitation/ fear goes away, the donor will look forward to such camps in near future too. 4. To help anyone, in case of any requirement for blood
<b>Outcome</b>	More than 50 units of blood
<b>Domain</b>	Environment
<b>In Association with</b>	NSS Unit JSPM NTC ( Total Participants 32)

A Blood donation camp was organized by our NSS unit, more than 50 units of blood was donated by both students and the staff members of our JSPM NTC .

The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

## Report on Ganesh Visarjan

Title of Event: Ganesh Visarjan

Date: September 12th, 2019

Time: 11:30 am

Venue: JSPM Narhe Technical Campus

Objectives:

- To let the students stay rooted with Indian culture
- To build group cohesiveness

The JSPM Narhe Technical Campus celebrated Ganesh Chaturthi, the festival celebrating the birth of Lord Ganesha, with immense devotion and enthusiasm. Students, staff, and the entire college community came together to participate in various rituals and festivities during this auspicious occasion. The celebration commenced with a ceremonial pooja led by our esteemed faculty members.

Lord Ganesha's idol graced our campus for a ten-day period, allowing students and staff to seek his blessings continuously. Each morning at 9:30 am, an 'Anjali' ceremony was conducted, where students gathered to pray the idol. The highlight of the Ganesh Chaturthi celebration was the 'visarjan' or immersion ceremony, which took place on September 12th, 2019. The entire college community enthusiastically participated in the procession, joyfully dancing and singing songs. On the day of the visarjan, female faculty members adorned colorful nauvari sarees, while the men wore bright red or saffron-colored kurtas.

Students and staff members enjoyed dancing, singing devotional songs, and engaging in cultural performances. The atmosphere was filled with joy, unity, and a strong sense of togetherness. The entire campus joined the procession, resonating with chants of "Ganapati Bappa Morya". The statue of Lord Ganesha was immersed in a water body.

We express our heartfelt gratitude to all the students, staff, and organizers whose dedication and participation contributed to the resounding success of this celebration. May the blessings of Lord Ganesha continue to guide us all.

## Campaign for Eco Friendly POP Free Ganesh Idol Visarjan

**Title of Event:** Campaign for Eco Friendly POP Free Ganesh Idol Visarjan

**Date:** 23rd September, 2018

**Time:** 11.00 am onwards

**Venue:** Hingne Budruk, Karve Nagar

Every year Ganesh Chaturthi celebrations comes with huge environment risks thousands of people choose to immerse the idols in the water after the 10-day festivities. Normally, the idols are made from Plaster of Paris (POP) and are non-biodegradable in nature, as a result, the idols even after immersion continues to float on the water for a long period of time thereby choking the water bodies and adversely impacting the aquatic ecosystem.

So, JSPM NTC organized a campaign to create awareness about POP free Ganesh idols on 23rd September 2018. In an effort to reduce pollution during the annual Ganesh Visarjan. The main aim of the campaign was to reduce pollution during the Ganesh Visarjan and promote eco-friendly practices during Ganapati Pooja.

The volunteers appeal to the Ganesh Mandals entering the immersion sites to hand over the ideals and Nirmalya to them so that they can discard it in the designated facility which then can be sent for treatment and recycling.

This recycled clay was given to artisans for free, encouraging them to abandon plaster of Paris (POP) idols and observe the ban on their use.

Every small step counts towards a brighter and healthier planet. Say goodbye to Plaster of Paris (POP) idols and embrace the beauty of nature-friendly alternatives.
