ACADEMIC YEAR: 2022-2023 Action Taken Report

Feedback from stake holder

The institute has structured mechanism to obtain feedback from internal and external stakeholders through various programs. The line of action and action taken is reported below based on suggestions collected from various stakeholders.

1. Feedback from Alumni

Recommendations from alumni

The alumni have given a feedback that to improve academic performance more focus on practices to exposures industrial environment during course and also improve their communication skill and confidence some programs should be carried out

Line of Action

- 1. Planning of industry visit and guest lectures
- 2. Planning of conduction of skill enhancement program to students

2. Feedback from Employer:

Recommendations from Employer

Employers have given suggestions to encourage students to acquire additional technical skills as per current industry need and achievements beyond academics

Line of action:

- 1. Planning of value added courses
- 2. Planning to provide knowledge on company specific skills required to students.

S. No. 12/2/2 and 14/9, Narhe, Tal: Haveli, Dist.: Pune - 411041

DTE Code: 6755 PUN Code: CEGP019070 AISHE Code: C-45874

3. Feedback from Students:

Recommendations from Students

Students have given suggestions that curriculum may focus on practice to improve their communication skill, personality development, Self –motivation and also they need hands on technical skill sessions

Line of Action:

- 1. Planning of lectures from Training & Placement cell
- 2. Planning of counseling sessions
- 3. Planning of communication and employability skill development program

4. Feedback from Teacher:

Recommendations from Teacher

Teachers have given suggestions that more focus may be given to industry requirement technical skills. Some new courses or topics related to soft skill and recent trends in engineering can be included in the curriculum.

Line of Action:

- 1. Planning of workshops and training sessions
- 2. Skill improvement training sessions and internship program

S. No. 12/2/2 and 14/9, Narhe, Tal : Haveli, Dist.: Pune - 411041

ACADEMIC YEAR: 2022 -2023 Closure Report

Feedback from stake holder

The institute has structured mechanism to obtain feedback from internal and external stakeholders through various programs. The line of action and action taken is reported below based on suggestions collected from various stakeholders.

1 Feedback from Alumni

Recommendations from alumni

The alumni have given a feedback that to improve academic performance more focus on practices to exposures industrial environment during course and also improve their communication skill and confidence some programs should be carried out

Line of Action

- 1. Planning of industry visit and guest lectures
- 2 Planning of conduction of skill enhancement program to students

Action Taken

- 1. Industrial visits organized in all the departments
- 2. Skill enhancement programs like personality development and employability skills workshop are conducted for students

2 Feedback from Employer:

Recommendations from Employer

Employers have given suggestions to encourage students to acquire additional technical skills as per current industry need and achievements beyond academics

Line of action:

- 1. Planning of value added courses
- 2. Planning to provide knowledge on company specific skills required to students.

S. No. 12/2/2 and 14/9, Narhe, Tal : Haveli, Dist.: Pune - 411041

DTE Code: 6755 PUN Code: CEGP019070 AISHE Code: C-45874

Action taken:

- 1. Conducted seminar on Opportunities in Higher Education
- 2. Conducted The value added courses on Data Science for Engineers and Cloud Computing

3. Feedback from Students:

Recommendations from Students

Students have given suggestions that curriculum may focus on practice to improve their communication skill, personality development, Self -motivation and also they need hands on technical skill sessions

Line of Action:

- 1. Planning of lectures from Training & Placement cell
- 2. Planning of counseling sessions
- 3. Planning of communication and employability skill development program

Action Taken:

- 1. Lectures on Personality Developement and Employabilty Skills Workshop
- Group Discussion and Personal Interview Preparation session is conducted
- Conducted FUEL Aptitude Training 3.

4. Feedback from Teacher:

Recommendations from Teacher

Teachers have given suggestions that more focus may be given to industry requirement technical skills. Some new courses or topics related to soft skill and recent trends in engineering can be

Line of Action:

- 1. Motivating teachers to complete MOOC courses
- 2. Skill improvement training sessions and internship program

Action Taken:

- 1. Faculties completed online NPTEL courses and AICTE Atal programs
- 2. Faculties have signed MOU with industries and also working on the sponsored projects

S. No. 12/2/2 and 14/9, Narhe, Tal: Haveli, Dist.: Pune – 411041

Phone: +91 20 2460 8700, 701, 702 Email: director@jspmntc.edu.in Web: www.jspmntc.edu.in Affiliated to Savitribai Phule Pune University. Approved by AICTE New Delhi and DTE Maharashtra.

DTE Code: 6755 PUN Code: CEGP019070 AISHE Code: C-45874

Feedback on Ambience

1. General Ambience -

Action taken -In view of the above point ,the institute has taken required measures to improve the overall ambience including corridors, Garden etc.

2. College corridors specious and with sufficient light-

Action taken - Stakeholders are satisfied with the informative corridors. Also they feel the corridors are specious and with sufficient light.

3. college has well established and maintained academic support facilities and physical facilities

Action taken - Stakeholders agrees that college has well established, equipped and maintained academic support facilities. Our institute has a well maintained library, laboratories, computer facility, sport room as well as a clean and hygienic campus.

Overall Observations:

Strengths:

- Team work of Faculty.
 Lush Green pollution free Campus
 Endustry Enstitute Alademia partnership.

Weakness:

- RSD projects
- Consultancy.

Opportunity:

- Industrial area in Northe.
- Hardworking faculty.

Challenges:

- Retaining the Students on Classroom. Less inter-1- of student- in Core branch.

Any Other Observations:

overall the academic and administative en the penty member. Team work obserd

2023-24		
FOW on Biomedical Signal Processing under the aegis of BoS E&TC SPPU Pune	30/01/2023 to 01/02/2023	45
Inauguration of Industry Institute Interaction Cell and Industry-Institute Meet	15/09/2023	120

Significant contributions made by IQAC

- 1. Focus on enhancement of quality of course material Industry institute interaction using the concept of one faculty one industry relation.
- 2. System for record keeping and maintain the documents Skill development and training program for students to increase the placement of the students.
- **3.** Planning for use of the MOOC courses and use of Virtual Lab Skill development and training program for students to increase the placement of the students Training program for non-teaching for enhance the personal skill
- **4.** Industry institute interaction using concept of one faculty one industry relation.
- **5.** Skill development and training program for students to increase the placement of the students
- **6.** Focus and planning of soft skill development programs for students
- 7. Industry institute interaction using the concept of one faculty one industry relation.

Plan of action chalked out by the IQAC & Achievements/Outcome

Plan of Action	Achievements/Outcome	
2018-2019		
To enhance the Industry, Institute Interaction.	Due to the Industry, Institute Interaction the placement of the students was increased.	
To increase the number of students for internship training.	The number of students for internship is increased which gave the exposure to students about the working culture of industry and real time problems	

	T				
Organization of the Soft skill training programs for the students	Students got the additional required soft skill training. The number of students placed and the highest package increased.				
Motivate students to take part in to different competitions	The number of students participating in competitions like Baja Suprta Gokart Hackethon KPIT Sparkle increased. Students also won the prizes at National and International Level				
Formation of module / domain committees for improvement of Teaching Learning Process and develop interdisciplinary research culture	The teaching learning process got improved. Teachers using innovative approaches in teaching. Improved the academic result				
Daily monitoring the attendance of students by the AMC	The average attendance increased in turn the improvement in academic result seen				
2019-2020					
Monitoring the attendance and lecture conduction by AMC	Improved the average attendance and the academic results				
Increasing the association with industry	College ranked in Platinum Category by the AICTE-CII survey				
Organization of the soft skill training programs for students in association with Industry	The additional training received by the students which helped to increase the number of placement count and the package of the student				
Motivate and support the faculty to improve their skill set by attending different workshop seminar and webinar	Faculties have attended more than 200 different programs on technical and skill development				
Motivate the students to use the MOOC platform	The number of students taking the courses on coursera, NPTEL increased which opened a new platform of learning. Total Registration 3564 and the Students who completed the course successfully is 307				
2020-2021					
Motivate the students to use the MOOC platform	The number of students taking the courses on coursera NPTEL increased which opened a new platform of learning.				
Motivate and support the faculty to improve	Faculties have attended more than 200				

	,			
their skill set by attending different workshop seminar and webinar	different programs on technical and skill development			
Organization of the soft skill training programs for students in association with Industry	The additional training received by the students which helped to increase the number of placement count and the package of the student			
Increasing the association with industry	College ranked in Platinum Category by the AICTE-CII survey			
Monitoring the attendance and lecture conduction by AMC	Improved the average attendance and the academic results			
2021-2022				
Motivate the students to use the MOOC platform	The number of students taking the courses on coursera NPTEL increased which opened a new platform of learning.			
Organization of soft skill development training for students	The various programs organized and seen an improvement in the placement statistics and quality			
Planning of activities for slow learners	Remedial classes conducted for slow learners shown an improvement in the results			
Increasing the association with industry	MOUs signed with industries. Institute placed in platinum category in AICTE-CII Survey

Department of Electronics & Telecommunication Engineering

Summary Report

Event: Faculty Orientation Workshop on BE (E&TC/Elex) Revised Syllabus 2019 pattern for the subject Biomedical Signal Processing Elective – V, under the aegis of Board of studies E&TC, SPPU, Pune. [Duration: 30/01/2023 to 01/02/2023]

No of teachers participated: 35

Name of instructor:

1. Dr. Vijaya Pawar

Dr. M.M.Sardeshmukh
 Deepthi Kulkarni
 Vijaysinh bansude

5. Yashomati R Dhumal

6. Dr. S.W.Shaikh

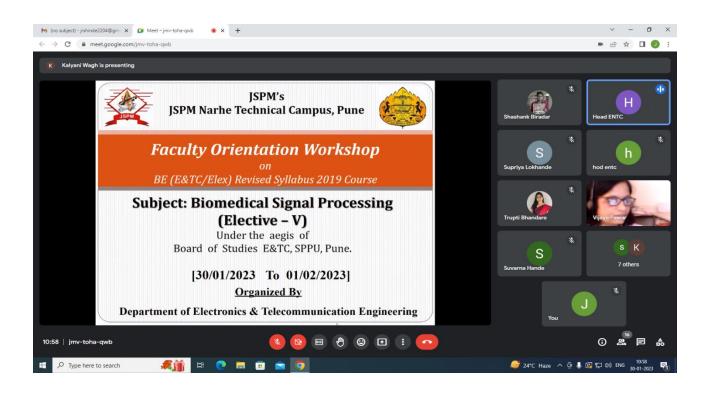

Brief Introduction about event: Faculty Development workshop for the revised syllabus of the elective-V subject, Biomedical Signal processing (B.E & Tc 2019 Pattern).

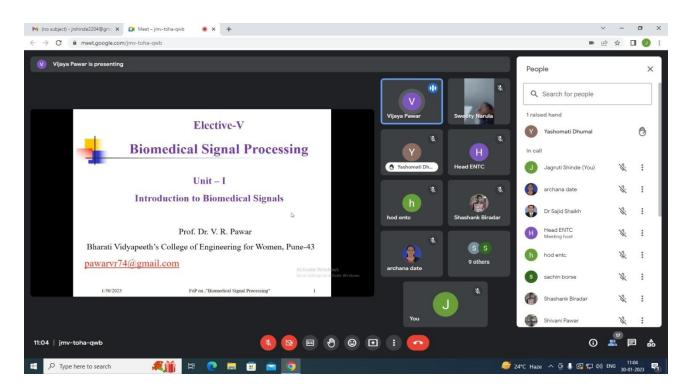

Topics to be covered in workshop:

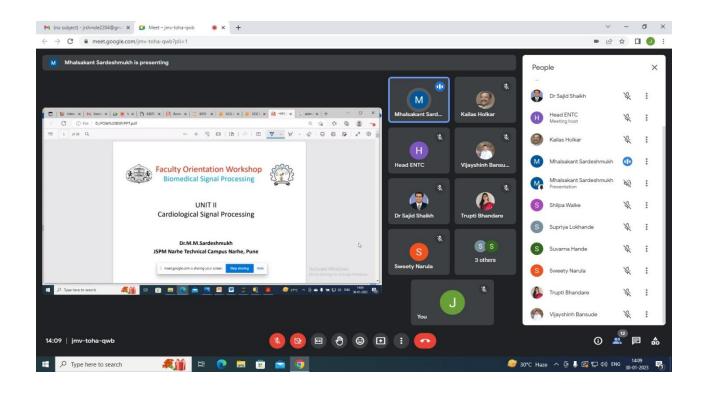

- Detail Discussion on teaching methodology for a given particular Unit.
- Depth in which a particular topic is to be conducted from exam point of view.
- Detail discussion on the assignments to be conducted for the unit as a part of assessment.
- Discussion / Justification on CO-PO mapping for the particular course.
- Discussion on the various virtual lab links available for the particular subject.
- Detail discussion on the way the practical's are to be conducted.

Event Summary Report

Name of Event: "INDURSTY – INSTITUTE MEET Along With The Inaugural Ceremony of Industry Institute Interaction Cell"

Department: Mechanical Engineering

Date & Time of event: 15/09/2023

Venue: VC-Hall, JSPM Narhe Technical Campus

➤ Objectives of Event:

- 1. Facilitate dialogue and collaboration between industry professionals and academic faculty members.
- 2. Establish the III Cell to promote industry-academia interaction, research partnerships, and skill development initiatives.
- 3. Identify potential areas of collaboration, including research projects, internships, and training programs.
- 4. Enhance students' exposure to industry trends, practices, and opportunities for career development.

Outcome of Event:

- 1. Establishment of a formal platform for sustained industry-academia interaction through the III Cell.
- 2. Identification of potential collaboration opportunities, including joint research projects, internships, and industry-sponsored student initiatives.
- 3. Enhancement of students' industry exposure and opportunities for practical learning and skill development.
- 4. Strengthening of institutional linkages with industry partners, fostering a culture of innovation and entrepreneurship.
- > Sponsored by (If any): -
- Number of Participants: 120
- **Expert:** Dr. M. A. Kumbhalkar and Dr. K. S. Rambhad

> Summary of Feedback:

The Industry-Institute Meet and Inaugural Ceremony of the III Cell marked a significant milestone in fostering collaboration between industry and academia. By establishing a formal platform for interaction and collaboration, the event laid the foundation for mutually beneficial partnerships and initiatives aimed at advancing knowledge, innovation, and economic growth.
